Re: Final Filing of form 5500 for the office of Sharon A Pollick, DMD PC

To whom it may concern,

I am filing the final 5500 for for tax year 2017. The reason for the late filing is as follows:

At the end of tax year 2016, we instructed Paychex to rollover all funds in the Sharon A Pollick DMD PC 401k account to the participants existing IRA with TD Ameritrade. The request to complete the rollover was in the final week of December 2016. Unknown to us was the fact that paycheck did not complete the rollover until January 12, 2017. As a result, the plan continued to show a balance in January of 2017. Sadly, I was under the impression that all funds were transferred in 2016 and I did not complete a form 5500 for tax year 2017. This information regarding the transfer was not explained to me until today. As a result I have completed the 5500 form for submission and I am requesting a waiver of any fees and penalties due this oversight. In addition, during the year 2016, the principal owner (Sharon A Pollick), who is also my wife became disabled after multiple surgeries. I was force into caring for my wife and continuing the operation of her practice until we closed the office in October of 2017. During this time period we were both under extreme stress. If you review our file you will see that we never missed a filing of the form 5500 since inception. Clearly this was a factor, however the main reason for not filing the form in 2017 was due to the fact that I thought the account was closed in December of 2016. Please accept my apologies and contact me for any additional information.

Thank You,

Joseph Gisondi
