Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the 2018 financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2018 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements.

Other Matter – Supplemental Schedules

The supplemental Schedule of Delinquent Contributions for the year ended December 31, 2018 and Schedule of Assets (Held at End of Year) as of December 31, 2018 are required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Other Matter – 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, auditing procedures with respect to the information certified by the trustee. Their report, dated December 22, 2018, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, was prepared in compliance with the DOL's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Emphasis of Matter – Plan Merger

As discussed in Note 1 to the financial statements, effective January 1, 2018, the Plan Sponsor approved the merger of the Rose Companies Employer LLC 401(k) Profit Sharing Plan and Trust into the Plan. Assets totaling approximately \$9,300,000 were transferred into the Plan on January 27, 2018. Our disclaimer of opinion has not been modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations 2018

The form and content of the information included in the 2018 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Rose Companies Employer 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Rose Companies Employer 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was formed on January 1, 2017, and is sponsored and administered by Rose Companies Employer, LLC (the Company or Plan Sponsor). Effective April 7, 2017, plan assets for certain former participants of the Forest City Employer, LLC 401(k) Employee Savings Plan & Trust were transferred into the Plan as a result of a sale of certain assets (division) to the Plan Sponsor. Effective January 1, 2018, the Plan Sponsor approved the merger of the Rose Companies Employer LLC 401(k) Profit Sharing Plan and Trust into the Plan. Assets totaling \$9,285,928, including a 2017 receivable in the amount of \$278,426, were transferred into the Plan on January 27, 2018.

The Plan is as a defined contribution plan covering substantially all employees of the Plan Sponsor (and certain affiliated companies) who are 21 years of age and have 30 days of service. All employees of the Plan Sponsor on January 29, 2017 were immediately eligible for the Plan given they met the age requirement. Management is responsible for oversight of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may contribute up to 50% of pretax annual compensation, as defined in the Plan. Effective January 1, 2018, the Company automatically withholds 3% from the employee's compensation and contributes this amount to the Plan as deferral contributions, unless the employee elects otherwise. Prior to January 1, 2018, the Company automatically withheld 1% from the employee's compensation and contributed that amount to the Plan as deferral contributions, unless the employee elects otherwise. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). Once a participant completes one year of service, the Company may make matching contributions. Effective January 1, 2018, the Company makes a safe harbor nonelective contribution of 3% of each eligible participant's compensation (as defined). Prior to January 1, 2018, the Company's matching contribution calculation was based on the higher of (1) 50% of each participant's pre-tax contributions up to 6% of the participants' compensation up to an annual maximum cap of \$3,500 or (2) 200% of each participant's pre-tax contributions of the first \$500 of employee contributions, plus 100% of each participant's pre-tax contributions on the next \$500 of employee contribution for an annual maximum cap of \$1,500. The Company's matching contributions are calculated at the end of the Plan year and are remitted to the Plan in the subsequent year.

The Company may also make a discretionary profit-sharing contribution. Participants must be employed at the end of the Plan year and have completed six months of service to be eligible for the employer discretionary profit-sharing contribution allocation. Employer contributions are subject to certain limitations. No discretionary profit-sharing contributions were declared by the Company in for the year ended December 31, 2018.

Participant Accounts

Each participant account is credited for the participant's contributions, the Company's matching

Rose Companies Employer 401(k) Plan

Notes to Financial Statements

and discretionary contributions and Plan earnings thereon, and charged with an allocation of the Plan's expenses. Allocations are based on the participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A maximum of one loan can be outstanding at any one time and loans are repayable over one to five years, unless used to acquire a principal residence. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator. Interest rates ranged from 4.25% to 6.25% on loans outstanding at December 31, 2018 and 2017. Principal and interest is paid ratably through payroll deductions.

Investment Options

Participants must direct contributions into various options as made available and determined by Plan management. Participants may elect to change their contribution percentage daily and may elect to change their investment options and invested contributions from one fund to another daily.

Benefit Payments

Upon termination of service, attainment of normal retirement age 65, disability, or death, a participant may elect to receive distributions as a lump-sum or installment distribution equal to his or her vested account balance. Mandatory or involuntary distributions shall be made for a terminated participant with an account balance below \$1,000. Participants who have attained age of 59½ may withdraw all or part of their account as defined by the Plan. Hardship withdrawals, as defined by the Plan, are also available to participants.

Administrative Expenses

All expenses of maintaining the Plan are paid by the Plan or the Company, at the discretion of the Company.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Rose Companies Employer 401(k) Plan

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Benefit payments

Benefits are recorded when paid.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate and market fluctuations. Due to the level of risk associated with certain investment securities, as well as the level of uncertainty related to changes in the value of the investment securities, it is at least reasonably possible that changes in investment values in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The Plan administrator has evaluated subsequent events for potential recognition and/or disclosure through January 10, 2020, which is the date the financial statements were available to be issued.

3. Information Certified and Provided by Reliance Trust Company

All investment and notes receivable from participants information disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2018 and 2017, and the net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2018, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the Plan's trustee. The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Rose Companies Employer 401(k) Plan

Notes to Financial Statements

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, defines fair value and provides guidance for measuring fair value and expands disclosures about fair value measurements in accordance with accounting principles generally accepted in the United States of America. *Fair Value Measurements and Disclosures* does not require any new fair value measurements, but rather applies to all other accounting pronouncements that require or permit fair value measurements.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2018.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust: The Plan's investments in a common/collective trust is valued using net asset value (NAV) as a practical expedient, as reported by the trustee, based on the underlying investments. The common/collective trust provides for daily redemptions by the Plan at the reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date.

Rose Companies Employer 401(k) Plan

Notes to Financial Statements

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

<i>December 31, 2018</i>	Fair Value Measurements at Reporting Date Using			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 16,151,404	\$ -	\$ -	\$ 16,151,404
Assets measured at NAV (a)				1,378,367
Total Assets	\$ 16,151,403	\$ -	\$ -	\$ 17,529,771

<i>December 31, 2017</i>	Fair Value Measurements at Reporting Date Using			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 10,321,062	\$ -	\$ -	\$ 10,321,062
Assets measured at NAV (a)				166,073
Total Assets	\$ 10,321,062	\$ -	\$ -	\$ 10,487,135

(a) In accordance with FASB Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

5. Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time, subject to Plan and ERISA provisions. The assets then remaining in the Plan will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

6. Tax Status

Effective January 1, 2017, the Plan adopted a standardized form of a prototype plan sponsored by Reliance Trust Company. The prototype plan received a favorable opinion letter from the Internal Revenue Service as to the plan's qualified status dated April 10, 2015. The prototype plan's opinion letter has been relied upon by the Plan. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed, and currently being operated, in compliance with the applicable requirements of the Internal Revenue Code. No provision for income taxes has been included in the Plan's financial statements.

Rose Companies Employer 401(k) Plan

Notes to Financial Statements

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Transactions with Parties-In-Interest

Certain Plan investments are shares of mutual funds and a common/collective trust managed by T. Rowe Price., the recordkeeper of the Plan assets. Accordingly, these transactions qualify as allowable party-in-interest transactions under ERISA. Administrative expenses paid to T. Rowe Price totaled approximately \$55,100 for the year ended December 31, 2018.

8. Prohibited Transactions

During the year ended December 31, 2018, the Plan sponsor failed to deposit \$7,034 of participant deferrals and loan repayments within the required timeframe as prescribed by the United States Department of Labor (DOL) regulations. The Plan sponsor corrected these delinquent participant deferrals and loan repayments and reimbursed the Plan for lost interest and earnings in 2019. The Plan intends to file Form 5330 and pay the applicable excise tax in 2020. The excise tax payments will be made from the Plan sponsor's assets and not from assets of the Plan.

During the year ended December 31, 2017, the Plan sponsor failed to deposit \$6,311 of participant deferrals within the required timeframe as prescribed by the United States Department of Labor (DOL) regulations. The Plan sponsor reimbursed the Plan for lost interest and intends to file Form 5330 and pay the applicable excise tax in 2020. The excise tax payments will be made from the Plan sponsor's assets and not from assets of the Plan.
