1. Description of Plan

The following description of the Chicago Parts & Sound, LLC 401(k) Profit Sharing Plan (the "Plan") is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering all eligible employees of Chicago Parts & Sound, LLC, (the "Employer" or the "Company"). Employees are not eligible to participate in the Plan if they are: union employees, nonresident aliens, or employees acquired in a 410(b)(6)(C) transaction. For purposes of employee deferrals and matching contributions, employees are eligible for participation upon attainment of 21 years of age and completion of two months of service. For purposes of profit sharing contributions, employees are eligible for participation if the employee: attains 21 years of age, is employed on the last day of the Plan year, and completes at least 1,000 hours of service during the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In November of 2018, the Plan appointed Pentegra Services, Inc. as the Plan's investment fiduciary under Section 3(38). As a result, in December of 2018, the Plan transferred all of its assets from Transamerica Life Insurance Company to Reliance Trust Co. and the Plan adopted the Pentegra Service Inc.'s volume submitter plan.

Contributions

Each year, eligible employees may elect to contribute a portion of their eligible compensation on a pre-tax or Roth basis, subject to limitations established by the Internal Revenue Code. The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default rate set at 4% of eligible compensation on a pre-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Employer may make a discretionary matching contribution in an amount determined by the Employer for those eligible employees. For the year ended December 31, 2018, the Employer made a discretionary matching contribution of 100% of a participant's contribution not to exceed 4% of eligible compensation.

The Employer may make a discretionary profit sharing contribution in an amount determined by the Employer for those eligible employees. For the year ended December 31, 2018, no discretionary profit sharing contributions were made to the Plan.

Participant Accounts

Each participants account is credited with the participant's contributions and allocations of (a) the Employer's contribution and (b) Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account.

1. Description of Plan (*continued*)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in Employer matching and profit sharing contributions is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures

At December 31, 2018 and 2017, forfeited non-vested accounts totaled \$35,953 and \$16,188. These accounts will be used to reduce administrative expenses or Employer contributions. During 2018, forfeitures of \$18,016 were used to reduce Employer contributions and forfeitures of \$850 were used to reduce administrative expenses.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates equal to 1% above prime rate. Principal and interest is paid ratably through payroll deductions. The loan must be repaid within a period not to exceed five years from the date the participant receives the loan, unless the loan is for the purchase of the participant's principal residence, in which case the loan must be repaid within a longer repayment term.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient are not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value except for the group annuity contract, which is stated at contract value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price. The common/collective trust is valued at the NAV of units held by the Plan. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The group annuity contract is valued at contract value, which represents contributions plus credited interest less participant withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

2. Summary of Significant Accounting Policies (*continued*)

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Employer and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Accounting for Uncertainty in Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition and/or disclosure. The plan administrator believes that the Plan is no longer subject to examinations by the applicable jurisdictions for periods prior to December 31, 2015.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 23, 2019.

3. Information Certified (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Life Insurance Company and Reliance Trust Co., the custodians of the Plan, have certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2018 and 2017, the related investment activity and notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2018, and the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2018. Reliance Trust Co. held the Plan's investment assets and executed investment transactions from December 15, 2018 to December 31, 2018. Transamerica Life Insurance Company held the Plan's investment assets and executed investment transactions as of December 31, 2017, and for the period from January 1, 2018 to December 14, 2018.

4. Investments, at Fair Value

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

	2018		
		Other Investments Measured at NAV *	Total
	Level 1		
Mutual funds	\$ 2,242,473	\$ -	\$ 2,242,473
Common/collective trust	-	505,543	505,543
	<u>\$ 2,242,473</u>	<u>\$ 505,543</u>	<u>\$ 2,748,016</u>
	2017		
		Other Investments Measured at NAV *	Total
	Level 1		
Mutual funds	<u>\$ 2,100,087</u>	<u>\$ -</u>	<u>\$ 2,100,087</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

Common/Collective Trust

During 2018, the Plan invested in the MetLife Stable Value Fund (the "Fund") which is a collective investment trust that was formed for the purpose of allowing plan sponsors of defined contribution plans qualified under Sections 401(a) and 501(a) of the IRC to invest in the MetLife Group Annuity Contract 20053. The contract was issued by Metropolitan Life Insurance Company to Reliance Trust Company, who is the trustee of the Fund.

Units of the Fund are valued daily. Unit purchases and redemptions are transacted at the NAV determined as of the close of business each day. The NAV per unit is computed by dividing the total net assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values.

Chicago Parts & Sound, LLC
401(k) Profit Sharing Plan

Notes to Financial Statements
December 31, 2018

5. Group Annuity Contract, at Contract Value

The Plan had investments in the Transamerica Stable Value Fund, which was reported at contract value on statements of net assets available for benefits as it is considered fully benefit responsive. Transamerica Life Insurance Company maintains the contributions in its general account, which is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Transamerica Life Insurance Company guarantees the Plan a return of principal and interest under the terms of the contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. The Plan was not invested in the Transamerica Stable Value Fund at December 31, 2018.

6. Party-in-Interest Transactions

Certain investments were managed by Transamerica Life Insurance Company. Transamerica Life insurance Company was a custodian as defined by the Plan and therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

7. Tax Status

The Plan's prototype document preparer has obtained an opinion letter dated March 31, 2014 from the Internal Revenue Service stating that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

8. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

9. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.
