INDEPENDENT AUDITORS' REPORT

To the Trustees of
COINS USA Retirement Plan
Albany, New York

Report on Financial Statements

We were engaged to audit the financial statements of COINS USA Retirement Plan, which comprise the statements of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, the supplemental schedule as of and for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Fidelity Trust Company, the trustee of the Plan, except for comparing the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide for a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets Held at End of Year is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee of the Plan. Their report, dated November 22, 2019 indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2019

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

(1) DESCRIPTION OF PLAN

The following description of the Construction Industry Solutions Corp. ("Company") Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution 401(k) plan covering all employees of the Company who have three months of service. There is no minimum age requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan began operating in November 1995.

CONTRIBUTIONS

Each year, participants may contribute a percentage of pretax annual compensation, as defined by the Plan, up to the maximum allowed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. All contributions are invested into various mutual funds at the direction of each participant. These matching contributions are discretionary and can be changed at any time by the Plan Administrator. In 2019, the Company made safe harbor matching contributions of 100% of the first 3% of eligible compensation and 50% of the next 2% of eligible compensation. Employees must complete at least three months of service to be eligible for safe harbor matching contributions. The Company may, in its sole discretion, make a profit-sharing contribution to participants who have been employed by the Company for one year during which they completed 1,000 hours of service, with an entry date on the first day of the month following satisfaction of the eligibility requirements. There was no profit-sharing contribution made for the plan year ended December 31, 2019.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of Company contributions and Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. The safe harbor match and any profit-sharing contributions made by the Company become fully vested at the time of contribution. Participants will become fully vested upon death, total and permanent disability, and reaching normal retirement age (defined by the Plan as 65).

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee and Company contributions into various mutual funds or common/collective trusts. Participants may change their investment options quarterly.

FORFEITED ACCOUNTS

At December 31, 2019 and 2018, forfeited accounts totaled $5,506 and $ 2,750, respectively. Forfeited accounts can be used to pay plan expenses or to offset future employer contributions.

(1) DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $ 1,000 up to a maximum of $ 50,000 or 50% of their vested account balance, whichever is less. Participants may have a maximum of two loans outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the plan administrator. All outstanding loans currently bear an interest rate of 3.25%. Principal and interest is paid ratably through weekly payroll deductions. Loans generally may not exceed a five-year term unless it is for the purchase of a principal residence.

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement or any other reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 70 ½. The Plan allows hardship withdrawals, subject to account balance limits and applicable laws. Net assets available for benefits include $ 1,816,496 allocated to terminated participants who have not elected to receive a distribution.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the plan are prepared under the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (6) for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

The Plan records contributions on the accrual basis in accordance with the participant deferral and Company matching specifications under the Plan.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2019, and 2018, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment or loan discharges based on the terms of the plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid. There were no benefits requested before year-end that were not paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan have been paid directly by the Company and are excluded from these financial statements. Effective January 1, 2014, the Plan will absorb and pay all administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

(3) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue the Plan subject to the provisions of ERISA. In the event of Plan termination, participants remain 100 percent vested in their accounts.

(4) RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(5) CERTIFICATION

The Plan trustee is Fidelity Management Trust Company. The following information included in the accompanying financial statements and supplemental schedule was certified as complete and accurate by the trustee.

	2019	2018
Investments at fair value:		
Mutual Funds	$ 14,750,795	$ 12,111,600
Participant Loans	133,131	116,612
Net appreciation (depreciation) in fair value of investments	1,726,839	(1,721,683)

(6) FAIR VALUE MEASUREMENTS

Generally accepted accounting principles provide a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). Each fair value measurement is reported in one of the three levels which is determined by the lowest input that is significant to the fair value measurement in its entirety. The three levels of the fair value hierarchy are described below:

Level 1 Fair Value Measurements – inputs are based upon unadjusted quoted prices for identical assets and liabilities in active markets.

Level 2 Fair Value Measurements – inputs are based upon quoted prices for similar assets and liabilities in active markets, quoted prices are for identical or similar assets and liabilities in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Fair Value Measurements – inputs that are both unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Changes in valuation techniques may result in transfers in or out of an investment's assigned level within the hierarchy. Transfers between fair value hierarchy levels are recognized at the end of the period. The aggregate values by input level, as of period end, for the Plan's investments in securities and other financial instruments are included in Note (7).

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds are valued at the quoted market prices available on an active market.

(7) FAIR VALUE DISCLOSURE

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31,

	2019	2018
Mutual Funds, Level 1	$ 14,750,795	$ 12,111,600
Participant loans, Level 3	141,471	124,952
Total investments at fair value	$ 14,892,266	$ 12,236,552

(7) FAIR VALUE DISCLOSURE (CONTINUED)

The following table sets forth a summary of changes in fair value of the Plan's level 3 assets for the years ended December 31, 2019.

	Participant loans
Balance, beginning of year	$ 124,952
Purchases, sales, issuances and settlements (net)	16,519
Balance, end of year	$ 141,471

(8) RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Trust Company. Fidelity Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. The Plan made payments of $ 1,288 to the third-party administrator which was not covered by revenue sharing. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

(9) TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America prescribe requirements for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken by the Plan. Management has evaluated the Plan's design and operation and has concluded that the Plan is designed and has been operated in compliance with the applicable requirements of the IRC. Further, management believes that the Plan maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by the IRS and generally, the Plan's tax returns remain open for federal income tax examination for three years from the date of filing.

(10) RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2019	2018
Net assets available for benefits per the financial statements	$ 14,892,266	$ 12,263,735
Notes receivable from participants	(8,340)	(8,340)
NET ASSETS AVAILABLE FOR BENEFITS PER SCHEDULE H OF THE FORM 5500	$ 14,883,926	$ 12,255,395

(11) SUBSEQUENT EVENTS

Management considered and evaluated the nature of any subsequent events through July 15, 2020, which is the date that the financial statements were available to be issued.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency stemming from a new strain of coronavirus that was spreading globally (the "COVID-19 outbreak"). On March 11, 2020, the WHO classified the COVID-19 outbreak as a pandemic, triggering volatility in financial markets and a significant negative impact on the global economy. As a result, the Plan's investment portfolio has incurred a significant decline in fair value since December 31, 2019. However, because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.
