INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
LeeMAH Electronics Profit Sharing 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of LeeMAH Electronics Profit Sharing 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of March 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (the "ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which were certified by Voya Retirement Insurance and Annuity Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of March 31, 2019 and for the year then ended, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of March 31, 2019, is required by the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. The supplemental schedule is the responsibility of the Plan's management. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule referred to above.

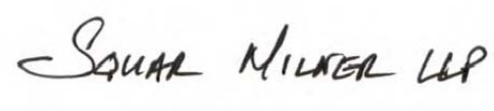

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements as of and for the year ended March 31, 2019, and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

2018 Financial Statement

The financial statement of the Plan as of March 31, 2018 was audited by Louie & Wong LLP, who merged with Squar Milner LLP effective February 1, 2019. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed Louie & Wong LLP not to perform, and they did not perform, any auditing procedures with respect to the information certified by Voya Retirement Insurance and Annuity Company, the trustee of the Plan. Their report, dated January 8, 2019 indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statement as of March 31, 2018 and (b) the form and content of the information included in the financial statement as of March 31, 2018 other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

1. DESCRIPTION OF PLAN

The following description of the LeeMAH Electronics Profit Sharing 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was originally adopted on April 1, 1975, and was subsequently amended and restated mainly to comply with regulatory changes. The Plan was most recently amended effective September 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (the "ERISA").

Plan Administration

The Company appointed an Investment Committee ("Plan Committee") to manage the operations and administration of the Plan. Voya Retirement Insurance and Annuity Company ("Voya") serves as trustee and custodian of the Plan's assets. Primark Benefits serves as the Plan's third-party administrator to process and maintain the records of participant data.

Eligibility

The Plan is a defined contribution Plan, covering substantially all eligible employees of LeeMAH Electronics, Inc. (the "Company" or "Plan Sponsor") who have attained the age of 18 and completed three months of service, and who are not union employees covered by a collective bargaining agreement, non-resident aliens who have no earned income from sources within the United States, and leased employees of Taishan City Li Hua Electronic Factory, Ltd., LeeMAH Far East, Ltd. and LeeMAH Holdings, Ltd.

Contributions

Participants may elect to contribute on a pre-tax basis a percentage or a flat dollar amount up to 90% of their eligible compensation, as defined in the Plan, subject to the Internal Revenue Code limitation ("IRC") of $19,000 in 2019. Participants who are at least age 50 or older by the end of the calendar year may also make additional contributions (catch-up contributions) of up to $6,000 in 2019. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company allows for employer matching contributions equivalent to 100% of the participant's total contributions or 1% of the participant's eligible pre-tax compensation, whichever is lower.

Participants' Accounts

Each participant's account is credited with the participant's contribution, allocations of matching contributions by the Company and Plan earnings, and charged with an allocation of administrative fees, as applicable. Allocations are based on account balances or number of participants in the Plan, as determined by the Plan Administrator. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

The Plan does not permit participant loans.

Vesting

Participants are immediately vested in their elective deferral and rollover, plus actual earnings thereon. Employer matching contributions are vested in accordance with the following schedule:

Years of Service	Percentage Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Rollover Contributions

Participants may rollover part or all of their eligible rollover distributions that participants received from a prior employer's qualified plan. There were no rollovers to the Plan during the year ended March 31, 2019.

Payment of Benefits

In the event of a termination of employment due to death, disability, retirement or for other reasons, a participant will be entitled to receive his or her vested account balance in a lump sum amount or as elected by the participant. The distribution will be made at the participant's election or will be rolled over either to another qualified retirement plan that agrees to receive the distribution or to an individual retirement account ("IRA").

Forfeited Accounts

Forfeitures of terminated participant non-vested accounts will be used to reduce Company contributions. There were no forfeited non-vested accounts as of March 31, 2019 and 2018.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants would become fully vested in their account balances, with rights to benefits accrued to the date of termination.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosures of contingent assets and liabilities, if any, at the date of the financial statements and the reported amounts of additions and deductions during the year. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee, custodians, and insurance company. See Note 3 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits

Distributions are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities, which in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Reclassification

Certain items in prior year financial statements have been reclassified to conform to current year presentation. Such reclassification had no effect on the previously reported net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events and transactions through December 13, 2019, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The Plan considers the use of market-based information over entity-specific information in valuing its financial assets measured at fair value, using a three-level hierarchy for fair value measurements based on the nature of inputs used in the valuation of an asset or liability of measurement date.

The three-level hierarchy for fair value measurement is defined as follows:

Level 1 – Inputs to the valuation methodology are quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology are inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. Fair value can be determined through the use of models or other valuation methodologies.

Level 3 – Inputs to the valuation methodology are unobservable inputs for the asset. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed, based on the best information available.

The following is a description of the valuation methodologies used for assets measured at fair value including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodology used at March 31, 2019 and 2018.

Guaranteed Investment Account with Insurance Company

The Plan offers a guaranteed investment contract with Voya. Voya maintains the contributions in a general account. The value of the insurance company general account is determined by the daily crediting of interest which is subject to minimum contractual guarantees. Investment transfers to and from the insurance company general account and withdrawals to pay participant benefits are made at contract value. However, certain withdrawals and transfers are restricted, therefore this contract is not considered fully benefit-responsive. This contract is included in the financial statements at fair value. There are no reserves against the general account for credit risk. The minimum crediting rate under the contract was 1% during the year ended March 31, 2019. The average yield was 1.66% during the year ended March 31, 2019.

3. FAIR VALUE MEASUREMENTS (continued)

Pooled Separate Accounts

The value of the units held in pooled separate accounts ("PSA") are based on quoted market prices of the underlying investments and are based on the net asset value ("NAV") of the shares held by the Plan at year end. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities and administrative expenses, and then divided by the number of shares outstanding. The NAV of PSAs are classified within Level 2 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of March 31, 2019 and 2018.

	2019		2018	
	Level 2	Total	Level 2	Total
Pooled separate accounts	$ 9,504,932	$ 9,504,932	$ 8,615,935	$ 8,615,935
Investment measured at NAV (Practical Expedient) - Insurance company - general account (1)		3,203,766		3,604,923
Total investments at fair value		$ 12,708,698		$ 12,220,858

(1) In accordance with Accounting Standards Update No. 2011-04 on Fair Value Measurement (Topic 820), certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

3. FAIR VALUE MEASUREMENTS (continued)

Investments Measured Using NAV per Share as Practical Expedient

The following tables set forth additional disclosure of the Plan's investments whose fair value is measured using NAV per share practical expedient as of March 31, 2019 and 2018. There are no participant restrictions for these investments; the redemption notice period is applicable only to the Plan.

March 31, 2019

Instrument	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Insurance company – general account	$ 3,203,766	N/A	Daily	1-Day

March 31, 2018

Instrument	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Insurance company – general account	$ 3,604,923	N/A	Daily	1-Day

At March 31, 2019 and 2018, there were no Level 1 and Level 3 investments.

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits above are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

4. INCOME TAX STATUS

The Plan is based on the standardized Volume Submitter Defined Contribution Plan sponsored by Primark Benefits. The Internal Revenue Service ("IRS") informed Primark Benefits by a determination letter dated March 31, 2014, that the Volume Submitter plan upon which the Plan is based is designed in accordance with the provisions of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provisions for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that at March 31, 2019 and 2018, there were no uncertain positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S TRUSTEE

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information prepared by the trustee, Voya Retirement Insurance and Annuity Company ("Voya"). The Plan Administrator has obtained a certification from the trustee of the Plan that the following information is complete and accurate at March 31, 2019 and 2018, and for the year ended March 31, 2019:

1. Statements of Net Assets Available for Benefits – Investments at fair value

2. Statement of Changes in Net Assets Available for Benefits – Net appreciation in fair value of investments and interest and dividends

3. Investment-related information in Supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year)

6. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are insurance company general account and pooled separate accounts offered by Voya. Voya is the Plan's trustee, and therefore, these transactions qualify as party-in-interest transactions. The fees paid by the Plan for investment management fees of Voya amounted to $50,566 for the year ended March 31, 2019.
