SEPT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the SEPT 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Southeastern Physical Therapy, Inc. (the Company) who have one month of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to the maximum amount allowed by law of pre-tax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of contributions into various investment options offered by the Plan. The Company may contribute to the Plan any amount that the Company, in its sole discretion, deems advisable.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and charged with certain transaction-related fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 5 years of credited service.

Notes receivable from participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum of $50,000. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates, as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions over periods not to exceed five years.

Payment of benefits

On termination of service, a participant or designated beneficiary may elect to receive all or part of the value of the participant's vested interest in his or her account in a lump sum payment.

Forfeitures

Forfeitures of non-vested account balances of terminated employees are used to pay administrative expenses or reduce employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes in assets and liabilities, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment valuation and income recognition

Investments, consisting solely of money market and mutual funds, are reported at fair value in accordance with a framework established by U.S. GAAP that provides a hierarchy prioritizing the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The Plan's investments in money market and mutual funds are valued at the daily closing price as reported by the funds, which represents the fund's net asset value and the price at which trades are made, and is Level 1 of the fair value hierarchy.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Contributions receivable

Contributions receivable are reported at their face amount and do not bear interest. The Plan administrator believes the balances are fully collectible and has therefore provided no allowance for uncollectible accounts.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Notes receivable in default are deemed to be distributions based on the terms of the Plan.

Benefit payments

Benefits are recorded when paid.

Administrative costs

The Company absorbs substantially all administrative and investment costs of the Plan.

Date of management's review

The Plan administrator has evaluated subsequent events through April 3, 2020, the date on which the financial statements were available to be issued.

NOTE 3 – FORFEITED ACCOUNTS

Forfeited non-vested accounts of $1,793 at December 31, 2017 were used to pay administrative expenses in 2018.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

On August 23, 2018, the Company adopted the Ivy Rehab Network, Inc. 401(k) Plan (Ivy plan). On August 31, 2018, the existing participant balances were transferred from Ascensus Trust Company to Reliance Trust Company, the trustee of the Ivy plan. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Ascensus Trust Company.

	August 31, 2018	December 31, 2017
Investments, at fair value:		
Money market funds	$ -	$ 18,837
Mutual funds	-	1,329,833
Notes receivable from participants	-	39,520
Net investment income	74,708	

NOTE 5 – TAX STATUS

The Internal Revenue Service (IRS) determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and that the related trust is tax-exempt.

In accordance with U.S. GAAP, the Plan administrator has evaluated the Plan's tax positions and determined that they are "more likely than not" to be sustained upon examination by the IRS. Accordingly, no tax liability is reported in these financial statements. The Plan's federal information returns for the years 2015 through 2018 remain subject to examination by the IRS.

NOTE 6 – DELINQUENT PARTICIPANT CONTRIBUTIONS

In August 2017 the Company was acquired by Ivy Rehab Network, Inc. (Ivy). In connection with the change in ownership the Company changed payroll processors in October 2017; however, Ivy did not provide a new ACH authorization to transfer Company funds to the trustee until December 2017. As a result, participant contributions of $49,060 for the October 13, 2017 through December 8, 2017 pay periods were not transmitted to the trustee within the time frame required by Department of Labor regulations. The participant contributions were transmitted to the trustee in January 2018. Ivy utilized the Voluntary Fiduciary Correction Program to calculate lost earnings of $2,295, which were restored to participant accounts in December 2018.
