Independent Auditor's Report

Retirement Plan Committee and Plan Participants
Kellwood Company Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Kellwood Company Retirement Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of and for the years ended December 31, 2019 and 2018, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets (Held at End of Year) at December 31, 2019 is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note A – Description of Plan

The following description of the Kellwood Company Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan was adopted on May 1, 1985 as a defined contribution plan covering all full-time employees (regularly employed for at least 1,000 hours of service per year) of Kellwood Company (the "Company") who are age 21 or older. The Plan also allows part-time employees (not regularly employed for 1,000 hours per year) who have completed 1,000 hours of service as of their first anniversary of employment in any plan year to be eligible to participate in the Plan. An eligible participant may enter the Plan on the latest of the date on which they attain age 21 or the first of the month following the date on which they complete 30 days of continuous employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participating employees may contribute to the Plan up to defined tax code limitations on a pre-tax basis. Participants may also elect to make Roth 401(k) contributions, Roth catch-up contributions (if eligible), and Roth rollover contributions. Contributions made through automatic enrollment will be initially invested in the age-appropriate fund, the Plan's default investment fund, unless the participant elects to invest in another eligible fund. Participants may change their election percentages as of the first day of the next pay period.

The Company matches 50% of a participant's contribution not to exceed 3% of the participant's eligible earnings for that payroll period.

Investment Options

Upon enrollment in the Plan, a participant may direct elective contributions and employer contributions in any of the available investment options. The investment options consist of a collective trust account and registered investment companies.

Vesting

Based on current plan vesting provisions and policies, participants are fully vested in all accounts at all times. Participant balances previously contributed in prior plans merged into the Plan remain on the same vesting schedule as the prior plan.

Note A – Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, employer matching contributions, and an allocation of Plan earnings on those contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000 to meet certain financial needs as specified in the Plan. Notes receivable from participants are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Retirement Plan Committee. Principal and interest are paid ratably through payroll deductions, with a maximum term of five years, except for notes for the purchase of a primary residence which have a maximum term of 10 years.

Payments of Benefits

On retirement, death, disability, or termination of service, a participant is eligible to receive an amount equal to the value of the participant's vested account balance. Benefits under the Plan are generally payable in a full or partial lump sum or (after termination of employment) through installment payments and are subject to applicable income tax withholding. Special rules apply to vested account balances from prior plans that merged into this Plan. Participants separating from service with a balance of less than $1,000 are automatically paid out in a lump sum by the Plan upon separation. In the event a separation from service occurs and a participant's vested account balance is greater than $1,000 but less than $5,000 and the participant does not elect to receive the lump sum distribution or roll it over to an eligible retirement plan, the Plan Administrator will automatically rollover the distribution to an individual retirement account designated by the Retirement Plan Committee. If a separated participant's account balance exceeds $5,000, the participant may elect to leave the account balance in the Plan or receive all or part of the vested balance in the account.

Participants who meet the Plan's requirements may also be eligible to receive an in-service hardship distribution or a withdrawal of all or any portion of their vested account balance if they are on leave performing military service.

Forfeited Accounts

At December 31, 2019 and 2018, forfeited non-vested accounts totaled $2,091 and $1,665, respectively. During 2019 and 2018, forfeitures were used to reduce employer contributions by $427 and $97, respectively.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates in Financial Statement Presentation

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document. Loan balances are secured by the vested balance within a participant's account.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

During the years ended December 31, 2019 and 2018, certain costs of administering the Plan were paid by the Plan, while other expenses were borne by the Company and are not reflected in the accompanying financial statements. Investment related expenses are included in net realized and unrealized appreciation (depreciation) in fair value of investments on the statements of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through June 17, 2020, the date the financial statements were available to be issued.

Note C – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology included:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at the net asset value of the units held by the Plan at year end. The net asset value is based on the fair value of the underlying investments held within the collective trust.

Note C – Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2019 and 2018:

Investments at Fair Value
At December 31, 2019

Description	Level 1	Level 2	Level 3	Total
Mutual funds	$ 91,438,608	$ -	$ -	$ 91,438,608
Investments measured at NAV (a):				
Collective trust				9,784,957
Total at fair value				$ 101,223,565

Investments at Fair Value
At December 31, 2018

Description	Level 1	Level 2	Level 3	Total
Mutual funds	$ 75,101,391	$ -	$ -	$ 75,101,391
Investments measured at NAV (a):				
Collective trust				10,624,931
Total at fair value				$ 85,726,322

(a) In accordance with subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note D – Information Prepared and Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), the Plan's trustee, has certified that the following data included in the accompanying financial statements as of and for the years ended December 31, 2019 and 2018, and the supplemental schedule as of December 31, 2019, is complete and accurate with respect to investments:

- Investments at fair value
- Notes receivable from participants
- Net realized and unrealized appreciation (depreciation) in fair value of investments
- Interest, dividends, and other investment income
- Interest on notes receivable from participants
- Schedule of assets (held at end of year)

Note E – Investments at Net Asset Value

The following table includes a summary of the Plan's investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2019 and 2018:

	December 31,				
Investment Type	2019 Fair Value	2018 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust	$ 9,784,957	$ 10,624,931	$ -	Immediate	12 months

Note F – Related Party Transactions

The Plan invests in shares of mutual funds and a collective trust fund managed by Fidelity. Fidelity is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the administrative services amounted to $242,619 and $207,601 for the years ended December 31, 2019 and 2018, respectively. Revenue sharing received amounted to $35,670 and $25,156 for the years ended December 31, 2019 and 2018, respectively.

Note G – Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note H – Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated February 28, 2017 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Note I – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note J – Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2019 and 2018 to the Form 5500:

	2019	2018
Net assets available for benefits per the financial statements	**$102,394,131**	$86,803,367
Corrective distribution payable	**8,951**	9,000
NAV to fair value difference	**132,528**	(120,237)
Net assets available for benefits per the Form 5500	**$102,535,610**	$86,692,130

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2019:

Increase in net assets available for benefits per the financial statements	**$15,590,764**
Less prior year corrective distribution	**(9,000)**
Plus current year corrective distribution	**8,951**
Plus prior year NAV to fair value difference	**120,237**
Plus current year NAV to fair value difference	**132,528**
Increase in net assets available for benefits per the Form 5500	**$15,843,480**

Retirement Savings Plan Committee
Kellwood Company Retirement Savings Plan
St. Louis, Missouri

We have conducted a DOL limited-scope audit of the financial statements of Kellwood Company Retirement Savings Plan for the year ended December 31, 2019 and have issued our report thereon dated June 17, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 11, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2019. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

The estimate of the fair value of investments as disclosed in Notes C and E to the financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

The disclosure of the Plan Administrator's limited scope audit election in Note D to the financial statements.

The investment and fair value measurement disclosures contained within Notes C and E to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No known or likely misstatements were identified during the course of the audit which were material, either individually or in the aggregate, to the financial statements as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated June 17, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Retirement Savings Plan Committee and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Brown Smith Wallace, LLP
