NORTHERN LABS, INC. 401(K) THRIFT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE 1 DESCRIPTION OF PLAN

The following brief description of Northern Labs, Inc. 401(K) Thrift Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan originally effective January 1, 1990. The Plan has been amended throughout the years to comply with tax legislation and was most recently amended effective April 3, 2017. The Plan covered substantially all employees of Northern Labs Inc. (the Company or Plan Sponsor). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The KDC USA Retirement Plan Committee was responsible for the oversight of the Plan. The KDC USA Retirement Plan Committee determined the appropriateness of the Plan's investment offerings, monitors investment performance, and reported to the Board of Directors.

Effective November 12, 2018, the Company merged the Plan into an existing plan, KDC USA 401(K) Plan. All eligible employees who were employees of the Company and participated in the Plan immediately prior to the merger and who have met the age and service requirements of the merged-in plan were allowed to enter the KDC USA 401(K) Plan. All Plan assets were transferred into the KDC USA 401(K) Plan on November 12, 2018.

Eligibility

Employees who were over the age of 18 and have completed three months of service were eligible to participate in the salary reduction arrangement in the Plan. Employees who were over the age of 18 and had completed three months of service were eligible to participate in the Company match. The employee entered the Plan on the first day of the Plan Year and the first day of the fourth, seventh and tenth months of each Plan Year following the completion of the eligibility requirement.

Contributions

The Plan included a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants were permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) contributions to the Plan. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. The Plan allowed participants to make Roth contributions to the Plan.

The Company may, at its discretion, elect to make a qualified matching contribution or nonelective contribution to the Plan. For the year ended December 31, 2018, the Company matching contribution was 50% of the first 6% of eligible compensation deferred that a participant contributes to the Plan. There were no Company nonelective contributions for the year ended December 31, 2018.

NORTHERN LABS, INC. 401(K) THRIFT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

Participants also contributed amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRAs. Participants directed the investment of contributions into various investment options offered by the Plan. Contributions were subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account was credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings or losses, and (c) forfeitures of terminated participants' nonvested accounts, if applicable. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Participants were immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of the accounts was based on years of credited service. A participant was 100% vested after five years of credited service. Notwithstanding the above, a participant was fully vested upon reaching normal retirement age, death, or permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest was paid ratably through payroll deductions. The notes were secured by the balance in the participant's account and bore interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator.

Payment of Benefits

Upon termination of service, death, disability, or retirement, the participant would receive the value of the vested interest in his or her account in the form of a lump sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator would authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account was between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

NORTHERN LABS, INC. 401(K) THRIFT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

When certain terminations of participation in the Plan occur, the nonvested portion of participant's accounts represent forfeitures. Forfeitures may be used to reduce Plan expenses or to reduce Company contributions subject to the Plan's provisions. Forfeitures of \$4,124 were used to reduce Company contributions during 2018. There were \$4,790 and \$1,674 of unallocated forfeited nonvested accounts at December 31, 2018 and 2017, respectively. The forfeiture account balance transferred out from the Plan on January 2, 2019.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan as of and for years ended December 31, 2018 and 2017, have been prepared in accordance with accounting principles generally accepted in the United States of America. In the prior year, management prepared the financial statements on the modified cash basis of accounting. The 2017 presentation has been modified to conform to the 2018 presentation. The change in the basis of accounting does not yield materially different results.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The KDC USA Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by investment advisors and management trust company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net depreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through October 15, 2019, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company, the trustee of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2018 and 2017 and the statement of changes in net assets available for benefits for the year ended December 31, 2018.

As a result of the Plan merger effective November 12, 2018 as described in Note 1, all investments and notes receivable from participants were transferred to another plan on November 12, 2018, except the forfeiture account balances which transferred in January 2019.

NOTE 4 FAIR VALUE OF INVESTMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2018 and 2017:

Mutual Funds and Money Market: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market accounts held by the Plan are deemed to be actively traded.

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2014 received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is, therefore, not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE 8 PLAN MERGER

Effective November 12, 2018, the Company authorized the merger of the Plan into the KDC USA 401(K) Plan. On November 12, 2018, assets in the amount of \$8,150,795 were transferred out of the Plan. Remaining \$4,790 were transferred out the Plan in January 2019. Effective November 12, 2018, certain eligible employees of the Company are eligible to participate in the KDC USA 401(K) Plan.
