Notes to Financial Statements
December 31, 2017 and 2016

NOTE A – PLAN DESCRIPTION

The following description of the Millennium Management, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

GENERAL
The Plan is a defined contribution plan covering substantially all employees of Millennium Management, Inc. (the "Company"). The original Plan became effective January 1, 2011, was amended January 1, 2014, and most recently amended effective March 16, 2017 to allow for hardship withdrawals. The provisions of the Plan are included in the official Plan Document, which legally governs the operations of the Plan and is available for more detailed information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

ELIGIBILITY
Covered employees who are age 21 or older and complete 2 consecutive months of service may elect to enter the Plan. In general, covered employees may enter the Plan on the first day of the month coinciding with or next following the date on which they satisfy the eligibility requirements.

PARTICIPANT AND COMPANY CONTRIBUTIONS
Employees meeting the eligibility requirements may elect to contribute between 1% and 92% of their eligible compensation to the Plan, either in pre-tax contributions, or in after-tax Roth contributions, up to the maximum allowed under the Internal Revenue Code ("IRC"). Participants who have attained age 50 or more before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover contributions to the Plan using amounts distributed to them from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

In addition, the Plan allows for discretionary profit-sharing Company contributions. Participants are eligible for the discretionary profit-sharing contributions if they have completed 1 year of service and are employed on the last day of the Plan Year. There were no discretionary profit-sharing Company contributions for the years ended December 31, 2017, and 2016. Any employer contributions would be invested as directed by the participant. All contributions are subject to Internal Revenue Service (IRS) limitations.

PARTICIPANT ACCOUNTS
Each participant's account is credited with the participant's contributions and allocations of (a) any employer contributions, and (b) Plan earnings or losses and may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING
Participants are immediately 100% vested in their elective (voluntary) contributions and rollover contributions and any income or loss thereon. In addition, a participant becomes fully vested upon death or disability. Vesting in Company contributions is based on years of continuous service. A participant is 100% vested after 3 years of service.

NOTES RECEIVABLE FROM PARTICIPANTS
Participants may borrow from their accounts up to the lesser of 50% of the participant's vested account balance or $50,000, with a minimum of $1,000. Repayment of loans shall not exceed five years except for loans used to acquire the participant's principal residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percentage point. Principal and interest is paid ratably through regular payroll deductions.

NOTE A – PLAN DESCRIPTION – Cont.

BENEFIT PAYMENTS
Distribution of benefits are defined in the Plan document. Generally, distributions may be made upon retirement, total and permanent disability, reaching fifty-nine and one half years of age, or termination of employment. Participants or beneficiaries receive, upon request, either a lump-sum payment or any other form of payment that may be permitted under the Plan. Withdrawals in the case of a financial hardship are permitted.

FORFEITED ACCOUNTS
Non-vested portions of participant accounts, if any, are forfeited upon termination of employment. Forfeited accounts may be used to reduce any employer contributions. There were no forfeitures at December 31, 2017 or 2016. No forfeitures were utilized during the 2017 Plan year.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING
The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017, or 2016. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

EXCESS CONTRIBUTIONS PAYABLE
Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2016 excess contributions to the applicable participants before March 15, 2017. There were no excess contributions for the 2017 Plan year.

PAYMENT OF BENEFITS
Benefit payments to participants are recorded when paid.

OPERATING EXPENSES
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation of the fair value of investments.

NOTE B – SUMMARY OF ACCOUNTING POLICIES – Cont.

DATE OF MANAGEMENT REVIEW
Subsequent events were evaluated through February 19, 2020, which is the date the financial statements were available to be issued. Management is not required to and has not evaluated events or transactions that occurred after February 19, 2020.

NOTE C – UNAUDITED INVESTMENT INFORMATION CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor Rules and Regulations and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the plan's custodian, Mid Atlantic Trust Company, and was not subjected to any auditing procedures performed by the independent public accountants.

a. All investments shown in the accompanying statements of net assets available for benefits.

b. Net investment income from the investments, as shown in the accompanying statement of changes in net assets available for benefits, including dividends and interest income and net realized and unrealized appreciation (depreciation) in the fair value of assets.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation method include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset and liability; and • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE D – FAIR VALUE MEASUREMENTS – Cont.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used by the Plan for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

***Mutual Funds**:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Valued based on quoted prices in active markets for identical securities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2017, and December 31, 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2017

	Level 1	Level 2	Level 3	Total
Money Market Fund	$ 2,912	$ -	$ -	$ 2,912
Mutual Funds	1,550,392	-	-	1,550,392
Total Assets at Fair Value	$ 1,553,304	$ -	$ -	$ 1,553,304

Assets at Fair Value as of December 31, 2016

	Level 1	Level 2	Level 3	Total
Money Market Funds	$ 2,821	$ -	$ -	$ 2,821
Mutual Funds	1,107,895	-	-	1, 107,651
Total Assets at Fair Value	$ 1,110,716	$ -	$ -	$ 1,110,716

There were no transfers between levels for the years ended December 31, 2017, and 2016.

NOTE E – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of mutual funds and a money market account administered by Mid Atlantic Trust Company. As Mid Atlantic Trust Company is the custodian as defined by the Plan these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in the net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Audit fees are paid by the Employer. In addition, the Employer provides certain accounting, administrative and investment management services to the Plan for which it receives no compensation.

NOTE F – TAX STATUS

The Plan, which is a prototype plan sponsored by Paychex, Inc., was granted an opinion letter from the Internal Revenue Service dated April 10, 2014 stating that the Plan document as then designed, was in compliance with Section 401 of the Internal Revenue Code, and, therefore, the underlying trust is not subject to tax under IRC 501(a). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2014.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts including employer contributions.

Re: Request for Penalty Abatement under Reasonable Cause

From: Millennium Management Inc.

Dear Sir/Madam:

I am writing this Letter of Reasonable Cause to request an abatement of any fines or penalties that may be assessed due to the lateness of the filing of the Millennium Management 2017 Form 5500.

The Company has gone through consistent turnover over the past 3 years in the Human Resources and Accounting departments, specifically in leadership positions of these departments.

I was hired as the Company's Controller in September 2019. The Parent Company of Millenium Management Inc. is CoCreativ Holdings LLC. CoCreativ Holdings LLC was selected for 2017 IRS audit in November 2019. One of the items requested for review was the 2017 Form 5500 at which point when requested from Human Resources it was discovered that the 2017 401K audit had not been completed and the Form 5500 had not been filed.

We worked with our auditors at Summit CPA Group to complete the audit and Paychex to complete the Form 5500. I am now filing that completed Form 5500 2017.

I am willing to provide any clarifications that may be required. Please feel free to contact me on my office line at 212-792-2720, on my cell phone at 631-804-9795 or through email at CBruno@industrialcolor.com.

Thank you,

Charles Bruno, Controller
