Independent Auditor's Report

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of McHutchison, Inc. 401(k) Retirement Plan (the Plan), which comprise the statement of net assets available for benefits (liquidation basis) as of June 12, 2018 and the related statement of changes in net assets available for benefits (liquidation basis) for the period then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the asset information summarized in the notes to the financial statements, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the 2018 financial statements. We have been informed by the plan administrator that Reliance Trust Company holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the period ended June 12, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2018 financial statements. Accordingly, we do not express an opinion on the 2018 financial statements referred to in the first paragraph.

Other Matter – 2017 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Reliance Trust Company, the trustee of the Plan. Their report, dated September 5, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2018 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

MCHUTCHISON, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

June 12, 2018 and December 31, 2017

Plan Description

The following description of the McHutchison, Inc. (the Company) 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Termination

During 2017, Dummen Orange purchased the Company. During June 2018, the balances from the Plan, totaling \$16,231,411, were transferred into the Dummen Orange 401(k) Retirement Plan.

General

The Plan is a defined contribution plan covering all employees of the Company who have 90 days of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 50% of pretax annual compensation, as defined in the Plan agreement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The plan also provides for Roth elective deferrals. Participants may also contribute amounts representing distributions from other qualified plans. The Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated fund until changed by the participant.

The Company may make a discretionary matching contribution and a discretionary profit sharing contribution at the election of the Board of Directors. During 2017, the Company made a discretionary matching contribution of \$27,663. No discretionary matching contribution was made for 2018. There were no discretionary profit sharing contributions made during 2018 or 2017. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See Independent Auditor's Report.

Notes to Financial Statements

June 12, 2018 and December 31, 2017

Plan Description (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contribution portions of their accounts, plus actual earnings thereon, is based on continuous years of service according to the following vesting schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Investment Options

A participant may direct all contributions in any of the various investment options offered by the Plan. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with the local prevailing rates as determined by the plan administrator. Loan repayment terms are not to exceed five years, unless the loan will be used by the participant to acquire the participant's principal residence. Principal and interest is paid ratably through semi-monthly payroll deductions.

Payment of Benefits

Upon termination of service due to separation of service, disability or retirement, a participant may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account, or in annual installments. For termination of service due to death of a participant, the beneficiary will receive a lump-sum distribution that will be equal to the participant's account. The participant's account will become fully vested upon the death of the participant. The Plan also provides for in-service distributions of a participant's vested interest in his or her account for employees who reach age 59 ½ while still employed with the Company.

See Independent Auditor's Report.

Notes to Financial Statements June 12, 2018 and December 31, 2017

Plan Description (continued)

Forfeited Accounts

At December 31, 2018 and 2017, forfeited non-vested accounts totaled \$0 and \$38,736, respectively. Forfeitures are used to reduce employer contributions. Forfeitures totaling \$27,663 were used during 2018 to reduce employer contributions accrued as of December 31, 2017.

Summary of Significant Accounting Policies

Basis of Accounting

As a result of the termination of the Plan on June 12, 2018, the Plan's financial statements are presented using the liquidation basis of accounting for the period from January 1, 2018 through June 12, 2018 in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 or 2017. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

See Independent Auditor's Report.

Notes to Financial Statements
June 12, 2018 and December 31, 2017

Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan agreement.

Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Plan's trustee as of December 31, 2017.

Mutual funds	\$ 16,787,367
Common collective trusts	858,521
Interest bearing cash	11,287
Notes receivable from participants	34,730
Total	\$ 17,691,905

The trustee also certified the completeness and accuracy of the following related to the aforementioned assets for the period ending June 12, 2018 and the year ending December 31, 2017:

	2018	2017
Net appreciation in fair value of investments	\$ 595,124	\$ 1,659,109
Dividend and interest income	64,533	1,189,858

Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

Level 1 inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.

See Independent Auditor's Report.

MCHUTCHISON, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

June 12, 2018 and December 31, 2017

Fair Value Measurements (continued)

Level 2 inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.

Level 3 are significant unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 or 2017.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

*Common
Collective
Trusts:*

Valued at the net asset value (NAV) of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See Independent Auditor's Report.

MCHUTCHISON, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements June 12, 2018 and December 31, 2017

Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2017. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,787,367	\$ -	\$ -	\$ 16,787,367
Money market fund	11,287	-	-	11,287
Common collective trust	-	858,521	-	858,521
Total assets at fair value	\$ 16,798,654	\$ 858,521	\$ -	\$ 17,657,175

Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, the participants' accounts will become fully vested. During 2018, the Plan was terminated and all accounts were transferred into the Dummer Orange 401(k) Retirement Plan.

Tax Status

The Company has adopted a non-standardized volume submitter 401(k) profit sharing plan which received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014. The opinion stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan had been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believed that the Plan was currently designed and was being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

See Independent Auditor's Report.

Notes to Financial Statements

June 12, 2018 and December 31, 2017

Transactions with Parties-in-Interest

Certain Plan investments are shares of mutual funds which are managed by Reliance Trust Company (Reliance). Reliance is the trustee of the Plan and therefore, these transactions qualify as party-in-interest. Administrative expenses totaled \$508 and \$272 during 2018 and 2017, respectively.

Subsequent Events

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the financial statements were available to be issued. As previously disclosed, all assets were transferred into the Dummen Orange 401(k) Retirement Plan during June 2018.
