1. DESCRIPTION OF THE PLAN

The following description of the EZ Loader Boat Trailers, Inc. Amended and Restated Employee's 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan was established by a resolution of the Board of Directors of EZ Loader Boat Trailers, Inc. (the Plan Sponsor) on May 27, 1969. The Plan and Trust agreement was subsequently amended and restated effective July 15, 2013. The Plan was created to provide certain benefits to employees in the event of retirement, permanent disability, death, or termination of employment. The Trust is designed to constitute a part of the EZ Loader Boat Trailers, Inc. Amended and Restated Employee's 401(k) Profit Sharing Plan, which qualifies for tax exemption under Section 401(a) of the Internal Revenue Code.

The Plan is a defined contribution plan which covers all eligible employees of the Plan Sponsor. In 1991 the Plan was amended to include a 401(k) salary deferral arrangement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and all subsequent statutory revisions thereto.

Contributions

The Plan contains provisions for the following types of contributions:

- Participants may make voluntary tax-deferred or Roth contributions to the Plan through payroll deductions of a minimum of 1% up to 100% of annual W-2 compensation subject to Internal Revenue Service maximum limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participating employees may make additional voluntary contributions (in after-tax dollars) up to 10% of their gross compensation. Participants may also contribute (rollover) amounts representing distributions from other qualified benefit or defined contribution plans. At December 31, 2018 there were participant contributions receivable of \$16,597. There were no participant contributions receivable at December 31, 2017.
- The Plan Sponsor may make employer matching contributions for participants making voluntary tax-deferred contributions. Such matching contributions are at the sole discretion of the Plan Sponsor. The Plan Sponsor may contribute an amount equal to 50% of the employee's before-tax contribution, not to exceed 50% of 5% of the employee's annual compensation. During the year ended December 31, 2018, the Plan Sponsor did not make any matching contributions and thus there was no employer contributions receivable at December 31, 2018. At December 31, 2017 employer contributions receivable were \$125,268.

Notes to Financial Statements**

1. DESCRIPTION OF THE PLAN, Continued:

Eligibility

All employees who are employed by the Plan Sponsor or any affiliate who has adopted the Plan are eligible to be enrolled in the Plan upon the date of hire.

Payments of benefits

Participants are eligible to receive 100% of their account balance at normal retirement (age 65), death, or permanent disability. Participants who terminate employment are eligible to receive their vested account balance after separation from service.

Participant accounts

Each participant's account is credited directly with the participant's and employer matching contributions, and net plan earnings. The Company's discretionary contributions are allocated to each participant's account in the same proportion that each participant's compensation bears to total compensation. If administrative expenses exceed forfeitures in any single year, the excess expenses will be charged to all individual participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants direct the investment of their contributions and Company employer matching and profit sharing contributions to any of the Plan's fund options.

Vesting

Participant salary deferrals are fully vested at all times. Such benefits which have accrued to a participating employee attributable to employer contributions are vested (i.e., become nonforfeitable) pursuant to a prescribed schedule. The vesting schedule provides 20% vesting after one year of covered service, and additional 20% vesting for each year thereafter, until five years of covered service whereupon participants are 100% vested.

Notes receivable from participants

Participants may borrow from their account up to the lesser of 50% of their vested account balance or \$50,000. The minimum loan amount is \$1,000. Loan terms cannot exceed five years except for the purchase of a primary residence which is fifteen years. The loans are collateralized by the balance in the participant's account and bear a reasonable rate of interest, as determined by the Plan administrator. Principal and interest are paid ratably through periodic payroll deductions.

Administration of the Plan

The Plan is administered by members of the Plan Sponsor's management. The Plan assets are held and invested by the Plan's custodian, John Hancock Life Insurance Company (John Hancock), in accordance with the Adoption Agreement with the Administrative Committee. Records of participant account activity are processed and maintained by the custodian who also performs other administrative support services for the Plan.

**EZ Loader Boat Trailers, Inc. Amended and Restated Employee's
401(k) Profit Sharing Plan and Trust
Notes to Financial Statements**

1. DESCRIPTION OF THE PLAN, Continued:

Forfeitures

Amounts forfeited from a participants account are used to restore forfeitures or reduce employer contributions or to pay reasonable Plan expenses. Forfeitures cannot be used as elective deferrals. During the year ended December 31, 2018 there were \$274 in forfeitures that reduced Plan expenses.

Administrative Expenses

The Plan Sponsor provides, at no cost to the Plan, certain administrative and accounting and legal services to the Plan. All transaction costs and other Plan administrative expenses are paid for by the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

When management determines that participant loans are uncollectible, a loan loss provision is recognized. At December 31, 2018 and 2017, management believes that all material participant loans are collectible.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Uncollectible notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures. Actual results may differ from those estimates.

Payment of benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued:

Fair Value Measurements

The Plan adheres to accounting standards that deal with fair value measurements. These standards define fair value, establish a framework for measuring that value, and include disclosure requirements concerning the fair value measurement, and its fair value hierarchy level, for each major category of assets and liabilities that are measured at fair value. Hierarchy level is determined by segregating fair value measurements using quoted prices in active markets for identical assets or liabilities (Level 1), significant other observable inputs (Level 2), and significant unobservable inputs (Level 3). Transfers between levels are recognized at the end of the year.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan has no assets or liabilities measured at fair value on a nonrecurring basis at December 31, 2018 or 2017, nor were there any transfers between levels during 2018 and 2017.

3. FAIR VALUE MEASUREMENTS

At December 31, 2018 and 2017, the fair value of the financial assets of the Plan are as follows:

	<u>2018</u>	<u>2017</u>
Life insurance company pooled separate accounts ⁽¹⁾ (fair value hierarchy Level 1)	\$ 11,340,443	\$ 12,008,187
Interest bearing cash (fair value hierarchy Level 1)	<u>2,329</u>	<u>2,056</u>
	11,343,772	12,010,243
Common/collective trust fund ⁽²⁾	<u>225,690</u>	<u>121,660</u>
Total	<u><u>\$ 11,568,462</u></u>	<u><u>\$ 12,131,903</u></u>

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

(1) **Pooled separate accounts:** The pooled separate accounts are comprised of underlying securities that can be valued by active markets, and may be redeemed upon notice.

(2) **Common/collective trust fund, pooled separate account:** The Plan invests in the John Hancock Stable Value Fund (Stable Value Fund) which is a collective investment trust fund sponsored by John Hancock. Common/collective trust funds are valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used to estimate fair value of the Stable Value Fund. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily.

401(k) Profit Sharing Plan and Trust
Notes to Financial Statements**

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

On July 16, 2013, the Plan administrator entered into a Trust Agreement establishing a Trust Fund with John Hancock ("JH"), the Plan's Trustee. As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA, the Plan administrator has elected that information certified by JH for the Plan year ended December 31, 2018 not be subjected to any auditing procedures except for comparing such information to the related information contained in the accompanying financial statements and supplemental schedules. The following information has been certified as complete and accurate by the indicated Trustee:

- a) Investments at December 31, 2018 as indicated on the statements of net assets available for benefits and described in Note 4,
- b) Net appreciation (depreciation) in fair value of investments as indicated on the statements of changes in net assets available for benefits for the year ended December 31, 2018.
- c) Schedule H, Part IV, line 4(i)-Schedule of Assets (Held at End of Year)

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in pooled separate accounts and common/collective trusts. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. BENEFITS PAYABLE

There were no benefits payable to persons who have withdrawn from participation in the Plan at December 31, 2018 and 2017.

8. STABLE VALUE FUND

The Plan invests in the John Hancock Stable Value Fund which is a collective investment trust fund sponsored by John Hancock. The fund's primary investment objectives are to preserve principal, maintain a competitive interest rate, and provide daily liquidity at contract value for plan-permitted, participant-directed withdrawals. The fund invests primarily in diversified fixed-income mutual funds and separately managed bond accounts run by investment subsidiaries of John Hancock, and in contract value stabilizing agreements offered by high-quality financial institutions.

A breach of material obligation under a stability agreement could cause John Hancock or the stability provider to terminate the contract. Replacement stabilizing agreements may not be available and participants may experience losses if the market value of the separate account assets no longer covered by the stabilizing agreement is below contract value.

**EZ Loader Boat Trailers, Inc. Amended and Restated Employee's
401(k) Profit Sharing Plan and Trust
Notes to Financial Statements**

8. STABLE VALUE FUND, Continued:

At December 31, 2018, the Plan administrator believes the occurrence of an event that would limit the ability of the Stable Value Fund to transact at contract value with the participants in the fund is not probable.

9. PARTIES-IN-INTEREST TRANSACTIONS

The Plan has investments in participation units held in pooled separate accounts through sub-accounts of John Hancock. John Hancock provides services to the Plan as the custodian and record keeper; therefore, these investments and transactions qualify as party-in-interest transactions. At December 31, 2018 and 2017, the Plan also had a noninterest-bearing cash account with John Hancock with a balance of \$2,329 and \$2,056, respectively. For the year ended December 31, 2018, the Plan paid administrative expenses to John Hancock of \$2,669.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan's custodian reports the Plan's financial activity on the cash basis.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Net assets available for benefits per the financial statements	\$ 11,794,338	\$ 12,474,463
Adjustments to reconcile employee contribution from cash basis to the accrual basis	(16,597)	-
Adjustment to reconcile employer contribution from cash basis to the accrual basis	-	(125,268)
Net assets available for benefits per Form 5500	<u>\$ 11,777,741</u>	<u>\$ 12,349,195</u>

11. INCOME TAXES AND INCOME TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the IRS stated that the Plan, as designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC) as a tax-exempt organization. The Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**EZ Loader Boat Trailers, Inc. Amended and Restated Employee's
401(k) Profit Sharing Plan and Trust
Notes to Financial Statements**

12. SUBSEQUENT EVENTS

Management evaluates, as of each reporting period, events or transactions that occur after the date of the statement of net assets available for benefits through the date that the financial statements are issued or are available to be issued. The Plan has evaluated its financial statements as of December 31, 2018 for subsequent events through October 14, 2019 the date the financial statements were available to be issued, and determined that no recognized subsequent events and nonrecognized subsequent events existed.

1. DESCRIPTION OF THE PLAN

The following description of the EZ Loader Boat Trailers, Inc. Amended and Restated Employee's 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan was established by a resolution of the Board of Directors of EZ Loader Boat Trailers, Inc. (the Plan Sponsor) on May 27, 1969. The Plan and Trust agreement was subsequently amended and restated effective July 15, 2013. The Plan was created to provide certain benefits to employees in the event of retirement, permanent disability, death, or termination of employment. The Trust is designed to constitute a part of the EZ Loader Boat Trailers, Inc. Amended and Restated Employee's 401(k) Profit Sharing Plan, which qualifies for tax exemption under Section 401(a) of the Internal Revenue Code.

The Plan is a defined contribution plan which covers all eligible employees of the Plan Sponsor. In 1991 the Plan was amended to include a 401(k) salary deferral arrangement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and all subsequent statutory revisions thereto.

Contributions

The Plan contains provisions for the following types of contributions:

- Participants may make voluntary tax-deferred or Roth contributions to the Plan through payroll deductions of a minimum of 1% up to 100% of annual W-2 compensation subject to Internal Revenue Service maximum limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participating employees may make additional voluntary contributions (in after-tax dollars) up to 10% of their gross compensation. Participants may also contribute (rollover) amounts representing distributions from other qualified benefit or defined contribution plans. At December 31, 2018 there were participant contributions receivable of \$16,597. There were no participant contributions receivable at December 31, 2017.
- The Plan Sponsor may make employer matching contributions for participants making voluntary tax-deferred contributions. Such matching contributions are at the sole discretion of the Plan Sponsor. The Plan Sponsor may contribute an amount equal to 50% of the employee's before-tax contribution, not to exceed 50% of 5% of the employee's annual compensation. During the year ended December 31, 2018, the Plan Sponsor did not make any matching contributions and thus there was no employer contributions receivable at December 31, 2018. At December 31, 2017 employer contributions receivable were \$125,268.

Notes to Financial Statements**

1. DESCRIPTION OF THE PLAN, Continued:

Eligibility

All employees who are employed by the Plan Sponsor or any affiliate who has adopted the Plan are eligible to be enrolled in the Plan upon the date of hire.

Payments of benefits

Participants are eligible to receive 100% of their account balance at normal retirement (age 65), death, or permanent disability. Participants who terminate employment are eligible to receive their vested account balance after separation from service.

Participant accounts

Each participant's account is credited directly with the participant's and employer matching contributions, and net plan earnings. The Company's discretionary contributions are allocated to each participant's account in the same proportion that each participant's compensation bears to total compensation. If administrative expenses exceed forfeitures in any single year, the excess expenses will be charged to all individual participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants direct the investment of their contributions and Company employer matching and profit sharing contributions to any of the Plan's fund options.

Vesting

Participant salary deferrals are fully vested at all times. Such benefits which have accrued to a participating employee attributable to employer contributions are vested (i.e., become nonforfeitable) pursuant to a prescribed schedule. The vesting schedule provides 20% vesting after one year of covered service, and additional 20% vesting for each year thereafter, until five years of covered service whereupon participants are 100% vested.

Notes receivable from participants

Participants may borrow from their account up to the lesser of 50% of their vested account balance or \$50,000. The minimum loan amount is \$1,000. Loan terms cannot exceed five years except for the purchase of a primary residence which is fifteen years. The loans are collateralized by the balance in the participant's account and bear a reasonable rate of interest, as determined by the Plan administrator. Principal and interest are paid ratably through periodic payroll deductions.

Administration of the Plan

The Plan is administered by members of the Plan Sponsor's management. The Plan assets are held and invested by the Plan's custodian, John Hancock Life Insurance Company (John Hancock), in accordance with the Adoption Agreement with the Administrative Committee. Records of participant account activity are processed and maintained by the custodian who also performs other administrative support services for the Plan.

401(k) Profit Sharing Plan and Trust
Notes to Financial Statements**

1. DESCRIPTION OF THE PLAN, Continued:

Forfeitures

Amounts forfeited from a participants account are used to restore forfeitures or reduce employer contributions or to pay reasonable Plan expenses. Forfeitures cannot be used as elective deferrals. During the year ended December 31, 2018 there were \$274 in forfeitures that reduced Plan expenses.

Administrative Expenses

The Plan Sponsor provides, at no cost to the Plan, certain administrative and accounting and legal services to the Plan. All transaction costs and other Plan administrative expenses are paid for by the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

When management determines that participant loans are uncollectible, a loan loss provision is recognized. At December 31, 2018 and 2017, management believes that all material participant loans are collectible.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Uncollectible notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures. Actual results may differ from those estimates.

Payment of benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued:

Fair Value Measurements

The Plan adheres to accounting standards that deal with fair value measurements. These standards define fair value, establish a framework for measuring that value, and include disclosure requirements concerning the fair value measurement, and its fair value hierarchy level, for each major category of assets and liabilities that are measured at fair value. Hierarchy level is determined by segregating fair value measurements using quoted prices in active markets for identical assets or liabilities (Level 1), significant other observable inputs (Level 2), and significant unobservable inputs (Level 3). Transfers between levels are recognized at the end of the year.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan has no assets or liabilities measured at fair value on a nonrecurring basis at December 31, 2018 or 2017, nor were there any transfers between levels during 2018 and 2017.

3. FAIR VALUE MEASUREMENTS

At December 31, 2018 and 2017, the fair value of the financial assets of the Plan are as follows:

	<u>2018</u>	<u>2017</u>
Life insurance company pooled separate accounts ⁽¹⁾ (fair value hierarchy Level 1)	\$ 11,340,443	\$ 12,008,187
Interest bearing cash (fair value hierarchy Level 1)	<u>2,329</u>	<u>2,056</u>
	11,343,772	12,010,243
Common/collective trust fund ⁽²⁾	<u>225,690</u>	<u>121,660</u>
Total	<u><u>\$ 11,568,462</u></u>	<u><u>\$ 12,131,903</u></u>

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

⁽¹⁾ **Pooled separate accounts:** The pooled separate accounts are comprised of underlying securities that can be valued by active markets, and may be redeemed upon notice.

⁽²⁾ **Common/collective trust fund, pooled separate account:** The Plan invests in the John Hancock Stable Value Fund (Stable Value Fund) which is a collective investment trust fund sponsored by John Hancock. Common/collective trust funds are valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used to estimate fair value of the Stable Value Fund. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily.

Notes to Financial Statements**

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

On July 16, 2013, the Plan administrator entered into a Trust Agreement establishing a Trust Fund with John Hancock ("JH"), the Plan's Trustee. As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA, the Plan administrator has elected that information certified by JH for the Plan year ended December 31, 2018 not be subjected to any auditing procedures except for comparing such information to the related information contained in the accompanying financial statements and supplemental schedules. The following information has been certified as complete and accurate by the indicated Trustee:

- a) Investments at December 31, 2018 as indicated on the statements of net assets available for benefits and described in Note 4,
- b) Net appreciation (depreciation) in fair value of investments as indicated on the statements of changes in net assets available for benefits for the year ended December 31, 2018.
- c) Schedule H, Part IV, line 4(i)-Schedule of Assets (Held at End of Year)

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in pooled separate accounts and common/collective trusts. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. BENEFITS PAYABLE

There were no benefits payable to persons who have withdrawn from participation in the Plan at December 31, 2018 and 2017.

8. STABLE VALUE FUND

The Plan invests in the John Hancock Stable Value Fund which is a collective investment trust fund sponsored by John Hancock. The fund's primary investment objectives are to preserve principal, maintain a competitive interest rate, and provide daily liquidity at contract value for plan-permitted, participant-directed withdrawals. The fund invests primarily in diversified fixed-income mutual funds and separately managed bond accounts run by investment subsidiaries of John Hancock, and in contract value stabilizing agreements offered by high-quality financial institutions.

A breach of material obligation under a stability agreement could cause John Hancock or the stability provider to terminate the contract. Replacement stabilizing agreements may not be available and participants may experience losses if the market value of the separate account assets no longer covered by the stabilizing agreement is below contract value.

**EZ Loader Boat Trailers, Inc. Amended and Restated Employee's
401(k) Profit Sharing Plan and Trust
Notes to Financial Statements**

8. STABLE VALUE FUND, Continued:

At December 31, 2018, the Plan administrator believes the occurrence of an event that would limit the ability of the Stable Value Fund to transact at contract value with the participants in the fund is not probable.

9. PARTIES-IN-INTEREST TRANSACTIONS

The Plan has investments in participation units held in pooled separate accounts through sub-accounts of John Hancock. John Hancock provides services to the Plan as the custodian and record keeper; therefore, these investments and transactions qualify as party-in-interest transactions. At December 31, 2018 and 2017, the Plan also had a noninterest-bearing cash account with John Hancock with a balance of \$2,329 and \$2,056, respectively. For the year ended December 31, 2018, the Plan paid administrative expenses to John Hancock of \$2,669.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan's custodian reports the Plan's financial activity on the cash basis.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2018 and 2017:

	<u>2018</u>	<u>2017</u>
Net assets available for benefits per the financial statements	\$ 11,794,338	\$ 12,474,463
Adjustments to reconcile employee contribution from cash basis to the accrual basis	(16,597)	-
Adjustment to reconcile employer contribution from cash basis to the accrual basis	-	(125,268)
Net assets available for benefits per Form 5500	<u>\$ 11,777,741</u>	<u>\$ 12,349,195</u>

11. INCOME TAXES AND INCOME TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the IRS stated that the Plan, as designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC) as a tax-exempt organization. The Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**EZ Loader Boat Trailers, Inc. Amended and Restated Employee's
401(k) Profit Sharing Plan and Trust
Notes to Financial Statements**

12. SUBSEQUENT EVENTS

Management evaluates, as of each reporting period, events or transactions that occur after the date of the statement of net assets available for benefits through the date that the financial statements are issued or are available to be issued. The Plan has evaluated its financial statements as of December 31, 2018 for subsequent events through October 14, 2019 the date the financial statements were available to be issued, and determined that no recognized subsequent events and nonrecognized subsequent events existed.
