PACKAGING PERSONIFIED, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Packaging Personified, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan with a profit sharing provision covering substantially all employees of Packaging Personified, Inc. and P-S Business Acquisition, Inc. (collectively, the "Employer") who have completed six months of service and have attained the age of twenty-one, with entry dates on the first day of the Plan year and the first day of the seventh month of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions and Vesting. Participants may elect to defer eligible annual compensation, as defined in the Plan, subject to maximum amounts established by the Internal Revenue Code. Participant's contribution elections may be changed upon a thirty-day notice to the plan administrator. Participants are always 100% vested in their elective deferrals, plus actual earnings thereon.

The Company has elected to make a discretionary matching contribution of 50% of the first 4% of salary that a participant deferred to the Plan for the year ended December 31, 2019. The Employer may also make a discretionary profit sharing contribution based on the contribution amount multiplied by each participant's gross compensation to total gross compensation of all participants. Employer matching and profit sharing contributions vest 20% after two years of service increasing ratably up to 100% after six years of service. There was no discretionary profit sharing contribution elected for the year ended December 31, 2019.

Participant Accounts. Each participant's self-directed account is credited with the participant's contribution and, when applicable, the Employer discretionary matching contribution and profit sharing contribution and charged with an allocation of administrative expenses. Earnings are based on the performance of specific mutual funds chosen by each participant and are allocated to participant accounts based on their proportionate share of identified fund balances and other Plan assets. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options. Employees may direct their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan provisions.

Notes Receivable From Participants. Participants may borrow (subject to certain restrictions) from their Plan accounts up to $50,000 or 50% of their vested balance, whichever is less. A loan is secured by the balance in the participant's account and bears interest at the prime rate as determined at the time of the loan. Repayment of principal and interest is due at least quarterly through payroll deductions. If any amounts remain unpaid for more than 90 days after the payment due date, the entire principal balance and interest shall be treated as a deemed distribution.

Payments of Benefits. On termination of services, a participant (or their beneficiary) may receive a lump-sum amount equal to the vested value of his or her account, or upon death, disability, or retirement elect to receive annual installments under a systematic withdrawal plan in accordance with the Plan's provisions. Upon death or disability retirement, a participant's account balance becomes fully vested, as defined. The Plan also allows for in-service distributions upon reaching age 59 ½.

Forfeitures. Forfeitures shall be allocated to Plan expenses and Employer discretionary matching contribution. Total forfeitures available to reduce Employer contributions and Plan expenses were $7,565 and $4,310 as of December 31, 2019 and 2018, respectively. During the year ended December 31, 2019, there were no forfeitures used to reduce Plan expenses.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Concentration of Credit Risk. Capital Bank and Trust Company is the Trustee of the Plan (the "Trustee"). Substantially all the Plan's assets are held by a related party to the Trustee.

Plan Amendment. Effective January 1, 2019, the Plan adopted a good faith amendment which modifies the existing hardship distribution Plan provisions, including the expansion of the assets available for hardship distributions.

Economic Conditions. In March 2020, government agencies announced warnings related to the Coronavirus (COVID-19). Any potential decline in economic activity in the U.S. and other regions of the world as a result of the virus may have an adverse impact on the Plan's assets.

Recent Legislation. The Coronavirus Aid Relief and Economic Security Act ("CARES Act") was signed into law on March 27, 2020. The CARES Act allows for Coronavirus-related distributions and loans to participants through the end of 2020 and has specific rules related to the qualification, distribution and repayment of such distributions and loans.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

***Basis of Accounting*.** The financial statements are prepared on the accrual basis of accounting.

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits. Benefits are recorded when paid.

Administrative Expenses. Certain administrative expenses, including functions performed by officers or employees of the Employer, are provided by the Employer at no charge to the Plan, and the Employer has no plans to obtain reimbursement of these expenses from the Plan.

PACKAGING PERSONIFIED, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by the Trustee and furnished to the plan administrator. The plan administrator has obtained certifications from the Trustee that such information is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2019 and 2018.
- Net appreciation in fair value of investments, including interest, dividends and capital gain income, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2019.
- Interest on participant loans for the year ended December 31, 2019.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2019, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2019 and 2018.

Mutual Funds and Money Market Fund. Valued at closing price reported on the active market on which the mutual funds are traded.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,349,285	$ -	$ -	$ 6,349,285
Money market fund	254,804	-	-	254,804
Total investment assets at fair value	$ 6,604,089	$ -	$ -	$ 6,604,089

	Assets at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,969,643	$ -	$ -	$ 4,969,643

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 6 – INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Employer by a letter dated March 31, 2014, that the Plan is qualified and the Trust established under the Plan is tax exempt under the appropriate sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 7 – RELATED PARTY TRANSACTIONS

Various investments are managed by a related party to the Trustee of the Plan. These transactions are allowable party-in-interest transactions under ERISA and the regulations promulgated thereunder.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 9 – DELINQUENT REMITTANCES

The Company remitted participant contributions totaling $817 to the Trustee later than required by DOL Regulation 2510.3-102 during the year ended December 31, 2019. Participants accounts were credited with the amount of investment income which would have been earned had the participant contributions been remitted on a timely basis. These amounts have been corrected as of December 31, 2019.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2019 through June 18, 2020, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.

To the Plan Administrator of
Packaging Personified, Inc. 401(k) Plan

We have conducted a DOL limited-scope audit of the financial statements of Packaging Personified, Inc. 401(k) Plan (the "Plan") for the year ended December 31, 2019, and have issued our report thereon dated June 18, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated April 6, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Packaging Personified, Inc. 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2019. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> Management's estimate of the fair value of investments is based on information provided by the custodian/trustee. Because of the limited scope nature of the engagement, we performed no procedures related to the valuation of investments.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and to communicate accumulated misstatements to the appropriate level of management.

No such misstatements were identified during the audit.

Disagreements with Management
For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations
We have requested certain representations from management that are included in the management representation letter dated June 18, 2020.

Management Consultations with Other Independent Accountants
In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues
We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters
With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of management, those charged with governance of Packaging Personified, Inc. 401(k) Plan, and others within the organization, and is not intended to be, and should not be, used by anyone other than those specified parties.
