MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

BASIS FOR DISCLAIMER OF OPINION

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by TD Ameritrade Trust Company (the "Custodian" of the Plan), except for comparing such information with the related information included in the 2018 financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Custodian as of and for the year ended December 31, 2018, that the information provided to the Plan Administrator by the Custodian is complete and accurate.

DISCLAIMER OF OPINION

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. 1 – DESCRIPTION OF PLAN

GENERAL

Solis Mammography 401(k) Plan (the "Plan") is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was established on July 1, 2008, covering substantially all employees of Comprehensive Breast Care Center of Texas, Inc. and its affiliates (collectively, the "Company" or "Plan Administrator"). TD Ameritrade Trust Company serves as the custodian ("TD Ameritrade" or "Custodian") of the Plan. BlueStar Retirement Services serves as the record-keeper of the Plan. The Plan is self-directed. The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

ELIGIBILITY AND PARTICIPANT ACCOUNTS

Employees become eligible for participation at the age of twenty-one on the first day of the month following 90 days of service, as defined by the Plan document. Participants may modify investment elections, transfer existing account balances, and obtain information regarding investments on a daily basis. Subject to certain limitations on annual additions, each participant's account is credited with the employee salary deferrals, discretionary Company matching and profit sharing contributions, an allocation of Plan earnings or losses, and are charged with certain administrative expenses. The allocations are based on participant account balances, as defined.

CONTRIBUTIONS

The Plan is funded through employee pre-tax elective deferrals, rollover contributions, and discretionary Company matching and profit sharing contributions. A participant may elect to contribute up to 90% of his or her eligible pay subject to certain maximum limitations imposed by the Internal Revenue Code ("IRC") ($18,500 for 2018). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of fifty before the close of the Plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC ($6,000 for 2018). The Plan also allows for after-tax, Roth, contributions. Rollover contributions representing distributions from other qualified defined benefit or contribution plans are permitted and may be made prior to meeting the eligibility requirements for participation in the Plan.

The Plan also allows for Company discretionary matching and profit sharing contributions in amounts to be determined by the Company. During 2018, the Company made matching contributions in the amount of 66% of the first 5% of a participant's deferred compensation. No profit sharing contributions were made.

DISTRIBUTIONS TO PARTICIPANTS

Upon normal retirement age, death, disability, or termination, a participant's benefits are payable in a lump-sum amount equal to 100% of the participant's vested account balance. Employees may also make hardship withdrawals on the balance of their account related to their elective deferral contributions. Participant account balances of $5,000 or less at the time of distribution will be cashed out as a lump sum payment.

1 – DESCRIPTION OF PLAN

INVESTMENT OPTIONS

The Plan provides for participants to direct both employee contributions and Company contributions into a variety of mutual funds of registered investment companies and money market funds in accordance with the participant investment elections and the provisions of the Custodian agreement. The Plan also offers a self-directed brokerage account that allows participants to invest in a wide array of mutual funds of registered investment companies, common stocks, and cash and cash equivalents offered through TD Ameritrade. Participants should refer to the Plan website for additional fund information.

VESTING

Participants are immediately vested in elective deferrals, qualified non-elective contributions, and rollovers, plus actual earnings or losses thereon. Vesting of discretionary matching contributions and earnings, thereon, is based on years of continuous service. Participants vest 20% after two years of service and are 100% after six years of service or upon occurrence of the participant's retirement, death, or disability, as defined by the Plan document. Service with certain predecessor employers may apply to vesting.

FORFEITURES

Forfeitures of terminated participants' non-vested accounts are used to pay administrative expenses or reduce Company contributions. At December 31, 2018, there were forfeitures available in the amount of $17,594. There were no forfeitures available for use at December 31, 2017. These amounts are reported as a component of net assets available for benefits. For the year ended December 31, 2018, forfeitures in the amount of $60,655 and $1,875 were used to reduce Company contributions and pay Plan expenses, respectively.

REVENUE SHARING ACCOUNT

Revenue sharing accounts are used to pay administrative expenses or are reallocated to participant accounts. For the year ended December 31, 2018, there were revenue sharing contributions to the Plan of $16,159, which are recorded as "Other income" on the Statement of Changes in Net Assets Available for Benefits. Funds of $16,159 were used to pay administrative expenses for the year ended December 31, 2018.

NOTES RECEIVABLE FROM PARTICIPANTS

Borrowings are available to all participants. Notes receivable from participants are limited to a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance, subject to certain restrictions as defined by the Internal Revenue Service ("IRS"). The notes receivable from participants are secured by the vested balance in the participant's account and bear interest at the prime rate plus 1%. Terms range from one to five years, unless for the purchase of a primary residence. Repayments are made through payroll deductions or direct payment to the Custodian and are reinvested in the participant accounts according to individual investment elections. As of December 31, 2018, maturity dates on notes receivable range from August 2019 through July 2024, and notes bear interest at rates of 4.25% to 6.25%. As of December 31, 2017, maturity dates on notes receivable range from January 2018 through May 2024, and notes bear interest at rates of 4.25% to 5.25%.

1 – DESCRIPTION OF PLAN

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants or fees related to benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

PLAN TERMINATION

Although the Company expects to continue the Plan, the Company may terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, each of the participants will have a non-forfeitable 100% vested interest in his or her account balance, including all Company contributions, subject to payment of liquidation costs and expenses.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the accrual method in accordance with United States generally accepted accounting principles ("U.S. GAAP").

ESTIMATES AND ASSUMPTIONS

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, changes therein, and associated disclosures. Accordingly, actual results may vary from the estimates used in preparing the accompanying financial statements.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The income earned on participant accounts is allocated on a daily basis using the previous day's ending account balance. Net appreciation (depreciation) includes the Plan's gain and losses on the investments bought and sold, as well as held during the year.

BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon terms of the plan document or loan policy of the Plan.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

RECLASSIFICATION

Certain investment amounts included in the prior year financial statements have been reclassified to conform with current year financial statement presentation.

RECENT ACCOUNTING PRONOUNCEMENTS

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2018-13, Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement. ASU No. 2018-13 modifies the disclosure requirements for fair value measurements in Topic 820, Fair Value Measurement. The amendments are based on the concepts in the FASB Concepts Statement, Conceptual Framework for Financial Reporting—Chapter 8: Notes to Financial Statements, which the Board finalized on August 28, 2018. ASU No. 2018-13 is effective for fiscal years beginning after December 15, 2019. Early adoption is permitted. Management is currently assessing the impact that ASU No. 2018-13 will have on the Plan's financial statements.

3 – FAIR VALUE MEASUREMENTS

INVESTMENT VALUATION AND LEVELING

FASB Accounting Standards Codification ("ASC") Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 Significant observable inputs other than quoted prices in active markets for which inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3 – FAIR VALUE MEASUREMENTS

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In establishing a fair value hierarchy for the Plan's investments in accordance with ASC 820, the following value methodologies were used for each type of investment:

Mutual funds of registered investment companies and money market fund: Valued at net asset value ("NAV") or quoted market prices of shares held by the Plan at year end.

Self-Directed Brokerage Account: Valued at the NAV or quoted market prices of mutual fund or stock shares held by the brokerage account at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants; even so, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018:

	Level 1	Level 2	Level 3	Total
Mutual funds of registered investment companies	$ 32,136,109	$ -	$ -	$ 32,136,109
Money market funds	1,245,628	-	-	1,245,628
Self-directed brokerage account	603,488	-	-	603,488
Total investments at fair value	$ 33,985,225	$ -	$ -	$ 33,985,225

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2017:

	Level 1	Level 2	Level 3	Total
Mutual funds of registered investment companies	$ 34,870,816	$ -	$ -	$ 34,870,816

Self-directed brokerage account	271,374	-	-	271,374
Total investments at fair value	$ 35,284,574	$ -	$ -	$ 35,284,574

4 – FINANCIAL INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN (UNAUDITED)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by TD Ameritrade Trust Company, the Custodian and party-in-interest, as defined by ERISA, as of December 31, 2018 and 2017, and for the year ended December 31, 2018, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedules. This information consists of the following:

	2018	2017
Mutual funds of registered investment companies	$ 32,136,109	$ 34,870,816
Money market funds	1,245,628	142,384
Self-directed brokerage account	603,488	271,374
Total investments	$ 33,985,225	$ 35,284,574
Notes receivable from participants	$ 569,633	$ 348,944
Interest and dividends	$ 707,042	
Interest on notes receivable from participants	$ 22,004	
Net depreciation of fair value of investments	$ (2,338,845)	

5 – PARTY-IN-INTEREST TRANSACTIONS

The Plan investments include shares of money market funds and a self-directed brokerage account managed by TD Bank USA, an affiliate of TD Ameritrade Trust Company, the Plan's custodian. Therefore, these transactions qualify as party-in-interest investments.

6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of the investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7 – TAX STATUS OF THE PLAN

The Plan is based on a prototype plan developed by BlueStar Retirement Services Inc. which received a favorable opinion letter dated March 31, 2014, from the IRS stating that the prototype plan constitutes a qualified plan under Section 401 of the IRC. The Plan Administrator believes the Plan, as adopted and amended, is operating within the guidelines of the IRC and continues to be tax exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

7 – TAX STATUS OF THE PLAN

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examination for years prior to 2015.

8 – DELINQUENT CONTRIBUTIONS

During 2018, employee withholdings in the amount of $94,771 were late in being transferred to the Plan. The delays were unintentional.

9 – EXCESS CONTRIBUTION PAYABLE

The Plan failed the discrimination test for the years ended December 31, 2018 and 2017. As a result, excess contributions payable are recorded as a liability in the accompanying Statements of Net Assets Available for Benefits and as a reduction to contributions in the related Statement of Changes in Net Assets Available for Benefits.

10 – RECONCILIATION TO THE 2018 FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2018	2017
Net assets available for benefits per the financial statements	$ 34,539,478	$ 35,633,057
Add: excess contributions payable	15,380	461
Less: prepayments on notes receivable from participants/other	(463)	(1)
Net assets available for benefits per the Form 5500	$ 34,554,395	$ 35,633,517

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2018:

Net decrease in net assets available for benefits per the financial statements	$ (1,093,579)
Less: prepayments on notes receivable from participants/other	(462)
Add: excess contributions payable as of December 31, 2018	15,380
Less: excess contributions payable as of December 31, 2017	(461)
Net decrease in net assets available for benefits per the Form 5500	$ (1,079,122)

11 – SUBSEQUENT EVENTS

The Plan has evaluated events or transactions occurring after December 31, 2018, the Statements of Net Assets Available for Benefits date, through September 20, 2019, the date the financial statements were issued, and determined no such events or transactions which would impact our financial statements for the year ended December 31, 2018, other than as follows:

Effective January 1, 2019, employees are immediately eligible to participate in the Plan, as there is no age or service requirement. The Plan has an automatic enrollment feature. All employees will be automatically enrolled into the Plan at a rate of 4%. This deferral will be automatically increased by 1%, up to a maximum contribution of 6%, on each subsequent January 1. Vesting is a three-year graded vesting schedule.
