NOTES TO FINANCIAL STATEMENTS

HILL, BARTH & KING 401(k) PROFIT SHARING PLAN

December 31, 2019 and 2018

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Hill, Barth & King 401(k) Profit Sharing Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General:

The Plan is a defined contribution plan covering all employees of Hill, Barth & King LLC who have one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees are eligible to participate in elective deferral after 90 days of service.

Contributions:

Each year, participants may contribute an amount equal to a dollar amount or percentage of pretax annual compensation not to exceed the limits imposed by IRS Code Sections 401(k), 402(g), 404 and 415, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans.

Effective January 1, 2019, the Plan was amended to provide for Safe Harbor provisions, which requires the company to contribute 3% of employee's compensation, as defined in the plan document. The company also makes discretionary contributions of 25 percent of the first 6 percent of base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the option of the company. Contributions are subject to certain limitations.

Effective January 1, 2006, the Plan was amended to allow Roth contributions.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the company's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All contributions and investment earnings are participant directed.

Vesting:

Participants are immediately vested in their contributions and the company's discretionary matching and safe harbor contributions plus actual earnings thereon. Vesting in the company's profit-sharing contribution plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after three years of credited service.

HILL, BARTH & KING 401(k) PROFIT SHARING PLAN

December 31, 2019 and 2018

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Participant Notes Receivable:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of their account balance or \$50,000 reduced by the highest outstanding balance of plan loans during the prior one-year period. Loan transactions are treated as a transfer to (from) the investment fund from (to) a Participant Notes fund. Loans are repaid through payroll deductions over a maximum term of five years, except for qualifying home buyers for which the term is up to 30 years. Generally, interest charged on participant loans will be a fixed rate equal to the prime rate upon the inception of the loan plus 1%. Effective February 1, 2012, the Plan allows for two loans.

Payment of Benefits:

Participants may receive a distribution of their vested account balance when employment is terminated. Distributions to deceased, disabled, retired or terminated participants are made as soon as administratively possible.

Distributions from the Plan are made exclusively in the form of a single lump-sum payment in cash.

Forfeited Accounts:

Forfeited nonvested accounts will be used to reduce future employer contributions. There were no significant forfeited nonvested accounts at or for the years ended December 31, 2019 and 2018.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

HILL, BARTH & KING 401(k) PROFIT SHARING PLAN

December 31, 2019 and 2018

NOTE B - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Most administrative expenses are paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Cash Equivalents:

The Plan considers highly liquid debt instruments purchased with maturity dates of three months or less to be cash equivalents.

Use of Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties:

The Plan provides for various mutual fund investment options in stocks, bonds and fixed income securities as well as allowing participants to self-direct brokerage accounts. Investments are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

December 31, 2019 and 2018

NOTE B - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Subsequent Events:

Management evaluated all activity of the Plan through the date of the auditors' report, which is the date the financial statements were available to be issued and concluded that no subsequent events except as described below have occurred that would require recognition or disclosure in the financial statements or notes.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Plan Sponsor's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity, and operations. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, Management is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for fiscal year 2020.

NOTE C - FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

FASB ASC 820 requires the Plan to classify its assets and liabilities based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments. Investments without readily determinable market values which are valued based on Net Asset Value (NAV) as a practical expedient are not required to be classified in the hierarchy.

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Registered Investment Companies (Mutual Funds): Valued at the net assets value (“NAV”) of shares held by the plan at year end.

Money market funds and equity securities (Self-directed brokerage accounts): Valued at the closing price reported on the active market on which the individual securities are traded.

Common/Collective trusts: Consists of the MetLife GAC–25053 CL 0 Stable Value Fund, which is valued based on net asset value per common share of the investments. The net asset value (NAV) is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The investment objective is the safety of principal and accumulated interest for participant initiated transactions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2019 and 2018:

<u>Investments at Estimated Fair Value as of December 31, 2019</u>

NOTE F - TAX STATUS

Effective February 1, 2012, the Plan adopted the Ascensus Inc. Prototype Non-Standardized Flexible 401(k) Profit Sharing Plan and entered into a trust agreement with Frontier Trust, an Ascensus Company. The Internal Revenue Service has determined and informed Ascensus, in a letter dated March 31, 2008, that the form of the prototype plan is acceptable under applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan, as adopted, is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE G - PARTIES-IN-INTEREST TRANSACTIONS

Ascensus is the contract administrator of the Plan and was paid administrative fees of \$45,985 and \$37,126 for the Plan year 2019 and 2018, respectively.

The plan sponsor, Hill, Barth & King LLC, provided other administrative services at no cost to the plan for the years ended December 31, 2019 and 2018.
