NOTE 1 – DESCRIPTION OF PLAN

The following description of the ACES 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plans covers substantially all employees of Comprehensive Educational Services, INC. (Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrative Committee is responsible for oversight of the Plan as well as determining and reviewing the appropriateness of the Plan's investment offerings.

The Plan is a defined contribution plan under the provision of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan became effective on January 1, 2015. The Company contracted with Empower Retirement to provide Plan recordkeeping, administrative, and investment services, and to serve as Trustee of the Plan's assets through its affiliate Great-West Trust Company, LLC. (Great-West).

Eligibility

Generally, an employee is eligible to participate in the Plan, for purposes of making voluntary salary deferral contributions, upon attaining age 18 and completing 3 months of service. Certain employees of the Company are excluded from participation, including behavioral interventionists and highly compensated employees. Entry dates are on the first date of the Plan quarter following the date eligibility requirements are met.

Participant Contributions

The Plan provides for automatic enrollment of participant deferral elections at the rate of 6% of compensation unless the participant affirmatively elects otherwise. Participants who affirmatively elect otherwise may contribute up to 100% percent of their annual compensation into a pre-tax deferral account and/or an after-tax Roth account up to the maximum allowed by the IRS limitations. Participants may also contribute amounts representing distributions (rollovers) from other qualified plans.

Employer Contributions

The Company made a discretionary matching contribution of 25% of the first 6% of eligible compensation contributed by participants. In addition, the Company may make a discretionary profit sharing contribution. No discretionary profit sharing contributions were made or declared for the period presented.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company contributions (b) plan earnings, and (c) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of all assets attributable to their account. Each participant designates the percentage of any one or more of their accounts that is to be invested in each of several authorized investment funds designated by the Plan's Administrative Committee.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or paid as a direct rollover to an individual retirement account or to another employer's tax qualified plan. Active participants may withdraw any part of their account in a single sum in the event of undue financial hardship or attainment of age 59 1/2. The Plan provides involuntary distribution methods if terminated participant's account balance is $5,000 or less.

Notes Receivable from Participants

The Plan does not allow loans to participants.

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is vested in Company matching and profit sharing contribution based on the following schedule:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeited Accounts

Generally, a participant's unvested portion of the Company matching contributions is forfeited upon termination of employment. Forfeitures are maintained in a separate account and can be used to reduce Company matching contributions or pay Plan expenses.

The balance in the forfeiture account was $945 and $18,415 as of December 31, 2018 and 2017, respectively. Forfeitures of $22,427 were used during 2018 to reduce Company matching contributions and 3,876 were used to pay Plan expenses.

Plan Termination Provision

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants become fully vested in their account balances.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting which is in accordance with accounting principles generally accepted in the United States of America (GAAP). Employee and employer contributions are recognized in the year that contributions are due.

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrative Committee determines the Plan's valuation policy utilizing information provided by Empower Retirement. See Note 3 for discussion for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expense

Administrative expenses of the Plan are deducted from participant accounts or non-vested forfeiture accounts and are included in these financial statements. Fees related to certain plan services are charged directly to the Plan participants and are included in administrative expenses. All other administrative expenses are paid directly by the Company; therefore, are excluded from these financial statements.

Certain investment management fees and other charges paid to the investment providers are offset against fund performance in the net appreciation section of the Statement of Changes in Net Assets Available for Benefits and are not, therefore, separately reflected as investment expenses.

Date of Management's Review

Management has evaluated subsequent events through October 15, 2019, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest

priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets. • Quoted prices for identical or similar assets or liabilities in inactive markets. • Inputs other than quoted prices that are observable for the asset or liability. • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximizes the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2018 and 2017.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily closing price and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

	Assets at Fair Value as of December 31, 2018			
Investments:	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 1,566,920	$ -	$ -	$ 1,566,920
Total investments	$ 1,566,920	$ -	$ -	$ 1,566,920

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017:

	Assets at Fair Value as of December 31, 2017			
Investments:	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 1,167,479	$ -	$ -	$ 1,167,479
Total investments	$ 1,167,479	$ -	$ -	$ 1,167,479

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. As of December 31, 2018 and 2017, there were no significant transfers between Levels 1, 2 and 3.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Administrative Committee has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC, Trustee of the Plan, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2018 and 2017.

- Net depreciation in fair value of investments and dividend income reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2018.

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West Trust Company, LLC, the Trustee of the Plan; therefore, these transactions are considered to be exempt party-in-interest transactions. Administrative expenses paid by the Plan to the Trustee are considered to be exempt party-in-interest transactions.

NOTE 6 – TAX STATUS

The IRS has informed the Plan sponsor by a letter dated March 31, 2014 for the prototype Plan adopted by the Plan, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrative Committee believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the Administrative Committee to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investments securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying financial statements.
