Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2018 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Ascensus Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the 2018 financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2018 and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2018 financial statements.

Other Matter—Supplemental Schedules

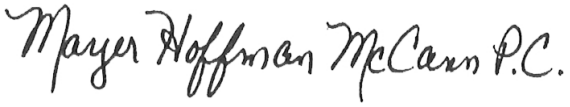

The supplemental schedule of schedule of assets (held at end of year) as of December 31, 2018 and schedule of delinquent participant contributions for the year ended December 31, 2018, are required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Other Matter—2017 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2017, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the other auditors not to perform, and they did not perform any auditing procedures with respect to the information certified by Ascensus Trust Company, the trustee of the Plan. Their report, dated October 14, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

(1) Description of plan

The following description of the Yellowstone Landscape, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

General - The Plan is a defined contribution plan sponsored by Yellowstone Landscape, Inc. and subsidiaries (the "Company") for the benefit of its full-time employees who have one year of service and are age twenty-one or older. Employees are eligible to participate in the Plan on the first day of the month coinciding with or following the meeting of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by members of management of the Company. These members of management are responsible for oversight of the Plan and determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Plan restatement - Effective January 1, 2018, Plan management adopted a Non-standardized Safe Harbor Profit Sharing Plan with CODA provisions for all eligible employees. For the 2018 Plan year, the employer will make enhanced Safe Harbor Matching Contributions to each eligible employee equal to 100% up to 4% of compensation.

Contributions - Participants may contribute up to 100% of annual compensation as pre-tax or Roth contributions, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants who turned age 50 before the end of any calendar year or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan.

Effective May 15, 2017, the Plan was amended to allow the Company to make discretionary matching and profit sharing contributions. Participants are eligible to receive the employer match or the profit sharing contributions if they (1) are participants at the plan year-end, and (2) have completed more than 1,000 hours of service in the plan year, or are terminated in the plan year due to death, retirement, or total and permanent disability.

For the year ended December 31, 2017, the Company elected to make voluntary matching and profit sharing contributions to the account of each eligible employee equal to 100% of deferrals that do not exceed 4% of eligible compensation. Employer matching contributions for the year ended December 31, 2017 totaled in the amount of $208,846.

Effective January 1, 2018, the Company contributes 100% up to 4% of participant's compensation. Employer matching contributions for the year ended December 31, 2018 totaled in the amount of $516,206. Additional amounts may be contributed at the option of the Company. No additional amounts were contributed for the year ended December 31, 2018. Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

Participant investment account options - The Plan currently offers 32 mutual funds and a money market fund as investment options for participants.

(1) Description of plan (continued)

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants' contributions plus actual earnings are 100% vested immediately. Employer discretionary match and profit sharing contributions made prior to January 1, 2018 are subject to the following vesting schedule:

Years of Service	Vested %
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Effective January 1, 2018, employer safe harbor matching contributions are 100% vested.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of benefits - On termination of service for any reason, if a participant's balance is less than $1,000, his or her benefit equal to the value of the participant's vested interest in his or her account, will be distributed in a lump sum payment. If the participant's balance is between $1,000 and $5,000, the balance will be automatically rolled over to an IRA. For balances greater than $5,000, a participant may elect to receive an amount equal to the value of his or her vested interest in his or her account in the form of a lump sum payment.

Forfeited accounts - At December 31, 2018 and 2017, forfeited nonvested accounts totaled $3,543 and $2,282, respectively. These accounts will be used to reduce future employer contributions. The employer contribution receivable at December 31, 2018 and 2017 has been reduced by the forfeiture balance at each respective year end.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual method of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The members of management of the Company determine the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Reclassification - Certain items from the 2017 financial statements have been reclassified to conform to the 2018 presentation. Such reclassifications had no effect on the total net assets available for benefits.

(3) Information prepared and certified by the trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company ("Ascensus"), the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments:

- Investments at fair value
- Notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

(4) Fair value measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds and money market fund: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

	Investments at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,364,604	$ -	$ -	$ 6,364,604

(5) Related party transactions and party-in-interest transactions

Certain Plan investments are shares of mutual funds managed by Ascensus. Ascensus is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

The Vanguard Group, Inc. is the third party administrator. As described in Note 2, the Plan made direct payments to the third party administrator of $3,590 and $930 for the years ended December 31, 2018 and 2017, respectively, which was not covered by revenue sharing. The Plan paid certain expenses related to the Plan's operations and investment activity to various service providers. These transactions are party-in-interest transactions. The Plan Sponsor pays directly any other fees related to the Plan's operations.

(6) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

(7) Reconciliation of financial statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2018 and 2017 to Form 5500:

	December 31,	
	2018	2017

Plus difference on notes receivable	-	69
Net assets available for benefits per Schedule H of the Form 5500	$ 6,481,853	$ 2,123,627

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2018 and 2017 to Form 5500:

	Years Ended December 31,	
	2018	2017
Net increase (decrease) per the financial statements	$ (28,386)	$ 680,819
Difference on employer contributions receivable	3,295	(3,295)
Difference on notes receivable	(69)	69
Net increase (decrease) per Schedule H of the Form 5500	$ (25,160)	$ 677,593

(8) Tax status

The Internal Revenue Service (“IRS”) has determined that the prototype 401(k) profit sharing plan is designed in accordance with applicable sections of the IRC and informed the trustee of such in a letter dated March 31, 2014. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan and the related trust are designed and being operated in compliance with the applicable sections of the IRC.

Effective January 1, 2018, the Plan was restated under a new Non-standardized Safe Harbor Profit Sharing Plan with CODA provisions. The IRS has determined that the non-standardized prototype 401(k) profit sharing plan is designed in accordance with applicable sections of the IRC and informed trustee of such in a letter dated March 31, 2014.

(8) Tax status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) Risks, uncertainties and concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2018, approximately 50% of the Plan's investments were invested in Vanguard Target Retirement 2020 Fund, Vanguard Target Retirement 2025, Vanguard Target Retirement 2035, and Vanguard Target Retirement 2060 Fund. At December 31, 2017, approximately 38% of the Plan's investments were invested in Vanguard Target Retirement 2025 Fund, Vanguard Target Retirement 2035, and Vanguard Target Retirement 2045 Fund, respectively.

(10) Delinquent participant contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, contributions of $38,417 were not remitted within the required time period for the year ended December 31, 2018. The Company has remitted these delinquent employee contributions. Lost earnings for these late contributions were remitted to the Plan in October 2019.

(11) Plan transfers

On August 31, 2017 the Company acquired Heads Up Landscape Contractors, Inc. On January 1, 2018 employees of Heads Up Landscape Contractors, Inc. began participating in the Plan. On February 1, 2018 the assets of the Heads Up Landscape Contractors, Inc. 401(k) Plan and the Heads Up Landscape Contractors, Inc. 401(k) Profit Sharing Plan transferred in to the Plan totaling $4,383,386.

(12) Subsequent events

The Plan has evaluated subsequent events through November 13, 2019, which is the date the financial statements were available to be issued and noted the following items for disclosure during this evaluation:

On January 31, May 31, September 30, and November 1, 2019, the Company acquired four landscaping companies. Employees of all companies were permitted to enroll in the Plan in accordance with usual eligibility requirements using their hire date with their original employer as the service date.

Additionally, effective November 1, 2019 the Company was sold. There are no changes to the operation of the Plan as a result of this sale.
