We have audited the accompanying financial statements of Matheson Trucking Health and Welfare Plan (the Plan), which comprise the statements of net assets available for benefits and of Plan's benefit obligations as of December 31, 2018 and 2017 and the related statements of changes in net assets available for benefits and of changes in Plan's benefit obligations for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Trustee and Plan Administrator
Matheson Trucking Health and Welfare Plan

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of December 31, 2018 and 2017 and the changes in financial status for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 DESCRIPTION OF PLAN

The following description of Matheson Trucking Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2013 to provide health and other benefits to eligible employees of Matheson Trucking, Inc. (the Company) and covered dependents. Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Full-time Trucking employees of the Company who are regularly scheduled to work at least 30 hours per week are eligible to participate and are covered the first day of the month following their date of hire. Full-time Postal and Flight Extender employees who are regularly scheduled at least 30 hours per week are eligible to participate and are covered the first day of the month following 60 days from their date of hire.

Contributions

The Company makes contributions to the Plan as needed to fund claims for Trucking employees. For Postal and Flight Extender employees covered under the Service Contract Act, the Company contributes to the Plan based on an hourly funding formula. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections and to extend coverage to their eligible dependents. Participants pay the full cost of dental and vision coverage, supplemental and dependent life insurance and supplemental accidental death and dismemberment insurance programs based on the current group rate premium costs. These contributions are deducted monthly from the employees' wages, however for all employees not covered by the Service Contract Act, such contributions are not separated from employer contributions when remitted to the Trust and are therefore included in Employer Contributions on the Statements of Changes in Net Assets Available for Benefits. The Company pays the full cost of basic life insurance and basic accidental death and dismemberment insurance for eligible employees enrolled in medical coverage.

Terminated, retired, and totally disabled participants electing continued coverage contribute monthly amounts as provided by the Plan.

Benefits

The Plan provides health benefits (medical, prescription drug, dental and vision coverage) life insurance, short and long-term disability benefits, and accidental death and dismemberment benefits to eligible members and to their dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Self-Insured Benefits

The Plan provides health benefits including medical, major medical, hospital, surgical, dental and vision services to eligible employees of the Company and to their covered dependents. Claims for these benefits are subject to various deductible and co-payment amounts. The Plan provides these benefits on a self-funded basis, subject to a stop loss limit. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and then are reimbursed by either the Plan's VEBA trust or the general assets of the Company. Despite the Plan's utilization of third-party claims' processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Insured Benefits

The Plan fully insures life insurance benefits (basic, supplemental, and dependent), accidental death and disability benefits (basic, supplemental, and spousal), and short-term disability and long-term disability benefits. The Plan purchases annual insurance contracts for these insured benefits. Premiums for basic life insurance and basic accidental death and dismemberment insurance programs are paid by the Company. Premiums for all other insured benefits are paid through payroll deductions from the employees.

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Flexible Spending Account

The Plan has a flexible spending account (FSA) that is funded solely through employee contributions and managed by a third party service provider. The FSA allows eligible participants to be reimbursed tax free for qualified medical expenses and qualified dependent care costs subject to a maximum annual amount of $2,500 and $5,000, respectively. FSA participants have an additional 2 ½ month grace period of time to submit expenses after the Plan year end.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Health Savings Accounts

The Plan offers a health savings account (HSA) arrangement that is funded solely through employee contributions and funds are remitted to and managed by a third party service provider. The HSA permits eligible participants to contribute amounts on a pre-tax basis (up to annual IRS limits) through payroll deductions and allows tax-free growth of HSA balances as long as funds are used to pay for qualified medical expenses. Funds within the HSA arrangement are owned by the individual participant, roll over from year to year if unspent, are not subject to vesting requirements or forfeiture provisions and are portable upon termination once the employee leaves the Company.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan's cash balances are held at two financial institutions located in California. Accounts at these institutions are insured by a government agency up to $250,000. At times the balances in these accounts may exceed the insured limit.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits.

Premiums paid through either the Company's general assets or the VEBA trust are recorded as premium payments in the accompanying the statements of changes in net assets available for benefits.

Administrative Expenses

All administrative expenses may be paid out of the Plan unless paid by the Company. During the years ended December 31, 2018 and 2017, the Plan paid for substantially all administrative expenses, which consisted of claims administration fees (ASO), broker fees and other miscellaneous expenses.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Refunds

Refunds are recorded when earned. Refunds due as of the financial statement date are reported as a receivable, with the offset being netted against claims paid. Prescription refunds of $44,073 and $38,233 for the years ended December 31, 2018 and 2017 respectively, have been netted against claims paid. Pharmacy rebates of $126,284 and $66,794 for the years ended December 31, 2018 and 2017 respectively, have been netted against claims paid.

Flexible Spending Account

Unused contributions are forfeited each March 31 in accordance with Plan provisions. Forfeitures related to medical expenses were $700 and $1,997 for the years ended December 31, 2018 and 2017, respectively.

Subsequent Events

The Plan has evaluated subsequent events through March 12, 2020, the date the financial statements were available to be issued.

NOTE 3 BENEFIT OBLIGATIONS

The Plan self-funds medical, prescription and dental benefits provided to participants but insures life, accidental death and dismemberment, and short-term and long-term disability benefits. As of each December 31, there are self-funded claims that have been incurred on which benefit payments will be made subsequent to that date. The liability for claims payable and claims incurred but not reported (IBNR) was estimated by developing completion factor using the claims patterns, claims trend rates, and actual lag patterns data provided by the Plan's claims processor for prior 24 months and applying the factor to the claims that were paid for each insurable month. These amounts are paid by the Plan only if claims are ultimately submitted and approved for payment.

NOTE 4 STOP LOSS COVERAGE

During the years ended December 31, 2018 and 2017, the Plan maintained a stop loss insurance policy with HCC Life Insurance Company. The policy provides reimbursement to the Plan for claim amounts paid in excess of $125,000 and $110,000 per year for each participant for the years ended December 31, 2018 and 2017, respectively. During the years ended December 31, 2018 and 2017, the Plan submitted evidence for stop loss recoveries of $302,309 and $334,544 and was reimbursed for $289,537 and $231,510 in stop loss recoveries, respectively, which are netted against payments for medical and dental claims paid in the accompanying statements of changes in net assets available for benefits. Stop loss receivables total $12,772 and $103,034 as of December 31, 2018 and 2017.

NOTE 5 DUE TO THE COMPANY

Certain claim payments, insurance premiums and administrative expenses associated with Service Contract Act employees for which contributions are made based upon an hourly funding formula were paid from the general assets of the Company rather than through the VEBA trust account. This effectuated a duplication of payments and a resulting amount due back to the Company for these additional payments. The Plan Administrator, in consultation with ERISA counsel, has determined the amount of such overpayment and it is reflected on the statement of net assets available for benefits as a liability of the Plan. The Plan Administrator intends to return these funds to the Company in the upcoming Plan year.

Subsequent to the year ended December 31, 2018, the Plan Administrator converted the amount due to the Company into a formal note payable to the Company and the note was paid in full on June 27, 2019.

NOTE 6 TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan received an exemption letter dated June 29, 2016 indicating the Plan is exempt from federal income tax under section 501(c)(9) of the Internal Revenue Code. Subsequent to the exemption letter date, the Plan administrator received a notice from the IRS stating effective May 15, 2018, the Plan's tax-exempt status was revoked by the IRS due to the Plan's failure to file required tax returns for three consecutive years. Subsequent to the year ended December 31, 2018, the Trustee and the Plan administrator filed the Form 1024 with the IRS, requesting to re-instate the Plan’s tax-exempt status and on February 13, 2020, the IRS approved the request for reinstatement, granting exemption as of May 15, 2018, the date of prior revocation. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E), as described above. The Plan had no investment income during the Plan years ended December 31, 2018 and 2017.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

As described in Notes 1 and 2, the Plan has arrangements with several service providers. These transactions qualify as party in interest transactions, which are exempt from the prohibited transaction rules of ERISA.

NOTE 9 RISKS AND UNCERTAINTIES

The liability for claims payable and claims incurred but not reported (IBNR) was estimated by applying claims completion factors for the prior 24 months claims patterns, claims trend rates, and actual lag patterns of the Plan. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
