INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Pipefitters and Plumbers Local 524
Pension and Annuity Plan

Report on the Financial Statements

We have audited the accompanying financial statements of the Pipefitters and Plumbers Local 524 Pension and Annuity Plan (the Plan), which comprise the Statements of Net Assets Available for Benefits (modified cash basis) as of June 30, 2019 and 2018, and the related Statements of Changes in Net Assets Available for Benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2019 and 2018, and the changes in net assets available for benefits for the years then ended, in accordance with the modified cash basis of accounting as described in Note 2.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is the basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2019 is presented for the purpose of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information and the Schedule of Administrative Expenses are the responsibility of the Plan's management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

PIPEFITTERS AND PLUMBERS LOCAL 524
PENSION AND ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of the Pipefitters and Plumbers Local 524 Pension and Annuity Plan (the Plan), as amended, provides only general information. Participants should refer to the Plan agreement for more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all members of the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry Local Union 524 (Union), employed under the terms of the collective bargaining agreement with the members of the Mechanical Contractors Association of Northeastern Pennsylvania, Inc. (Association). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions:

The amount to be contributed to the Plan for a participant is determined by the collective bargaining agreement covering the individual participant.

Employers contribute to the Plan \$4.25 for each hour worked and \$8.50 per hour for all hours worked as overtime and double-time by Plan participants. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions).

Participants accounts:

Each participant's account is credited with the employer contributions and allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participants transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are 100 percent vested in their account balance upon their Entry Date.

See Independent Auditors' Report.

PIPEFITTERS AND PLUMBERS LOCAL 524
PENSION AND ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Benefits:

The Participant's individual account will be paid upon the Participant's retirement, total and permanent disability, severance from covered employment, pre-retirement death, or, in the case of certain Participants returning from military service, upon the completion of a fixed number of years of service.

Participant-Directed Investment Program:

The Plan has adopted a participant-directed investment program. Under this program, participants are allowed to invest their funds in various mutual funds and a common collective trust. Administrative expenses of the Plan are deducted from the individual's account.

Note 2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting:

The accompanying financial statements are prepared on the modified cash basis of accounting with revenue recognized when received and expenses as paid. However, investments are reported at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the plan in accordance with accounting principles generally accepted in the United States.

Revenue from employer contributions is determined by hours of work reported by participating employers and the contractual employer contribution rates in effect. Employer contributions are included in revenue during the period in which the employer contribution is received.

See Independent Auditors' Report.

PIPEFITTERS AND PLUMBERS LOCAL 524
PENSION AND ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Quoted market prices are used to value investments whenever possible. The Plan's investment in stable value funds held as a group annuity contract are reported at contract value, which represents the actual amount that the participants will receive upon liquidation.

The Plan presents in the Statement of Changes in Net Assets the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the cash basis. The investment income credited to the pooled separate accounts is included in the net appreciation in fair value of investments.

Operating Expenses:

All expenses of maintaining the plan are paid by the Plan.

Note 2. Summary of Significant Accounting Policies (Continued)

Reciprocal Contributions, Payments and Agreements:

Reciprocal contributions represent payments received from other local retirement benefit plans for work performed by plan participants out of the local union's area of operation. Reciprocal payments represent contributions received from participating employers for members of other local unions that are paid to other local benefit plans.

The benefit fund of each local enters into the Plumbers and Pipefitters National Pension Fund Reciprocity Contract or the United Association Reciprocal Agreement to allow the contributions to be transferred to the employee's home benefit fund. The agreement determines the amount of contributions that will be transferred to or from the benefit fund. The participant must sign an authorization to transfer the contributions to the participant's home benefit fund.

Note 3. Plan Termination

Although they have not expressed any intent to do so, the Trustees have the right under the Plan to discontinue contributions and terminate the Plan, subject to the provisions of ERISA.

In the event of termination, partial termination, or discontinuance of the Plan, each participant and beneficiary shall have a fully vested 100% non-forfeitable interest in his account and would receive a distribution equal to the value of his account. In no event shall any funds ever revert to the union or any employer.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

See Independent Auditors' Report.

PIPEFITTERS AND PLUMBERS LOCAL 524
PENSION AND ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's and liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2019 and 2018.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Value relates to the net asset value share in the money market fund held by the Plan.

Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. These methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

See Independent Auditors' Report.

There were no significant transfers of investments between levels during the year ended June 30, 2019.

Investments Measured Using the Net Asset Value per Share Practical Expedient.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2019 and 2018, respectively. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

June 30, 2019	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common Collective Trust	\$11,583,580	N/A	Daily	12 months
June 30, 2018	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common Collective Trust	\$11,537,720	N/A	Daily	12 months

Common Collective Trust: The Morley Stable Value Fund (SVF) is a collective investment trust maintained by Principal Global Investors Trust Company (PGI Trust Co.). PGI Trust Co. serves as the Trustee and has retained Morley Capital Management (MCM) to serve as investment adviser. The Fund primarily consists of a diversified portfolio of stable value investment contracts issued by life insurance companies, banks and other financial institutions. Plan management believes the occurrence of events and circumstances that would cause the SVF to transact at less than contract value is not probable. In determining the reasonableness of the methodology used to value the common/collective trust, the Trustees of the plan have engaged Wells Fargo Bank to monitor the valuation methods employed to compare this to other similarly situated investments.

Note 5. Tax Status

The Plan obtained its latest determination letter on November 18, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 5. Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to June 30, 2017.

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7. Related Party Transactions

Certain assets of the Plan are managed by Wells Fargo Bank, National Association, the record keeper and custodian as defined by the Plan. These transactions qualify as party-in-interest transactions.

The Plan is under the control of a Board of Trustees comprised of participating union members and employers. Participant accounts are maintained by Wells Fargo Bank. Administrative expenses are paid by the Plan.

Certain administrative functions are performed by officers and employees of the Union and employees of the United Association Local Union 524 Health and Welfare Fund. No such officer or employee receives compensation from the Plan.
