June 17, 2020

To the Plan Sponsor
Kelley Williamson Company Profit Sharing Plan
Rockford, IL

We were engaged to perform a DOL limited scope audit of the financial statements of Kelley Williamson Company Profit Sharing Plan (the "Plan") for the year ended December 31, 2019, and have issued our report thereon dated June 17, 2020. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility Under Auditing Standards Generally Accepted in the United States

As stated in our engagement letter dated January 3, 2020, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States (US GAAS) except that, as permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974* (ERISA) and as instructed by you, we did not perform any auditing procedures with respect to the information prepared and certified by Principal Trust Company (the "Trustee"), in accordance with DOL Regulation 2520.103-5, other than comparing the information with the related information included in the financial statements.

As part of our audit, we considered the internal control of Kelley Williamson Company Profit Sharing Plan, except that we did not, as part of the scope limitation discussed in the first paragraph, include a consideration of internal control relating to the information prepared and certified to by the Trustee. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to your representative, Kelley Roach, in our meeting about planning matters on May 18, 2020, in addition to our engagement letter dated January 3, 2020, accepted by Kim Griffin.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2019. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We had no significant differing opinions regarding management's accounting estimates.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive disclosures noted for 2019.

The disclosures in the financial statements are neutral, consistent, and clear.

Supplemental Schedule Accompanying Audited Financial Statements

Our responsibility for the supplemental information accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the supplemental information, other than that derived from the information certified by the Trustee, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Information in Documents Containing Audited Financial Statements

The auditor's responsibility for other information in documents containing audited financial statements does not extend beyond the financial information identified in our report, and we have no obligation to perform any procedures to corroborate other information contained in a document. Our responsibility is to read the other information and consider whether such information, or the manner of its presentation, is materially inconsistent with information appearing in the financial statements. We have read Form 5500, Annual Report of Employee Benefit Plan, and have found no material inconsistencies with the information appearing in the audited financial statements.

We are not aware of any documents or other information containing audited financial statements and, furthermore, management has not requested us to devote attention to any documents containing audited financial statements.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements With Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management's Consultation With Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. To our knowledge, management has not obtained any opinions from other independent accountants on the application of accounting principles generally accepted in the United States that would affect the Plan's financial statements or on the type of opinion that may be rendered on the financial statements.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated June 17, 2020, a copy of which accompanies this letter.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors for the preceding year. However, these discussions occurred in the normal course of our professional relationship and our responses were not, in our judgment, a condition of our retention.

Independence

There were no relationships between Wipfli LLP and the Plan that would reasonably be thought to bear on our independence.

Internal Control Related Matters Identified During the Audit

Except as discussed in the Our Responsibility Under Auditing Standards Generally Accepted in the United States paragraph, in planning and performing our audit of the financial statements of Kelley Williamson Company Profit Sharing Plan as of and for the year ended December 31, 2019, in accordance with US GAAS, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing an opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses; therefore, there can be no assurance that all such deficiencies have been identified. However, as discussed below, we identified a deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We identified the following deficiency in internal control that we consider to be a significant deficiency.

Financial Accounting and Reporting

An entity's internal control over financial reporting does not end at the general ledger, but extends to the financial statements and notes. As part of our professional services for the year ended December 31, 2019, Wipfli assisted in drafting the financial statements and related notes. Because the Plan Sponsor relies on Wipfli to provide the necessary understanding of current accounting and disclosure principles in the preparation of the financial statements and chose to have Wipfli assist in the preparation of the financial statements, a significant deficiency exists in the Plan Sponsor's internal controls.

The completeness of the financial statement disclosures and the accuracy of the overall financial presentation is negatively impacted because outside auditors do not have the same comprehensive understanding of the Company as its internal financial staff.

Other Operational, Administrative, and Internal Control Matters

Certain operational and administrative matters came to our attention during the audit of the financial statements. In addition, some internal control deficiencies that were not considered to be significant deficiencies or material weaknesses were identified. This section contains suggestions related to these matters that we believe management should consider as a part of planning for the Plan's future.

During our audit we noted that the Company did not maintain board minutes in relation to the Plan nor was the Investment Committee active. We recommend that the Company obtain formal approval in writing from the Board of Directors the employees and/or positions assigned to the Investment Committee. Additionally, we recommend the Investment Committee maintain minutes of their meetings and meet at least once a year documenting the review of the investment returns and participation in the Plan. Any amendments to the Plan should also be approved at least on the Investment Committee level that reports to the Board of Directors.

We noted forfeitures totaling $8,457 for the year ended December 31, 2019, were not allocated to eligible participants in accordance with the plan document. Failure to comply with the Plan's provisions can result in loss of the Plan's qualification status. We recommend forfeitures be allocated immediately and plan management establish procedures for reviewing annual forfeitures to ensure the amounts are allocated in a timely fashion.

We have previously discussed our observations and suggestions with the Plan Sponsor personnel and would be pleased to discuss them in further detail at your convenience, to perform any additional study of the matter, or to assist you in implementing the recommendations to the extent our independence is not impaired.

Conclusion

We appreciate the opportunity to be of service to Kelley Williamson Company. We are prepared to address any questions you may have regarding our independence or the quality of the Plan's accounting principles as addressed throughout this letter.

This letter is intended solely for the use of the Trustee, Investment Committee, Board of Directors and management of Kelley Williamson Company and is not intended to be, and should not be, used by anyone other than these specified parties. Distribution of this letter by the specified parties to other third parties does not constitute designation of those third parties as "users" or "specified parties" with respect to this letter or the matters addressed herein, nor does it permit those third parties to use or rely upon this letter for any purpose.

Sincerely,
