Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of September 29, 2017 and December 31, 2016, and for the period ended September 29, 2017, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Period) as of September 29, 2017, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2016 Financial Statements

The financial statements of the Plan as of December 31, 2016 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee of the Plan. Their report, dated October 3, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

**FOR THE PERIOD ENDED SEPTEMBER 29, 2017 AND
THE YEAR ENDED DECEMBER 31, 2016**

A. DESCRIPTION OF THE PLAN:

The following description of the Dedicated Transport, LLC 401(k) and Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan covering substantially all employees of Dedicated Transport, LLC (the "Company") who are not covered by collective bargaining agreements, have completed six months of service, and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Plan Sponsor Acquisition and Merger - Effective January 31, 2017, the Company was acquired by the Kenan Advantage Group, Inc. and now operates as their subsidiary. On July 1, 2017, payroll processing was transferred from the Company to Kenan Advantage Group, Inc., at which time contributions to the Plan ceased. The Plan was merged into the Kenan Advantage Group, Inc. 401(k) Plan effective September 29, 2017.
3. Contributions - Prior to the merger, the Plan provided for employee salary deferrals up to 100 percent of annual eligible compensation, subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. The Company may make discretionary matching contributions and profit sharing contributions. In 2017 and 2016, the matching contribution equaled 35 percent of the participants' pretax contributions up to the first six percent of compensation deferred. No profit sharing contributions were made.

The Plan operates with an automatic enrollment feature. Eligible participants will automatically have three percent of their eligible compensation deferred into the Plan unless they elect otherwise.

4. Participant Accounts - Each participant's account is credited with the participant's elective deferrals and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.
5. Vesting - Prior to the merger, participants were immediately 100 percent vested in employee pretax and after tax contributions, rollover contributions, and any income or loss thereon. Vesting in the Company's discretionary contributions, plus actual earnings thereon, is based on years of service. Participants vest in matching contributions 20 percent after one year of service and 20 percent per year thereafter until they become fully vested at five years of service.
6. Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balances. The notes are secured by the vested balances in the participants' accounts and bear interest at rates that are commensurate with local prevailing rates, as determined periodically by the plan administrator.

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF THE PLAN (CONTINUED):

7. Payment of Benefits - Upon termination of employment, the participant or, in the case of death, the beneficiary can elect to receive the participant's account balance in a single lump sum, installments of substantially equal payments, or a combination thereof.
8. Hardship Withdrawals - Participants may request that all or a portion of their accounts be distributed in the case of severe financial hardship, as defined in the plan document. The Company must approve any such hardship withdrawals.
9. Forfeited Accounts - Participants with a break-in-service greater than five years or who have their benefit distributed, forfeit the non-vested portion of their account. Forfeitures are first used to pay administrative expenses under the Plan, with any remaining amounts used to reduce future Company contributions. In 2017, the Company used \$1,634 to pay fees and reduce employer contributions. At September 29, 2017 and December 31, 2016, forfeited non-vested accounts totaled \$-0- and \$463, respectively. These accounts were used to reduce future employer contributions.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

AND PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Costs

The Company absorbs significant costs of the Plan.

Party-in-Interest

Certain Plan assets are investment funds managed and held by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Subsequent Events

The Plan has evaluated subsequent events through December 4, 2019, which is the date the financial statements were available to be issued.

C. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE:

Information including investments held as shown on the statement of net assets available for benefits, and interest and dividend income, net appreciation in fair value of investments, benefits paid to participants, administrative expenses, and transfers to outside plan as shown on the statement of changes in net assets available for benefits as of September 29, 2017 and December 31, 2016 and for the period ended September 29, 2017 was obtained or derived from information provided by Fidelity Management Trust Company, the trustee, and furnished to the plan administrator. The plan administrator obtained certification of this information from the trustee that the information provided to the plan administrator was complete and accurate.

D. FAIR VALUE MEASUREMENTS:

The Fair Value Measurement Topic of the FASB Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB codification guidance are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 29, 2017.

Money market funds – valued at fair value based on standard inputs.

Mutual funds – valued at the net asset value (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different instruments could result in a different fair value measurement at the reporting date.

AND PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

D. FAIR VALUE MEASUREMENTS (CONTINUED):

As of September 29, 2017, there were no assets in the Plan. The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016.

Assets Measured at Fair Value at December 31, 2016:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 19,515	\$ -	\$ -	\$ 19,515
Mutual funds	<u>3,046,840</u>	<u>-</u>	<u>-</u>	<u>3,046,840</u>
	<u>\$ 3,066,355</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,066,355</u>

There were no significant transfers between Levels 1, 2, and 3 during 2017 or 2016.

E. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT:

The Plan invests in the Fidelity Advisor Stable Value Fund which is a benefit-responsive investment contract. The Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable. This investment was transferred as part of the merger into the Kenan Advantage Group, Inc. 401(k) Plan.

AND PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

F. INCOME TAX STATUS:

Effective January 1, 2016, the Plan adopted the Fidelity Management & Research Co. Defined Contribution Volume Submitter Profit Sharing Plan. The volume submitter plan has received an opinion letter dated March 31, 2014 from the IRS as to the qualified status. The volume submitter opinion letter has been relied upon by this Plan. Although the Plan has been amended since adoption, the plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. The plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

The authoritative accounting guidance requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

J. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.
