IMC Companies 401(k) & Investment Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of IMC Companies 401(k) & Investment Plan (the Plan), which comprise the statement of net assets available for benefits as of April 30, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these 2019 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Bank, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended April 30, 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of assets held at end of year as of April 30, 2019, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2018 Financial Statements

The financial statements of the Plan as of April 30, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the custodian of the Plan. Their report, dated January 23, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodians, was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2019

The form and content of the information included in the 2019 financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The following description of IMC Companies 401(k) & Investment Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Industrial Manufacturing Company, LLC and its following active subsidiaries and affiliates: Arrowhead Products Corporation (Arrowhead); Bijur Delimon International, Inc. (Bijur); Cleveland Gear Company, Inc. (Cleveland Gear) and its division Milwaukee Machine Works (Milwaukee); Columbia Gear Corporation (Columbia Gear); Flexider USA Corporation (Flexider); Hellan Strainer Company (Hellan); Industrial Manufacturing Company International, LLC (IMC International); Penco Products, Inc. (Penco); and Schmidt Structural Products, Inc. (Schmidt) (collectively, the Companies), who are not a leased employee or collective bargaining employees unless negotiated. Each adopting employer within the Plan can determine its own service, vesting, and discretionary employer contribution requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Industrial Manufacturing Companies, Inc. Retirement Plan Committee (Retirement Committee) oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Each year, participants may make voluntary pre-tax and Roth contributions to the Plan up to 90% of eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Effective April 1, 2019, the Plan includes an auto-enrollment provision for employees of Penco whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Companies may make discretionary matching contributions and profit sharing contributions to the Plan for the related year. There were no profit sharing contributions authorized or made for the year ended April 30, 2019. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, rollover contributions, allocations of the Companies' contributions, and Plan earnings or losses as defined by the Plan agreement. Allocations of the Companies' profit sharing contributions are given only to participants employed at the end of the Plan year. Plan earnings or losses are allocated daily based on each participant's account balance. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service. A participant is 100% vested based on either a three or four year graded schedule, as defined specifically by each adopting employer.

Notes Receivable from Participants

Participants may borrow money within certain limits from their individual accounts. The notes are secured by the balance in the participant's account. The loan interest rate, determined at inception, is set at Prime (5.50% and 4.75% at April 30, 2019 and 2018, respectively), plus 1%, as defined, in accordance with the Plan's loan policy. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service for any reason, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, equal installments over a future period, or partial payments as requested from time to time by the participant. If the participant's account balance is between \$1,000 and \$5,000, the plan administrator makes either a lump-sum payment or a direct rollover of the account balance, as elected by the participant. If no election is made, amounts below \$1,000 are paid to the participant in the form of a lump-sum distribution with amounts greater than \$1,000 automatically rolled over into a qualified individual retirement account. Participants may also elect to take in-service distributions after reaching the age of 59 ½. Distributions of a participant's 401(k) account balance may be authorized at any time by the plan administrator under certain hardship conditions.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce administrative expenses, reduce future employer contributions, or reallocated to participants. At April 30, 2019 and 2018, forfeited nonvested accounts totaled \$17,010 and \$27,246, respectively. During 2019, \$94,143 was used to reduce employer contributions or administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value by Charles Schwab Bank (Charles Schwab), the custodian of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Assets of the Plan are held in separate accounts of a trust administered by Charles Schwab as of April 30, 2019 and 2018, representing investments in mutual funds, a common collective trust, and a stable value collective trust.

Investment of participant's contributions and the Companies' contributions into these investments are at the direction of each participant.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of April 30, 2019 and 2018. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2018 excess contributions to the applicable participants prior to required timing under the Department of Labor's Rules and Regulations.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

The Plan's administrative expenses are paid either by the Plan or the Companies as provided by the Plan agreement. Expenses that are paid by the Companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Income Taxes

In accordance with GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any significant uncertain position that more likely than not would not be sustained upon examination by the IRS. As of April 30, 2019 and 2018, and for the year ended April 30, 2019, the Plan did not have a liability for unrecognized tax benefits.

Subsequent Events

Plan management has evaluated subsequent events through January 6, 2020, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE CUSTODIAN

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Charles Schwab, the custodian.

Charles Schwab has certified as to the completeness and accuracy of the investments it holds, changes in net assets arising from investment activity, and the schedule of assets held at end of year as of April 30, 2019 and 2018, and for the year ended April 30, 2019.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

- Level 2 Other significant observable inputs including: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 Inputs are significant and unobservable (including the Plan's own assumptions used to determine value)

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at April 30, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the bank collective trust fund. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Subject to certain restrictions, redemptions are allowable daily with no notice.

Common collective trust: Valued at the NAV of units of the common collective trust fund. The NAV as provided by the custodian, is used as a practical expedient to estimated fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require a five day written notice for redemptions which exceed \$1 million in order to ensure that securities liquidations will be carried out in an orderly business manner, otherwise redemptions are allowable daily with no notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

Mutual Funds	<u>\$ 75,880,298</u>	<u>\$</u>	<u>\$</u>	<u>\$ 75,880,298</u>

Common Collective Trust				749,590
Investments at fair value	<u>\$ 75,880,298</u>	<u>\$</u>	<u>\$</u>	<u>\$ 117,167,591</u>

The Plan did not hold any Level 3 assets during the year.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Charles Schwab. Charles Schwab is the custodian as defined by the Plan and, therefore, such transactions qualify as party-in-interest transactions.

Schwab Retirement Plan Service, Inc. (Schwab Retirement) provides certain administrative services to the Plan pursuant to a Services Agreement (SA) between the Companies and Schwab Retirement. Schwab Retirement receives revenue from mutual fund service providers for services Schwab Retirement provides to the funds. This revenue is used to offset certain amounts owed to Schwab Retirement for its administrative services to the Plan.

If the revenue received by Schwab Retirement from such mutual fund service providers exceeds the amount owed under the SA, Schwab Retirement remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2019 there were no excess amounts. This revenue, which totaled approximately \$152,000 in 2019, was used to offset certain amounts owed to Schwab Retirement for its administrative services to the Plan.

NOTES TO THE FINANCIAL STATEMENTS

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. TAX STATUS

The Plan has adopted a prototype plan provided by Charles Schwab. Charles Schwab has received an opinion letter dated June 19, 2014, from the IRS stating that the prototype plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
