Eligibility

Employees of SGWSNJ who complete 640 hours of service (excluding overtime and regular working hours during the months of June, July, November and December) or upon the completion of one year of service, as defined in the Plan document, are eligible to participate in the Plan. Employees of SGWSNY who complete 45 days of service, as defined in the Plan document, are eligible to participate in the Plan. All employees are excluded except employees represented by the United Food & Commercial Workers International Union 1-D.

Participant Contributions

Effective January 1, 2017, eligible employees are automatically enrolled in the Plan at 2% of the employee's pre-tax wages (increased annually by 1% up to a max of 5%) unless the employee affirmatively elects not to participate. After-tax contributions are not allowed. Catch-up contributions and rollovers from other plans are allowed.

Employer Contributions

SGWSNJ allows a discretionary profit sharing contribution at \$350 per month per eligible participant.

SGWSNY does not provide for employer contributions.

Participant Accounts

The Plan is a participant-directed account plan. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants' accounts are credited with their participant and employer contributions, as applicable. Plan earnings and administrative expenses are allocated based upon a participant's account balance in proportion to the balances of all participants' accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their elective deferrals and rollover contributions. SGWSNJ participants vest in their employer contributions 100% after 640 hours (excluding overtime and regular working hours during the months June, July, November, and December).

Forfeitures

Forfeitures will be used to reduce administrative expenses or Employer contributions. There were no forfeitures during the year ended December 31, 2018 and there was no balance in the forfeiture account.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2018 AND 2017

1. DESCRIPTION OF PLAN (CONTINUED)

Investment Options

Contributions are invested by Nationwide Financial Services Inc. ("Nationwide"), the custodian of the Plan, according to the options elected by the participants. All participant contributions are directed by the participants among the available investment options. Investment earnings are automatically reinvested into the fund or portfolio from which they were derived. At December 31, 2018, the Plan offers investment options consisting of one fixed income fund and 54 publicly-traded open end mutual funds, which include 11 target-date retirement funds, and one money market fund.

Participant Loans

Participants may borrow a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Each loan is secured by the participant's account balance. Loan terms range from one to five years in one-year increments. The interest rates for notes outstanding as of December 31, 2018 were from 5.25% to 7.00%. The interest rate charged on any loan is equal to the prime rate (as published in the Wall Street Journal on the 14th day of the month the loan is initiated) plus 1% per year. The maximum number of loans outstanding at any time is three. Loans must be repaid over a period not extending beyond five years from the date of the loan. Loan repayments are made through payroll deductions each pay period.

Notes receivable from participants were \$1,055,625 and \$877,252 as of December 31, 2018 and 2017, respectively.

Payment of Benefits

Participants' benefits under the Plan are payable to participants or their beneficiaries upon termination of employment, normal retirement, disability, financial hardship or death. Benefits are payable in one lump sum payment. Hardship withdrawals are available, for reasons defined in the Plan document, as are distributions to participants who have attained the age of 59½.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2018 AND 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement* defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017.

Investment Management Fees and Operating Expenses

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employers and are excluded from these financial statements. The Plan is responsible for administrative expenses relating to the management of Plan assets incurred by the Plan except for certain transactions fees such as loan and distribution requests, which are paid by the participants.

Subsequent Events

The Plan has evaluated subsequent events through January 8, 2020, which is the date the financial statements were available to be issued.

3. INVESTMENTS

Nationwide, the custodian of the Plan, certified as to the completeness and accuracy of the investment assets, investment transactions, income and schedule of the investment assets as of December 31, 2018 and for the year then ended.

The following information, included in the accompanying financial statements and supplemental schedule at December 31, 2018 and 2017, was obtained from data that has been prepared by Nationwide.

Interest credited on fixed select account	1,055
Interest income on notes receivable from participants	57,955
Total investment loss	<u>\$ (354,977)</u>

Mutual funds are valued at the net asset value ("NAV") of units held by the Plan at year end as reported by the trustee on the last day of the Plan year. The fund's NAV is determined by the trustee sponsoring such funds by dividing the fund's net assets at fair value by its units outstanding at the valuation date.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The following tables set forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent):

Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2018 AND 2017

4. FULLY BENEFIT-RESPONSIVE GROUP ANNUITY CONTRACT

Effective May 18, 2017, the Plan entered into a fully benefit-responsive guaranteed annuity contract with Nationwide (the fixed select account). Nationwide maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. As the fixed select account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. Contract value represents contributions made under the respective contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with Nationwide. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii) bankruptcy of the Plan sponsor or other Plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) which cause a significant withdrawal from the Plan; or (iv) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. The average yield for the year ended December 31, 2018 was 2.30%. The interest rate is reviewed on a quarterly basis for resetting.

5. TAX STATUS

The Plan obtained its latest determination letter on October 10, 2018, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

As the Plan was established in 2016, all years are subject to income tax examinations.

6. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in publicly-traded mutual funds and a group annuity contract. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right at any time to terminate the Plan in accordance with ERISA by delivering to the custodian written notice of such termination. Upon termination of the Plan, no further contributions will be made to the Plan. The accounts of such participants shall be one hundred percent vested, and non-forfeitable.

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2018 AND 2017

8. RELATED PARTIES/PARTIES-IN-INTEREST

Plan investments are managed by Nationwide. Nationwide is the custodian of the Plan's assets and, therefore, these transactions qualify as party-in-interest transactions. Certain fees paid by the Plan for the investment management services are included in net appreciation/depreciation in fair value of investments, as they are paid through profit sharing rather than direct payment.

9. PROHIBITED TRANSACTIONS AND CONTINGENCIES

The Plan has not yet filed Federal Form 5500 for the year ended December 31, 2018. The IRS and the Department of Labor could impose significant fines or penalties on the Union for not complying with ERISA and IRS requirements. The Union has not estimated the amount of potential fines or penalties related to this delinquent filing.
