CERTIFIED PUBLIC ACCOUNTANTS

July 15, 2020

The Plan Administrator
Anaren, Inc. Employee Savings & Retirement Plan:

We have conducted a Department of Labor (DOL) limited-scope audit of the financial statements of Anaren, Inc. Employee Savings & Retirement Plan for the period from July 1, 2018 to June 28, 2019 and have issued our report thereon dated July 15, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements. We did, however, audit the form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated November 26, 2019. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are primarily described in note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the 2019 Plan period. We noted no transactions entered into by the Plan during the period for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Significant Audit Matters, Continued

Qualitative Aspects of Accounting Practices, Continued

Accounting estimates are an integral part of the financial statements and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements was management's estimate of the fair value of investments, which were determined as follows:

- In accordance with Financial Accounting Standards Board (FASB) *Accounting Standards Codification* 820, Fair Value Measurements, the Plan used the following valuation methodology for assets measured at fair value:

  Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

We did not perform auditing procedures on the estimate of fair value of investments in accordance with the scope limitation more fully described in the first paragraph of this letter.

The financial statement disclosures are neutral, consistent and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no corrected or uncorrected misstatements detected as part of the audit.

Significant Audit Matters, Continued

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated July 15, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

Effective June 28, 2019, the Plan was merged with and into the TTM Technologies 401(k) Retirement Savings Plan. Management has disclosed the transaction in note 1(a) to the financial statements.

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Very truly yours,

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Anaren, Inc. Employee Savings &
Retirement Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Anaren, Inc. Employee Savings & Retirement Plan (Plan), which comprise the statements of net assets available for benefits as of June 28, 2019 and June 30, 2018, and the related statements of changes in net assets available for benefits for the period from July 1, 2018 to June 28, 2019 and the year ended June 30, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of June 28, 2019 and June 30, 2018, and for the period from July 1, 2018 to June 28, 2019 and the year ended June 30, 2018, that the information provided to the Plan administrator by the trustee is complete and accurate.

(Continued)

Report on the Financial Statements, Continued

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As more fully described in note 1(a) to the financial statements, effective June 28, 2019, the Plan was merged with and into the TTM Technologies 401(k) Retirement Savings Plan. Our report is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ANAREN, INC. EMPLOYEE SAVINGS & RETIREMENT PLAN

Notes to Financial Statements

June 28, 2019 and June 30, 2018

(1) Description of Plan

The following description of the Anaren, Inc. Employee Savings & Retirement Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a contributory defined contribution plan as defined under Section 401(k) of the Internal Revenue Code (Code) and has been established by Anaren, Inc. (Sponsor) for the benefit of its eligible employees in order to encourage their personal savings. Full-time and part-time employees become eligible as of the employee's date of hire. The assets of the Plan are held, administered and managed in accordance with the terms and conditions of the Trust Agreement, which is considered to be an integral part of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Anaren, LLC, the Sponsor, was acquired by TTM Technologies, Inc. in April 2018. Effective June 28, 2019, the Plan was merged with and into the TTM Technologies 401(k) Retirement Savings Plan. Each participant in the Plan on June 28, 2019 will receive a benefit under the TTM Technologies 401(k) Retirement Savings Plan immediately after the merger which is equal to the benefit the participant would have been entitled to receive immediately prior to the merger, if the Plan had then terminated.

(b) Contributions

Participants may contribute up to the Internal Revenue Service (IRS) maximum of their compensation, as defined in the Plan, as their pre-tax contribution. Participants may direct their contributions into any one of the mutual fund investment options offered. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may designate all or a portion of their elective contributions as Roth contributions. A designation of elective contributions as Roth contributions is irrevocable.

(1) Description of Plan, Continued

(b) Contributions, Continued

The Plan includes an automatic enrollment provision whereby all newly-eligible employees hired on or after July 1, 2014 are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Their contributions are invested in a designated balanced fund until changed by the participant. Prior to June 30, 2017, automatically enrolled participants had their deferral rate set at 3%. Effective June 30, 2017, the deferral rate for automatically enrolled participants increased to 5% of eligible compensation. In addition, effective June 30, 2017, participants with a deferral rate greater than zero will have their deferral rate increased annually by 1% on November 3rd, up until a maximum of 3% as a pre-tax deferral contribution is reached unless the participant's then current deferral contribution is a Roth contribution in which case the automatic increases will continue until a maximum deferral rate of 10% is reached.

The Sponsor may make annual contributions based upon a percentage of compensation of each participant, or based upon a percentage of each participant's contribution. Currently, the Sponsor will match 100% of the participant's contribution, limited to 5% of the participant's eligible compensation. The matching contribution rate is determined by the Sponsor's board of directors.

The Sponsor made no discretionary contributions during the period from July 1, 2018 to June 28, 2019 and the year ended June 30, 2018.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions and the Sponsor's matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are vested immediately in their voluntary contributions, the Sponsor's matching contribution and actual earnings thereon.

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lessor of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.00%, which are based on current market rates at the time the loan is granted. Principal and interest are paid at least quarterly through payroll deductions.

(f) Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested balance, or may elect to defer distribution until a later date, as defined by the Plan.

(g) Forfeited Accounts

At June 30 2018, forfeited non-vested accounts totaled approximately $5,900. Forfeitures are used to reduce future employer matching contributions and administrative expenses of the Plan. During 2019, employer contributions were reduced by $6,198 from forfeited nonvested accounts. There were no employer matching contributions and administrative expenses reduced from forfeited nonvested accounts during 2018.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(2) Summary of Significant Accounting Policies, Continued

(c) Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2018. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(e) Payment of Benefits

Benefits are recorded when paid.

(f) Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, and investment management services, are charged directly to the participants account and are included in administrative expenses.

(g) Subsequent Events

The Plan has evaluated subsequent events through July 15, 2020, the date the financial statements were available to be issued.

(3) Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has obtained certifications from Fidelity Management Trust Company, the trustee of the Plan, that all of the information provided by them is complete and accurate. Information included in the accompanying financial statements as to investments, notes receivable from participants, interest and dividend income, net appreciation in fair value of investments, and interest income on notes receivable from participants is presented in reliance solely upon those certifications.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the accompanying financial statements.

(4) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(Continued)

(4) Fair Value Measurements, Continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2018:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 111,783,267	$ -	$ -	$ 111,783,267

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the period from July 1, 2018 to June 28, 2019 and the year ended June 30, 2018, there were no transfers in or out of levels 1, 2 or 3.

(5) Party-in-Interest Transactions

Certain plan investments are shares of mutual funds managed by Fidelity Management Trust Company (Fidelity). Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions under ERISA. Fees paid by the Plan for the investment management services and the administration of notes receivable from participants were $42,556 and $75,292 for the period from July 1, 2018 to June 28, 2019 and year ended June 30, 2018, respectively.

(Continued)

(6) Tax Status

The IRS has determined and informed the prototype plan volume submitter by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter, however, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.
