Notes to Financial Statements
December 31, 2018

1. Plan Description

The following description of the LSEGH, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of LSEGH, Inc. and adopting employers (FTSE Americas, Inc., MTS Markets International, Inc. (formerly Bonds.com Inc.), Frank Russell Company, LCH Clearnet Limited and LCG Clearnet, LLC) (the "Company" or "Employer") except for employees who: (1) are included in a unit of employees covered by a collective bargaining agreement; (2) are a nonresident alien or (3) leased employees. All participants must be 18 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In June of 2019, the Plan transferred its assets from Principal Trust Company to Fidelity Management Trust Company ("Fidelity"). As a result, Fidelity became the trustee of the Plan as of that date.

Contributions

Each year, participants may contribute up to 100% of their eligible annual compensation, in a pre-tax or Roth basis, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Upon completing the eligibility requirements, employees are automatically enrolled into the Plan at a rate of 3% for pre-tax deferrals unless they affirmatively opt out. The automatic enrollment amount will increase by 1% each year not to exceed 10% of eligible compensation. There is an annual limit as to the amount that can be deducted from compensation that is determined by the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a safe harbor matching contribution in an amount equal to 100% of a participant's elective deferrals up to 5% of their eligible compensation. The Company may also make discretionary matching contributions to the Plan. For the 2018 plan year, no discretionary matching contributions were made to the Plan.

Vesting

A participant is 100% vested in their contributions and safe harbor matching contributions including allocated earnings thereon at all times. A participant will vest in discretionary Employer matching contributions as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

1. Plan Description (*continued*)

Forfeitures

At December 31, 2018 and 2017, forfeited non-vested accounts totaled \$0 and \$0. These accounts may be used to reduce administrative expenses or Employer contributions. In 2018, no forfeitures were used to reduce Employer contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on a participant's earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of 50% of a participant's vested account balance or \$50,000, subject to the approval of a loan application. Participants may not have more than one loan outstanding at any time. The interest rate is based on the prime interest rate plus 1% that is determined at the time of the loan. Loans are repaid through payroll deductions within a five year period, unless the loan was made to acquire a primary residence, in which case the loan can be repaid over a thirty year period.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in their account.

Benefits can also be distributed in the event of a participant's immediate and heavy financial need. Such distributions, which are considered hardship withdrawals, cannot exceed the amount required to relieve the financial need.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

LSEGH, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2018

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the Net Asset Value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value except for the investment in the group annuity contract, which is stated at contract value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily NAV and to transact at that price. The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Pooled separate accounts are reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. The group annuity contract is valued at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies (*continued*)

Expenses

Certain expenses of maintaining the Plan may be paid by the Company and are excluded from these financial statements. Certain administration fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Accounting for Uncertainty in Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. The plan administrator has analyzed the tax positions and determined that the Plan had no uncertain tax positions that would require financial statement recognition and/or disclosure. The plan administrator believes that the Plan is no longer subject to examination by the applicable taxing jurisdictions for periods prior to December 31, 2015.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is December 12, 2019.

3. Information Certified (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all the investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2018 and 2017, the related investment and notes receivable from participants activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2018, and the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2018.

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

The group annuity contract is stated at contract value, which amounted to \$2,370,954 and \$2,638,008 at December 31, 2018 and 2017.

5. Group Annuity Contract

The Principal Fixed Income Guaranteed Option (the “PFIGO”) is a guaranteed general account backed group annuity contract issued by Principal Life Insurance Company. Because the PFIGO is benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the PFIGO.

A rate of interest is contractually guaranteed by Principal Life Insurance Company and is credited to participant’s account balances. This net crediting rate is after the deduction of 0.20% for fees for administrative and record-keeping services provided to the Plan. The rate is reset on a semiannual basis.

Benefit payments are made at contract value (i.e. no market value adjustments or surrender charge adjustments) for plan benefit events including: retirement, death, disability, termination of employment, loans, withdrawals, or Plan termination. An employer level liquidation or employer initiated transfer of the Plan’s interest in the PFIGO will be subject to either a 12-month advance notice or a 5% surrender charge, whichever the Employer chooses. Notification of a Plan’s intent to terminate its interest may be revoked within 90 days of the receipt of such notice, after which time, the notice becomes irrevocable. A 5% surrender charge will also apply if the cumulative percentage of participant transfers from the PFIGO exceeds 20% of the Plan’s interest in the contract during the 12-month period immediately preceding the employer-level surrender of the Plan’s interest in the contract. If this scenario occurs, the surrender charge will be billed to the Employer.

The credit risk of the issuer, Principal Life Insurance Company, was evaluated by nationally recognized statistical rating agencies as follows: Moody’s Investors Service (A1 as of November 2016), Standard and Poor’s (A+ as of August 2019), A.M. Best Company (A+ as of February 2019), and Fitch (AA- as of July 2019).

6. Common/Collective Trusts

The Plan offers various non benefit-responsive common/collective trusts called the Principal LifeTime Hybrid Collective Investment Funds ("LifeTime Funds"). These LifeTime Funds include: the Principal LifeTime Hybrid 2010 Fund; the Principal LifeTime Hybrid 2015 Fund; the Principal LifeTime Hybrid 2020 Fund; the Principal LifeTime Hybrid 2025 Fund; the Principal LifeTime Hybrid 2030 Fund; the Principal LifeTime Hybrid 2035 Fund; the Principal LifeTime Hybrid 2040 Fund; the Principal LifeTime Hybrid 2045 Fund; the Principal LifeTime Hybrid 2050 Fund; the Principal LifeTime Hybrid 2055 Fund; the Principal LifeTime Hybrid 2060 Fund; the Principal LifeTime Hybrid 2065 Fund; and the Principal LifeTime Hybrid Income Fund. The unit value of each of these LifeTime Funds is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value.

7. Party-In-Interest Transactions

Certain investments of the Plan are managed by Principal Life Insurance Company and Principal Trust Company, both of whom are members of Principal Financial Group. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

8. Tax Status

The Internal Revenue Service has determined and informed the prototype document preparer by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

10. Prohibited Transactions

During the 2015, 2016 and 2017 plan years, the Employer failed to transmit to the Plan certain participants' contributions and loan repayments totaling \$45,339 within the period prescribed by Department of Labor regulations. Delays in remitting these amounts to the Plan were due to an administrative oversight. Plan management has calculated and remitted the lost earnings related to these amounts.

11. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Auditors' Communication of Internal Control
and Auditors' Communication
with Those Charged with Governance

December 31, 2018

Auditors' Communication of Internal Control

The Plan Administrator of LSEGH, Inc. 401(k) Plan

In planning and performing our audit of the financial statements of LSEGH, Inc. 401(k) Plan (the "Plan") as of and for the year ended December 31, 2018, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified.

We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above. However, as indicated in the attached addendum, we identified matters for consideration that are opportunities for strengthening internal controls and operating efficiency.

This communication is intended solely for the information and use of the Plan Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

PKF O'Connor Davies, LLP

LSEGH, Inc. 401(k) Plan

Addendum to Report on Internal Control Related Matters

Matters for Consideration that are Opportunities for Strengthening Internal Controls and Operating Efficiency

A. Timely Deposit of Participant Contributions (Prior Year Comment)

During our audit, we noted instances where participants' contributions and loan repayments were not remitted to the Plan in a timely manner. The Department of Labor ("DOL") requires that participant contributions and loan repayments be remitted to the Plan on the earliest date on which they can be reasonably segregated from the plan sponsor's general assets but no later than the 15th business day following the end of the month in which the amounts are contributed by employees or withheld from their wages. Failure to remit participant contributions and loan repayments to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the plan sponsor.

Recommendation

We recommend that the plan sponsor review the procedures currently in place involving the remittance of participant contributions and loan repayments to the Plan and institute the necessary controls to ensure that participant contributions and loan repayments are remitted in a timely manner.

B. Compliance with the Department of Labor's Rules and Regulations (Prior Year Comment)

Management is responsible for complying with the rules and requirements set forth under the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under these regulations, large plans are required to file audited financial statements with the Form 5500 on an annual basis. For the plan years ended December 31, 2018 and 2017, the Plan failed to comply with these regulations by the due date of the filing.

Recommendation

We recommend that management develop internal procedures to ensure that the Plan complies with these reporting requirements in a timely manner. In addition, those individuals charged with governance of the Plan are responsible for the oversight of the financial reporting process.

Auditors' Communication with Those Charged with Governance

The Plan Administrator of LSEGH, Inc. 401(k) Plan

We have conducted a Department of Labor ("DOL") limited-scope audit of the financial statements and supplemental schedules of LSEGH, Inc. 401(k) Plan (the "Plan") as of and for the year ended December 31, 2018, and have issued our report thereon dated December 12, 2019. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our discussions and engagement letter to you dated January 7, 2019. This letter confirms our discussions and provides additional required communications related to our audit.

Our responsibility under professional standards

Our responsibility is to form and express an opinion about whether the financial statements are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America and to express an opinion about whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements taken as a whole and is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA").

However, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to the financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on the financial statements and supplemental schedules taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified to by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Our audit included obtaining an understanding of the Plan and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. However, as part of the scope limitation discussed above, we did not consider internal control relating to the information prepared and certified to by the trustee. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan. Our audit did not identify any significant findings requiring communication to you.

The financial statements and supplemental schedules are the responsibility of management. Those individuals charged with governance of the Plan are responsible for the oversight of the financial reporting process, and our audit does not relieve management and those charged with governance of their respective responsibilities.

Qualitative aspects of significant accounting practices

Significant accounting policies

Plan management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the reporting period that had a significant impact on the financial statements. No matters have come to our attention that would require us to inform you about (1) the methods used to account for significant unusual transactions, and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant accounting estimates

Accounting estimates made by the Plan's management are an integral part of the financial statements and are based on Plan management's knowledge and experience about past and current events and assumptions about future events. Actual results could differ from those estimates.

Certain accounting estimates are particularly sensitive because of their significance to financial statements and their susceptibility to change. Management believes that the estimates used and assumptions made are adequate based on the information currently available. We evaluated the key factors and assumptions used to develop the estimates in determining that they are reasonable in relation to the financial statements as a whole.

Financial statement disclosures

The financial statement disclosures are consistent and clear.

Significant difficulties encountered during the audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and corrected misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. No misstatements were identified during our audit.

Disagreements with management

For purposes of this letter, a disagreement with management is a matter, whether or not resolved to our satisfaction, concerning financial accounting, reporting, or auditing, which could be significant to the financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations requested from Plan management

We have requested certain written representations from the Plan's management in a separate letter dated December 12, 2019.

Consultations with other accountants by the Plan's management

In some cases, the Plan's management may decide to consult with other accountants about auditing and accounting matters. The Plan's management has informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other matters discussed with Plan management

We generally discuss with the Plan's management a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and future plans and strategies that may affect the risks of material misstatement. None of the matters discussed and our responses thereto were a condition to our retention as auditors.

Auditor independence

We affirm that PKF O'Connor Davies, LLP is independent with respect to the Plan in accordance with the AICPA's *Code of Professional Conduct* and DOL and ERISA Independence Rules.

This communication is intended solely for the information and use of the Plan Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Yours sincerely,

PKF O'Connor Davies, LLP
