Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Right Way Plumbing Co. 401(k) Profit Sharing Plan & Trust, which comprise the statements of net assets available for benefits as of December 31, 2019 and December 31, 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the custodian as of December 31, 2019 and 2018, and for the year ended December 31, 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

1. Description of Plan

The following description of Right Way Plumbing Co. Profit Sharing Plan & Trust ("Plan"), provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all full-time employees of Right Way Plumbing Co. ("Plan Sponsor"). The Plan was established on January 1, 2005. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is intended to be a qualified defined contribution plan which satisfies the requirements of Section 401(k) of the Internal Revenue Code ("Code"). Under the Code, participants are not liable for federal income taxes on employee contributions, Plan Sponsor contributions, or Plan earnings until such time as they are partially or completely withdrawn from the Plan. The Plan Administrator is responsible for oversight of the Plan. Previous to September 1, 2019 the Plan covered employees who have twelve months of continuous service and are age 21 or older. Effective September 1, 2019, the Plan was amended to cover employees who have 6 months of continuous service and are age 21 or older.

B. Contributions

Each year, participants may elect to contribute pre-tax dollars to the Plan by having their compensation reduced by a maximum of the lesser of (a) 100% of compensation, (b) the IRS defined limit for the year, or (c) such other amount as shall be determined by the plan administrator from time to time as defined in the Plan. Participants may elect to make after-tax contributions to the plan. Upon consent of the plan administrator, participants can also elect a direct rollover of an existing balance from a tax-qualified retirement or saving plan into the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions in addition to the IRS defined limit for the year. Participants may elect to contribute to any of the investment options offered by the Plan's Trustee and may transfer among funds as often as is permitted under the investment alternatives chosen. Participants direct the investment of their allocated share of the Plan Sponsor's contributions into investment options provided by the Plan. The company makes a safe-harbor matching contribution of 100% of employee's elective deferrals of up to 3% of compensation, and 50% employee's elective deferrals more than 3% of compensation up to 5%. For the years ended December 31, 2019 and 2018, the Company's matching contributions totaled approximately $122,000 and $110,000, respectively. The employer did not make profit sharing contributions in 2019 and 2018, respectively.

C. Participants' Accounts

Each participant's account is credited with the participant's, employer safe harbor, and employer profit sharing contributions, as well as allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined.

1. Description of Plan (Continued)

C. Participants' Accounts (Continued)

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are immediately fully vested in their contributions and earnings thereon. The plan also provides for regular safe-harbor matching contributions and discretionary profit-sharing contributions. These contributions are vested based on a 6-year graded vesting schedule and are fully vested after six years of service. A participant's vesting percentage increases to 100% if, while employed with the employer the employee dies or becomes disabled.

E. Forfeited Accounts

The employer may decide in its discretion how to treat forfeitures under the Plan. During the year ended December 31, 2019, no forfeitures were used to offset employer contributions. During the year ended December 31, 2018, the employer used forfeitures of $1,836 to offset the 2018 employer contributions.

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate shall be Prime plus 2%.

G. Payment of Benefits

A participant who terminates employment with a vested account balance exceeding $5,000 may receive a distribution of his/her vested account balance in a lump-sum or in installments following the date the Participant terminates employment. A participant who terminates employment with a vested account balance that does not exceed $5,000 may receive a distribution of his/her vested account balance in a lump-sum or in installments following the date the participant terminates employment. A Participant who terminates employment on account of becoming disabled may receive a distribution of his/her vested account balance in the same manner as a regular distribution upon termination. A participant may take an in-service distribution upon the occurrence of selected events on the attainment of age 59 1/2.

2. Summary of Significant Accounting Policies and Other Information

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor, and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held at the end of the year.

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

> Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
>
> Level 2: Inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets, (b) quoted prices for identical or similar assets or liabilities in inactive markets, (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

2. Summary of Significant Accounting Policies and Other Information (Continued)

C. Investment Valuation and Income Recognition (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts: Valued daily based on the market value of the underlying net assets in each separate account. The majority of the underlying net assets have observable Level 1 and/or 2 quoted pricing inputs which are used to determine the unit value of the PSA which is not publicly quoted. These PSAs are classified as Level 2. The redemption frequency of each of these PSA is daily, and there are no redemption restrictions. There are no unfunded commitments related to the Plan's investment in PSAs.

These methods may produce fair value calculation that may not be indicative of net realizable value or reflective of future fair. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at reporting date.

There have been no changes in the methodologies used at December 31, 2019 and 2018.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

E. Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies and Other Information (Continued)

F. Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

G. Subsequent Events

The plan has evaluated subsequent events through June 9, 2020, the date the financial statements were available to be issued. In December 2019, a novel strain of coronavirus was reported in Wuhan, China. The World Health Organization has declared the outbreak to constitute a "Public Health Emergency of International Concern." The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of COVID-19 on our operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on our customers, employees and vendors all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Plan's financial condition or the Plan Sponsor's results of operations is uncertain. No amendments to the Plan were made because of COVID-19. Management determined that there were no other subsequent events or transactions that require additional disclosure.

3. Investments, at fair value

The December 31, 2019 and 2018, Statement of Net Assets Available for Benefits, the investment activities included on the December 31, 2019 Statement of Changes in Net Assets Available for Benefits, the accompanying notes to the financial statements, and the December 31, 2019, Schedule of Assets (Held at End of Year) were prepared in part or entirely from information certified by the Trustee/Custodian, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan's investments were maintained by the Trustee/Custodian who has certified to the completeness and accuracy of the investments of the Plan as of December 31, 2019 and 2018.

3. Investments, at fair value (Continued)

The following summarized information has been produced from the Custodian's certification without audit:

	2019	2018
Investments, at fair value - Equity	$ 3,226,651	$ 2,787,645
Notes Receivable from participants	$ 53,706	$ 56,083

As of December 31, 2019, three of the Plan's investments options held approximately 70% of the Plan's total investments, respectively. As of December 31, 2018, three of the Plan's investments options held approximately 85% of the Plan's total investments.

In 2019 the Plan's investments, which are comprised primarily of pooled separate accounts, appreciated in value (including gains and losses on investments bought and sold, as well as held during the year) by approximately $435,000. In 2018, the Plan's investments depreciated in value by approximately $127,000.

4. Fair Value Measurements

Following is a description of the valuation methodologies used for assets measured at fair value:

	2019			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 3,226,651	$ -	$ 3,226,651

	2018			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 2,787,645	$ -	$ 2,787,645

5. Related Party Transactions and Party-In-Interest Transactions

The Plan's administrative functions are performed by employees of the Plan Sponsor at no cost to the Plan. Certain Plan administration expenses were absorbed by the Plan Sponsor.

Certain Plan investments are managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the Trustee as defined by the Plan for the years ended December 31, 2019 and 2018, and therefore these transactions qualify as party-in-interest transactions. Fees are incurred by the Plan for investment management services and the Plan makes direct payments to the Trustee for certain administrative expenses (Note F).

6. Tax Status of the Plan

The Plan is exempt from income taxes under Section 401(a) of the Code. The Plan adopted the Prototype Non-Standardized Profit Sharing Plan with a cash and deferral arrangement developed by John Hancock Life Insurance Company, which obtained a favorable IRS determination letter on March 31, 2008, in which the IRS stated that the form of the underlying prototype plan was acceptable under provisions of the Code and that any employer adopting this form of plan will be considered to have a plan qualified under the Code. Subsequent to this determination by the IRS, the Plan has been amended, however the Plan's administrator believes that the Plan is in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been made.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2019, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.

7. Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Reconciliation of Financial Statements to Form 5500

For the years ended December 31, 2019 and 2018, net assets available for benefits per the financial statements of $3,404,610 and $2,953,486, respectively, agree to Form 5500.
