Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Rob's Automotive & Collision Center 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2018, and the related statement of changes in net assets available for benefits, for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Accordingly, we do not express an opinion on the 2018 financial statements referred to in the first paragraph.

Other Matter

The supplemental schedules of schedule H, line 4i - schedule of assets (held at end of year) and schedule H, line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2018, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter - 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Reliance Trust Company, the trustee of the Plan. Their report, dated October 15, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF PLAN

The following description of Rob's Automotive & Collision Center 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement and Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established as a 401(k) retirement plan for the employees of Rob's Automotive & Collision Center, Inc. and LRA Enterprise, LLC, (collectively the "Company"). The Plan covers all employees of the Company who are age 21 or older and have completed 1,000 hours of service within 12 months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute up to 90% of pretax annual compensation, as defined in the Plan, subject to any limitations determined by the plan committee or by statute. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participant contributions may only be pre-tax contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company matches all participants' pretax contributions up to a maximum of 25% of the first 4% of the participant's base compensation. The Company made matching contributions of $45,359 net of $6,395 of forfeitures and $49,402 net of $3,118 of forfeitures for the years ended December 31, 2018 and 2017, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, qualified rollover contributions and allocation of the Company's contributions and Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All contributions made to these accounts are directed by the participant into particular investments offered by the Plan.

Vesting

Participants are fully vested in their voluntary contributions and related investment earnings. Vesting of the employer contributions accrues for each year of service, completing 1,000 hours, at 20% annually after the first full year of service. A participant becomes fully vested after six years of service. Regardless of the vesting schedule, a participant will become fully vested upon the occurrence of any one of the following events: (a) death, (b) total and permanent disability, or (c) the date the participant attains the age of 65.

Forfeitures

Forfeitures may be applied to offset plan expenses or to reduce the Company's matching contributions. For the years ended December 31, 2018 and 2017, the Company's matching contributions were offset by $6,395 and $3,118, respectively, from forfeited non-vested accounts. Forfeited non-vested accounts totaled $5,836 and $5,692 as of December 31, 2018 and 2017, respectively.

NOTE 1 DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or fifty percent (50%) of their vested account balance. A participant may have only one outstanding loan at any one time.

The loans bear interest at a fixed rate of 1% over the prime interest rate. Loans are repayable over a specific period not to exceed five years. If a loan is to be used for the purchase of a participant's principal residence, a longer repayment term may be permitted.

Payment of Benefits

A participant's vested account balance will be distributable upon the occurrence of any one of the following events: (a) death or disability, (b) termination, (c) early retirement or (d) any other termination of service. If the participant's account balance is greater than $5,000, the participant may elect to either (a) receive an immediate lump-sum amount equal to the value of his/her account or (b) leave the account balance in the Plan until such time as the participant decides to withdraw the account balance. Participants may receive in-service distributions of their vested account on or after attainment of age 59 ½. In any event, withdrawal of the account balance must commence once the participant attains the age of 70 ½ years. Upon termination of service, in the event the participant's account balance is $1,000 or less, a lump-sum payment, less applicable withholding taxes, will be made as soon as practicable. The Plan provides for hardship withdrawals under the provisions of the Internal Revenue Code.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the participant's account and are included in administrative expenses when they are incurred. No allowance for credit losses have been recorded as of the years ended December 31, 2018 and 2017. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid. All requested distributions have been paid as of December 31, 2018, except for two participants whose benefits were paid in 2019, totaling $2,253.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net depreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2018 and 2017. Reliance Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2018 and 2017, the supplemental schedule of assets (held at end of year) as of December 31, 2018, and the related investment income and interest income on notes receivable as reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2018.

NOTE 4 FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Registered Investment Companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund: The fair value of participation units held in Reliance Trust Company, Stable Value Fund Collective Investment Trust, often referred to as “Invesco Stable Asset Fund - ADPZ”, is based on net asset value, which is obtained from audited information reported by the issuer of the common collective trust at year-end, which is used as practical expedient to estimate fair value.

The Stable Value Fund is held in a Common Collective Trust. The investment objective of the Invesco Stable Asset Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. Withdrawals from the Invesco Stable Asset Fund - ADPZ for participant exchanges into a competing investment must first be directed into a non-competing investment for a period of 90 days, after which time the exchange into the competing investment may be completed. If the Plan is terminating participation in the trust, 12 months is required for the withdrawal.

NOTE 4 FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

Assets at Fair Value as of December 31, 2018:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Registered investment companies (mutual funds)	$ 2,837,209	$ -	$ -	$ 2,837,209
Common collective trust fund (a)	-	-	-	39,385
Total assets at fair value	$ 2,837,209	$ -	$ -	$ 2,876,594

Assets at Fair Value as of December 31, 2017:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Registered investment companies (mutual funds)	$ 2,812,078	$ -	$ -	$ 2,803,826
Common collective trust fund (a)	-	-	-	8,252
Total assets at fair value	$ 2,812,078	$ -	$ -	$ 2,812,078

(a) In accordance with Accounting Standards Codification Topic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 5 NET ASSET VALUE PER SHARE

December 31, 2018	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common collective trust				
Invesco Stable Asset Fund ADPZ	$ 39,385	N/A	Daily	90 days

December 31, 2017	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common collective trust				
Invesco Stable Asset Fund ADPZ	$ 8,252	N/A	Daily	90 days

The Plan invests in a common collective trust with Invesco Trust Company called the Invesco Stable Asset Fund - ADPZ. The Plan identifies this investment as the stable asset fund. The stable asset fund is included in the financial statements at its net asset value as reported to the Plan by Invesco Trust Company.

NOTE 6 EXCESS CONTRIBUTIONS PAYABLE

Total excess contributions payable in the amount of $120 represents a contribution from a participant, who did not meet the eligibility requirements to enter the plan for the year ended December 31, 2018. This payable was recorded with a corresponding reduction of the 2018 contributions.

NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has several service providers which are considered parties-in-interest as defined by ERISA. The trustee of the Plan is also the custodian of the Plan assets.

NOTE 8 TAX STATUS

The Plan obtained its latest determination letter based on a prototype plan on July 16, 2014, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 8 TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2016.

NOTE 9 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, participants will become fully vested in their accounts.

NOTE 10 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan maintains a significant allocation in the following investments:

- Vanguard Target Retirement 2035 Inv
- MFS Total Return R6
- Lord Abbett High Yield Fund R6

NOTE 11 NONEXEMPT TRANSACTIONS

As reported on Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, certain participant contributions were not remitted to the Plan within the time frame specified by the Department of Labor's regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company. Late remittances amounted to $8,034 for the year ended December 31, 2017. The 2017 late contributions have been corrected outside the DOL's Voluntary Fiduciary Corrective Program as of the report date.

NOTE 12 SUBSEQUENT EVENTS

The plan administrator has evaluated events or transactions that have occurred after December 31, 2018 (the financial statements date) through October 9, 2019, the date that the financial statements were available to be issued. During this period, the plan administrator did not have any material recognizable subsequent events that would require adjustment to, or disclosure in, the financial statements.
