Carr, Riggs & Ingram, LLC
12400 Coit Road, Suite 1000
Dallas, Texas 75251-2005

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Stream Realty Partners 401(k) Savings Plan, which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits for the years then ended, and the notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Principal Life Insurance Company (PLIC), Principal Trust Company (PTC) and Reliance Trust Company (RTC), the custodians, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by PLIC, PTC, and RTC, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of date of this letter, the following representations made to you during your audit.

- Intentions to terminate the Plan.

- Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

- The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

- The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows: The Plan's mutual funds are stated at fair value as determined by the trustees and reviewed by us, which are valued at quoted market prices. The Plan's pooled separate accounts and common/collective trusts are stated at fair value as determined by the custodians and reviewed by us, which are valued in accordance with specialized accounting guidance for investment companies at the NAV of the funds in which they are invested as reported by the investee funds. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- All required amendments to and filings of Plan documents with the appropriate agencies have been made. The Plan is a defined contribution prototype plan sponsored by Principal Life Insurance Company. The Internal Revenue Service issued an opinion letter to Principal Life Insurance Company dated March 31, 2014, stating that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

- The Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan. The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

- The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

- The Plan has complied with the fidelity bonding requirements of ERISA.

- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

- We have obtained and provided you the Reports on Internal Controls / SOC 1s for Principal Life Insurance Company, Ultimate Software Group, Inc., State Street Corporation: Kansas City Insurance Services Department, State Street Corporation: Global Fund Accounting and Custody System and Reliance Trust Company. We have reviewed such reports, including the complimentary user controls. We have implemented the relevant user controls and they were in operation for the years ended December 31, 2019 and 2018.

- We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2)

- We acknowledge our responsibility for presenting the supplemental schedule in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the supplemental schedule is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any

significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.
