Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Contractors Retirement Plan sponsored by Guttridge Plumbing, Inc. (modified cash basis) as of December 31, 2017 and the changes in net assets available for benefits (modified cash basis) for the year then ended, in accordance with the modified cash basis of accounting described in Note B.

Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Compiled Financial Statements

Plan management is responsible for the accompanying statement of The Contractors Retirement Plan sponsored by Guttridge Plumbing, Inc., which comprises the statement of net assets available for benefits (modified cash basis) as of December 31, 2016. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

A. DESCRIPTION OF PLAN

The following description of The Contractors Retirement Plan sponsored by Gutridge Plumbing, Inc. (Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was formed on January 1, 2011, was restated April 30, 2016 upon adoption of The Contractors Retirement Plan and is a profit sharing plan which contains a cash or deferred arrangement pursuant to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

Eligible individuals consist of employees rendering services for Gutridge Plumbing, Inc. on contracts subject to the Davis-Bacon Act, Service Contract Act or other federal, state or municipal prevailing wage laws. Other employees whose services are not subject to such prevailing wage laws may be included.

Contributions

Prevailing wage contributions, determined by the employer based on rates that satisfy the wage determination issued by the governmental agency responsible for certain contracts are allowed under the Plan. Contributions may also be made for employees who are not subject to such prevailing wage laws, at rates determined by the employer. Such contributions cannot exceed the lesser of 100% of the employee's compensation or \$54,000 for a year.

Participant Accounts

Each participant's account is credited with the participant's elective deferral and an allocation of the employer's contribution. Each participant has the authority to direct the investment of their account to one or more of the investment funds designated as investment options by the Plan sponsor. Investment gain or loss is recognized in participants' accounts on a daily basis as the unit values of the funds change. The benefit to which a participant is entitled is the benefit that can be provided from the distributable value of the participant's account.

A. DESCRIPTION OF PLAN – Continued

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the modified cash basis of accounting and present net assets available for benefits and changes in those net assets. Under the modified cash basis of accounting utilized, employer contributions are recognized when received rather than when accrued by the employer. In addition, benefit payments to participants are recorded when paid and administrative expenses are accrued monthly by the Plan.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The plan provides for investments in various investment securities, which in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements and supplemental schedule.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of the Plan's interest in the Trust (as defined in note D) is based on the beginning of year value of the Plan's interest in the Trust plus actual contributions and allocated investment incomes less actual distributions and allocated administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Investment Valuation and Income Recognition - Continued

Management fees and expenses charged to the Plan for some investment accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Risks and Uncertainties

The plan provides for investments in various investment securities, which in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements and supplemental schedule.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of the Plan's interest in the Trust (as defined in note D) is based on the beginning of year value of the Plan's interest in the Trust plus actual contributions and allocated investment incomes less actual distributions and allocated administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and expenses charged to the Plan for some investment accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Benefit Payments

Benefits to participants are recorded by the Plan when actual payment is made.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Expenses

Certain expenses of maintain the Plan are paid directly by the Company and are excluded from these financial statements.

Adoption of Accounting Policy

Effective January 1, 2017, the Plan elected to adopt ASU 2015-07 “Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent),” which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the NAV per share as a practical expedient.

Subsequent Events

Management of the plan has evaluated subsequent events for disclosure and/or recognition through February 17, 2020, which is the date the financial statements were available to be issued.

C. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the Plan at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted market prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets and liabilities that are not active

**THE CONTRACTORS RETIREMENT PLAN

**NOTES TO FINANCIAL STATEMENTS – CONTINUED
(Modified Cash Basis)**

C. FAIR VALUE MEASUREMENTS – Continued

- Observable inputs other than quoted prices that are used in the valuation of assets or liabilities (e.g. interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the assets or liabilities (i.e., supported by little or no market activity). Level 3 inputs include management’s own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. The Plan changed the method used to measure fair value to the Net Asset Value (NAV) as a practical expedient for the year ended December 31, 2017.

Group Trust - 103-12 Investment Entity: The investment is valued based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The Net Asset Value (“NAV”) is based on the market value of the underlying investments. The NAV is not a publicly quoted price in an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflected of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments, at fair value, that are valued using NAV as a practical expedient totaled \$1,963,688 and \$1,593,812 (unaudited) at December 31, 2017 and 2016, respectively.

D. INVESTMENT IN RETIREMENT PLAN GROUP TRUST

The Plan invests in a group trust, The Contractors Retirement Plan Master Trust (Trust), sponsored by Fringe Benefit Group, Inc. Under the terms of the plan document, all assets of the Plan are maintained in the Trust.

The Trust files a Form 5500 as a 103-12 Investment Entity.

The Contractors Retirement Plan Master Trust does not meet the definition of a master trust as that term is most commonly used. The Plan's investment in the Trust represents the allocated net portion of the Trust that is attributable to The Contractors Retirement Plan sponsored by Gutridge Plumbing, Inc., and includes all of the Plan's investments. The Plan's share of the net assets of the Trust is based on the underlying participant account values including the effects of contributions, allocated net investment income, withdrawals, and allocated administrative expenses. Net investment income, gains and losses are allocated to participating plans on a daily basis based on participants' investment choices. At December 31, 2017 and December 31, 2016, the Plan's interest in the net assets of the Trust was less than 1%.

The following presents the fair value of investments of the Trust:

	December 31,	
	2017	2016
Investments, at Fair Value		
Pooled Separate Accounts	\$ 980,700,783	\$ 282,485,798
Collective Trusts	46,495,403	566,287,810
Insurance Company General Account	20,884,329	20,493,495
Cash and Cash Equivalents	3,556,472	2,996,671
	<u>\$1,051,636,987</u>	<u>\$ 872,263,774</u>

Investment income for the Trust for the year ended December 31, 2017 is as follows:

Investment Income	
Net Appreciation in Fair Value of Investments	\$ 129,454,244
	<u>\$ 129,454,244</u>

D. INVESTMENT IN RETIREMENT PLAN GROUP TRUST – Continued

The investments held in the Trust are stated at fair value. Investments are values based on unit values as reported to the Trust by insurance companies holding assets for the Trust. Certain agreements with insurance companies holding the Trust's assets include provisions for withdrawals/surrender fees of up to 5% for participants with less than three years of participation in the Trust. These fees were normally charged against the participant's account immediately prior to withdrawal.

E. BENEFIT PAYMENTS

At December 31, 2017, there were no account balances of participants who have elected to withdraw from the Plan but have not been paid.

F. RELATED-PARTY TRANSACTIONS

The Plan is part of a Trust whose recordkeeper and Master Plan Sponsor is Fringe Benefit Group, Inc. Various administrative expenses and asset charges of the Trust are paid to Fringe Benefit Group, Inc. and are allocated to the Plan reducing the net investment income.

G. INTERNAL REVENUE SERVICE STATUS

The Master Plan obtained its latest opinion letter, dated November 1, 2016, in which the Internal Revenue Service stated that the Master Plan was in compliance with the applicable requirements of the Code. Such an opinion is not a determination as to whether The Contractors Retirement Plan sponsored by Guttridge Plumbing, Inc. qualifies under Code Section 401(a). However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, they believe the Plan was qualified as of the financial statement date. The Plan follows the provisions of FASB ASC 740, *Accounting for Uncertainty in Income Taxes*. The Plan Administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2014.

H. SUBSEQUENT EVENTS

Effective January 1, 2018, the Plan Sponsor amended the Plan's name to K.E. Guttridge, LLC.
