Report of Independent Auditors

To the Plan Administrator and Those Charged with Governance of
The Continental National Bank 401(k) Plan

Report on Financial Statements

We were engaged to audit the accompanying financial statements of The Continental National Bank 401(k) Plan (the Plan) which comprise the statement of net assets available for benefits as of March 31, 2019 (in liquidation) and the related statement of changes in net assets available for benefits for the period January 1, 2019 through March 31, 2019 (in liquidation), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the Trustee, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certification from the Trustee as of March 31, 2019 (in liquidation) and for the period January 1, 2019 through March 31, 2019 (in liquidation), that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the financial statements. Accordingly, we do not express an opinion on the financial statements, referred to in the first paragraph.

Other Matters

Report on Supplemental Information

The supplemental information, Schedule H, line 4i – schedule of assets (held at end of year) as of March 31, 2019, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. The supplemental information is the responsibility of Plan management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental information.

2018 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the Trustee. Their report, dated October 7, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Emphasis of Matter

As described in Note 1 to the financial statements, the governing body of The Continental National Bank 401(k) Plan approved a liquidation on March 31, 2019, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2018 financial statements to the liquidation basis used in presenting the 2019 financial statements. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2019 financial statements and supplemental information, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE CONTINENTAL NATIONAL BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of The Continental National Bank 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan, which was established effective February 1, 1994, is a defined contribution plan. The Plan is available to eligible employees (as defined) who are employed by Continental National Bank (the Employer or Plan Sponsor).

Eligible employees are those who are at least 21 years of age and have completed at least 6 months of service. Employees will be auto enrolled in the Plan at the beginning of the month following the quarter after meeting the eligibility requirements (January 1, April 1, July 1 and October 1). Auto enrollment begins at 6% of the compensation and increases 1% each year until it reaches 10%. The Employer is the Plan Administrator and Principal Life Insurance is the Trustee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Termination of plan

Effective March 31, 2019, the Employer decided to terminate the Plan and the Plan assets were merged into an existing plan – Members 401(k) Advantage. As a result, the 2019 financial statements are presented on the liquidation basis of accounting.

Contributions

Participants may contribute up to 15% of gross wages, up to limits as defined by the Plan and other limits according to the Internal Revenue Service (IRS). For the period January 1, 2019 through March 31, 2019, individual participants' contributions were limited to \$19,000. Participants who are age 50 and older may also contribute an additional \$6,000 on an annual basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Employer may make a discretionary matching contribution to the Plan equal to a percentage of each participants' elective deferral contribution. In 2019, the match was equal to 50% of each participant's salary deferrals up to 6% of the participant's compensation subject to certain limitations as specified in the Plan agreement.

Additional discretionary profit sharing amounts may be contributed as directed by management. The Employer made no profit sharing discretionary contributions for the period ended March 31, 2019.

Participant accounts

Each participant account is credited with the participant's contribution and an allocation of (a) the Employer's contributions and (b) Plan earnings or losses, and are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. All participant contributions are participant-directed and may be invested into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Unallocated forfeitures are used to pay Plan expenses or to reduce the Employer's future matching contributions. Total forfeitures utilized to reduce Employer contributions or pay Plan administrative expenses for the period ended March 31, 2019 approximated \$1,400.

THE CONTINENTAL NATIONAL BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Allocation and vesting of benefits

Participants are immediately vested in their contributions plus actual earnings or losses thereon. Vesting in the Employer's matching and discretionary contributions portion of their account plus earnings or losses thereon, is based on years of continuous service. Participants who become eligible and are enrolled in the Plan will receive vesting credit for years of service based only on the elapsed time method as defined by the Plan. A participant is fully vested after five years of credited service. Regardless of years of service, participants are 100% vested upon reaching normal retirement age (65), becoming disabled, or upon death.

Participant notes receivable

Participants may borrow from their accounts between \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years unless the loan is used to acquire the principal residence of the participant. The notes are secured by the balance in a participant's account and bear interest at rates commensurate with local prevailing rates at the date of the loan as determined by the Plan Administrator. Participant loan repayments are deducted from the participant's pay and remitted to the Trustee. Participant notes receivable is carried at the outstanding balance of the notes.

Payment of benefits

If a participant terminates employment for any reason other than death or total and permanent disability prior to normal retirement age (65) and the value of the participant's vested account balance is less than \$5,000, the vested portion shall be distributed as soon as administratively feasible. The Plan may also make involuntary cash-outs of accounts with vested balances of up to \$5,000 through a roll-over to a qualified individual retirement account. The Plan allows hardship withdrawals and rollover contribution accounts, subject to account balance limits and applicable laws.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Plan administration

The Employer is the Plan Sponsor and the administrator of the Plan, and as such, controls and manages the operations of the Plan. The Plan's assets were maintained by the Trustee for the three-month period ended March 31, 2019. The Employer's contributions are held and managed by the Trustee who invested cash received, interest, and dividend income, and made distributions to participants (subject to the direction of the participants).

Note 2 – Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. For the period January 1, 2019 through March 31, 2019, the financial statements of the Plan have been prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America.

THE CONTINENTAL NATIONAL BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences may be material.

Investment valuation and income recognition

The Plan's investments are measured at fair value (except for fully benefit responsive investment contracts). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fully benefit responsive investment contracts are measured at contract value. Plan management determines the Plan's valuation policies utilizing information provided by the Trustee and investment advisors. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to interest rate, market and credit risks. Due to the risks associated with investment securities, including the uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in such risks in the near-term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Concentration of credit risk

The Trustee maintains the Plan's investments with high credit-quality institutions and attempts to limit the credit exposure of any particular investment.

Payment of benefits

The Plan records benefits when paid.

Uncertain tax positions

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) FASB ASC Topic 740, *Income Taxes*, requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan has determined it does not have any positions at March 31, 2019 that it would be unable to substantiate.

Note 3 – Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

THE CONTINENTAL NATIONAL BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 3 – Information Certified by the Trustee, Continued

- Investments and participant notes receivable from participants as shown on the statements of net assets available for benefits as of March 31, 2019 December 31, 2018;
- Net investment activity and interest income on participant notes receivable as shown in the statement of changes in net assets available for benefits for the period ended March 31, 2019 (in liquidation);
- Investment information included in the footnotes and supplemental information, schedule of assets (held at end of year) as of March 31, 2019 (in liquidation).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at March 31, 2019. The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts - valued based upon the units of such pooled separate accounts held by the Plan at end of year multiplied by the respective unit value. The unit values of the pooled separate accounts are based upon unadjusted quoted prices in active markets for identical assets or liabilities, and are therefore considered Level 1 investments within the fair value hierarchy.

Investment contracts - The fair values of the Plan's investment contracts have been determined to approximate contract values, as the amount plan participants would receive if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, disability, termination or retirement. This fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceeds crediting rates. In addition, management has determined that no adjustment from contract value is required for credit quality considerations.

THE CONTINENTAL NATIONAL BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

Mutual funds - The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

	Fair Value Measurements as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Investment contract**	\$ -	\$ -	\$ -	\$ 279,244
Mutual funds	30,786	-	-	30,786
Pooled separate accounts	<u>2,484,327</u>	<u>-</u>	<u>-</u>	<u>2,484,327</u>
Investments, at fair value	<u>\$ 2,515,113</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,794,357</u>

** In accordance with Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to present the reconciliation of the fair value hierarchy to line items presented on the statement of net assets available for benefits.

Note 5 – Plan Termination

By action of the Plan Sponsor's Board of Directors, the Plan's net assets were transferred into an existing qualified plan effective March 31, 2019, and the Plan was terminated. Participants became fully vested in the Employer's matching portion of their accounts upon termination.

Note 6 – Party-In-Interest Transactions

Parties-in-interest are defined under the DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. The Plan's investments included shares of certain pooled separate accounts, mutual funds and investment contract accounts administered by the Trustee. Therefore, transactions in these investments qualify as party-in-interest. These party-in-interest transactions described are exempt from the prohibited transaction rules of ERISA.

Certain administrative functions are performed by officers and employees of the Employer. No officer or employee receives compensation from the Plan for these services.

Note 7 – Fidelity Bond

The Plan has complied with the fidelity bonding requirements of ERISA.

THE CONTINENTAL NATIONAL BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 8 – Tax Status

The Plan adopted a prototype standardized profit sharing plan. The Plan is relying on the IRS approval of the standardized prototype determination letter on March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter, however, the Plan Sponsor believes that the Plan is designed and operated in compliance with the applicable requirements of the IRC.

Note 9 – Subsequent Events

The Plan evaluated events occurring subsequent to March 31, 2019 through January 3, 2020, the date the financial statements were available to be issued, for events that should be recorded in the financial statements or disclosed in the footnotes thereto.
