Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Life & Annuity Insurance Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of and for the period ended July 9, 2019 and years ended December 31, 2018 and 2017, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Emphasis of Matter

As described in Note 1 to the financial statements, the governing body of Environmental Management Specialists, Inc. 401(k) Plan approved a plan of liquidation on December 16, 2018, and management

determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2017 financial statements to the liquidation basis used in presenting the 2019 and 2018 financial statements. Our opinion is not modified with respect to that matter.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the July 9, 2019 and December 31, 2018 and 2017 financial statements. ENVIRONMENTAL MANAGEMENT SPECIALISTS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
July 9, 2019 and December 31, 2018 and 2017

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Environmental Management Specialists, Inc. 401(k) Plan (the "Plan") provides only general information. Plan participants should refer to the Plan document for a more complete description of the Plan's provisions. The governing body of the Plan approved a Plan of liquidation effective December 16, 2018. Final distributions of assets were completed on July 9, 2019, effectively terminating the Plan. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2017 financial statements to the liquidation basis used in presenting the 2018 and 2019 financial statements.

General

The Plan is a defined contribution plan covering substantially all non-union employees, as defined, of Environmental Management Specialists, Inc. (the "Company" and "Plan Administrator") who have attained twenty-one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Each year, participants may make voluntary pre-tax contributions and Roth contributions to the Plan up to 100% of their annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Company may make discretionary profit sharing contributions to the Plan for the related year. These contributions are funded in the year subsequent to their authorization. There were no discretionary profit sharing contributions authorized in 2019 or 2018. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution, rollover contributions, allocations of the Company's contributions (if any), and Plan earnings or losses as defined by the Plan agreement. Allocations of the Company's profit sharing contribution are given only to participants who have completed at least 500 hours of service during the Plan year and are based on participants' compensation for the Plan year relating to the contribution. Plan earnings or losses are allocated daily based on each participant's account balance. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 20% vested after two years of credited service, 40% after three years, 60% after four years, 80% after five

NOTES TO FINANCIAL STATEMENTS

years, and 100% vested after six years of credited service. As a result of plan termination, participants became 100% vested (See Note 6).

Notes Receivable from Participants

Participants may borrow money within certain limits from their individual accounts. Such notes bear interest at a reasonable rate commensurate with current interest rates charged for loans made under similar circumstances by financial institutions. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. For required minimum distributions, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a future period. If the participant's account balance is less than \$1,000, the Plan Administrator directs the trustee to make a lump-sum distribution. Distributions of a participant's 401(k) account balance may be authorized by the Plan Administrator under certain hardship conditions, subject to IRS mandated rules for hardship withdrawals.

Forfeitures

Forfeitures are used first to reduce administrative expenses and then to reduce future employer contributions. There were no forfeiture accounts at July 9, 2019 or December 31, 2018 or 2017, and there were no forfeitures during 2019 or 2018.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting. As disclosed in Note 1, the governing body of Environmental Management Specialists, Inc. 401(k) Plan approved a plan of liquidation on December 16, 2018, and management determined liquidation is imminent. Accordingly, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2017 financial statements to the liquidation basis used in presenting the 2019 and 2018 financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value as reported by Great-West Life & Annuity Insurance Company ("Great-West"), the trustee of the Plan. Fair value is the price that would be received to sell an asset or paid

ENVIRONMENTAL MANAGEMENT SPECIALISTS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
July 9, 2019 and December 31, 2018 and 2017

to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Assets of the Plan are held in variable annuities and a fixed annuity administered by Great-West, representing underlying investments in mutual funds and a stable value fund.

Investments of participant's contributions and the Company's contributions into these investments are at the direction of each participant.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

The Plan's administrative expenses are paid either by the Plan or the Company as provided by the Plan agreement. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Income Taxes

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 9, 2019, December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan files the United States Federal Form 5500 annually.

Subsequent Events

Plan management has evaluated subsequent events through May 20, 2020, the date the financial statements were available to be issued.

July 9, 2019 and December 31, 2018 and 2017

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE

As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and as instructed by the Plan Administrator, no audit procedures have been performed on certain information which has been certified to by the trustee, except to compare such information to the information included in the accompanying financial statements and schedule. Information certified by the trustee includes investments and notes receivable from participants included in the Statements of Net Assets Available for Benefits (in Liquidation) as of July 9, 2019 and December 31, 2018 and 2017, and investment income items and interest on notes receivable from participants included in the Statements of Changes in Net Assets Available for Benefits (in Liquidation) for the period ended July 9, 2019 and year ended December 31, 2018.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
- Level 2 Other significant observable inputs including: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 Inputs are significant and unobservable (including the Plan's own assumptions used to determine value)

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at July 9, 2019 and December 31, 2018 and 2017.

The valuation of investments has been provided by the trustee and represents fair value. Variable annuity account investments are administered by the trustee and are valued based on the fair value of the underlying net assets (mutual funds) owned by the variable annuity accounts. Securities owned by the accounts are valued at year-end closing prices and mutual funds shares owned are valued at the published

ENVIRONMENTAL MANAGEMENT SPECIALISTS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
July 9, 2019 and December 31, 2018 and 2017

value of the mutual funds. The fixed annuity account is a stable value investment and is valued at the net asset value of the underlying investment contracts, which represents the value at which the Plan transacts. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value.

Variable annuities	-	868,121	-

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West. Great-West is the trustee as defined by the Plan and, therefore, such transactions qualify as party-in-interest transactions. Empower Retirement provided recordkeeping services, and CBIZ Benefits & Insurance Services, Inc. ("CBIZ") provided compliance and investment advisory services. Transactions with these service providers qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100%

ENVIRONMENTAL MANAGEMENT SPECIALISTS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
July 9, 2019 and December 31, 2018 and 2017

vested in their accounts. As discussed in Notes 1 and 2, the Plan was terminated effective December 16, 2018.

NOTE 7 - TAX STATUS OF THE PLAN

The Plan has adopted a volume submitter plan provided by CBIZ. CBIZ has received an opinion letter dated March 31, 2014, from the IRS stating that the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan and related trust were tax exempt as of the financial statement date; however, late contributions in the amount of \$14,047 occurred during 2018 that had not been corrected as of the date for which these financial statements were issued. The Plan has not applied for a determination on its termination.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits (in liquidation).
