J D Equipment, Inc. Retirement Savings Plan
New Albany, Ohio

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the J D Equipment, Inc. Retirement Savings Plan (the Plan), which comprise the statements of net assets available for benefits as of December 2, 2019 (in liquidation) and December 31, 2018 (ongoing), and the related statement of changes in net assets available for benefits in liquidation for the period ended December 2, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Huntington National Bank, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee held the Plan's investment assets and executed investment transactions. The plan administrator has obtained a certification from the trustee as of December 2, 2019 and December 31, 2018 and for the period ended December 2, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Plan Termination and Liquidation Basis of Accounting

As described in Note 1 to the financial statements, the board of directors approved a plan of liquidation on February 28, 2019, and management determined liquidation was imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2018 financial statements to the liquidation basis used in presenting the 2019 financial statements. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF PLAN:

The following description of the J D Equipment, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

J D Equipment, Inc. maintained a defined contribution plan covering all eligible employees of J D Equipment, Inc., J D Equipment Transit, LTD, J D Power Systems, LLC, Finton Equipment LLC and Cahall Bros., Inc. (collectively, the Employer). Employees who had completed two months of service (165 hours of employment during a two-month period) and were at least 19 years of age were eligible to participate. Eligible employees could enter the Plan on the first day of each month of the Plan year. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan termination

On December 11, 2018, J D Equipment, Inc. was acquired by Ag-Pro and participants became eligible to participate in Ag-Pro's retirement plan. Effective February 28, 2019, the Plan was amended to terminate due to this acquisition. All participants became fully vested in their account balances. All benefits were distributed and paid to participants by December 2, 2019.

Contributions

Prior to termination, participants could contribute up to 100% of their annual compensation to the Plan and 90% of any bonus compensation, subject to certain limitations established by law. Additionally, participants were permitted to make elective Roth contributions to the Plan. Participants could also contribute rollover contributions representing distributions from other qualified plans. Participants who reached age 50 could elect to make catch-up contributions.

The Plan document stipulated a discretionary Employer matching contribution could be made to the Plan. Those contributions ceased on December 11, 2018. A participant had to meet certain requirements to receive an Employer contribution.

Participant accounts

Each participant's account was credited with the participant's contributions, related Employer matching contributions and Plan earnings. Income of each investment fund (including appreciation and depreciation in fair value of each fund) was allocated daily to participant accounts based upon the ratio of each participant's account to the total of each investment fund balance. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Effective February 28, 2019, the Plan was terminated and participants were immediately vested in their contributions, Employer matching contributions plus actual earnings thereon, upon termination of the Plan. Prior to Plan termination, participants were immediately vested in their voluntary contributions and actual earnings thereon. Vesting in the remainder of their accounts was based upon years of continuous service. A participant was 20% vested after two years of credited service, 40% vested after three years of credited service, 60% vested after four years of credited service, 80% vested after five years of credited service and 100% vested after six years of credited service.

Participant notes receivable

Participants could borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever was less. Note terms could not exceed 5 years or 15 years for the purchase of a primary residence. The notes were secured by the balance in the participant's account and bore interest at rates commensurate with the local prevailing rates, as determined by the Plan administrator. Principal and interest was paid ratably through payroll deductions.

Payment of benefits

In accordance with the Plan agreement, a participant could receive the vested value of their account upon attainment of age 59½, retirement, total disability or termination. Upon the death of a participant, the beneficiary was entitled to the full value of the account. Distributions were made in lump sum payments if the vested account balance was \$1,000 or less. If the vested account balance was in excess of \$1,000, the participant or his or her beneficiary could elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or could purchase an individual retirement account or annuity. If the vested account balance was between \$1,000 and \$5,000 and the participant did not elect a payment option, the distribution was paid to an individual retirement account set up on behalf of the participant. The nonvested portion of the account was treated as a forfeiture.

Before a participant attained the normal retirement age or termination, he or she could elect to withdraw any or all of his or her before-tax contributions and vested portions of Employer contributions in the event of financial hardship (as defined). The plan administrator had to approve all hardship withdrawals.

Forfeited accounts

Forfeitures were used first to restore balances of participants who were rehired and had forfeited balances, then to pay Plan expenses and then to reduce Employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**Basis of accounting**

As discussed in Note 1, the Plan sponsor terminated the Plan effective February 28, 2019. As a result, the Plan changed its basis of accounting for the period ended December 2, 2019 from the going concern basis to the liquidation basis.

Investment valuation and income recognition

The Plan's investments were reported at fair value. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities were recorded on the trade date basis. Interest and dividend income was recorded on the accrual basis. Net appreciation (depreciation) included the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant notes receivable

Participant notes receivable were measured at their unpaid principal balance plus any accrued but unpaid interest. Upon default (as defined), the plan administrator treated the default as a distribution and offset the outstanding balance of the note against the participants' vested account balance.

Payment of benefits

Benefit payments were recognized when paid.

Administrative expenses

Certain administrative expenses were paid by the Employer and were excluded from these financial statements. Fees related to administration, notes receivable, and distributions were charged to participants' accounts and are included in administrative expenses.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

Plan management elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Huntington National Bank, the trustee, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 2, 2019 (in liquidation) and December 31, 2018 (ongoing) and the related investment activity reflected in the statement of changes in net assets available for benefits in liquidation for the period ended December 2, 2019.

4. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that was significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2018 (ongoing).

- Money market fund: Valued at observable market acquisitions for identical assets and are priced on a daily basis.
- Mutual funds: Valued at the quoted net asset value (NAV) of shares held by the Plan at year-end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 (ongoing):

Assets at Fair Value at December 31, 2018

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market fund	\$ 59,099	-	-	59,099
Mutual funds	<u>10,162,423</u>	<u>-</u>	<u>-</u>	<u>10,162,423</u>
Investments, at fair value	\$ <u>10,221,522</u>	<u>-</u>	<u>-</u>	<u>10,221,522</u>

5. TAX STATUS:

The Employer adopted a prototype plan of Huntington National Bank, which obtained its latest opinion letter on March 31, 2014. In that opinion letter, the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan was amended since receiving the opinion letter, the Plan administrator believed that the Plan was designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments were managed by and administrative services were performed by Huntington National Bank, the trustee of the Plan. Therefore, transactions involving those investments and services qualified as party-in-interest transactions.

7. FORFEITED ACCOUNTS:

Forfeited nonvested accounts totaled \$0 and \$3,564 as of December 2, 2019 (in liquidation) and December 31, 2018 (ongoing), respectively. Forfeitures of \$4,048 were used to pay Plan expenses during the period ended December 2, 2019 (in liquidation).
