NOTE 1 - PLAN DESCRIPTION

The following description of the *Incarnation Home Health Services, Inc. Profit Sharing Plan* ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit-sharing plan under section 401(a) of the Internal Revenue Code. The Plan was established on January 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

The Plan covers substantially all full-time employees, *excluding* certain union employees and certain non-resident aliens. Employees who have completed 12 months and at least 1,000 hours of service, and are age 21 or older, are eligible to participate in the the Plan.

Contributions

The Plan Sponsor may make an annual discretionary profit-sharing contribution to the Plan. The Plan also permits participant rollover contributions. Other than rollover contributions, no participant contributions are permitted. Employees are separated into classes by the employer. The employer determines the discretionary contribution to be made for each class of participants. Contributions may include fixed dollar amounts and/or percentages of W-2 wages.

Participant Accounts

Each participant's account is credited with the Plan Sponsor's discretionary contributions, any participant rollover contributions, and Plan earnings and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their rollover contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts is based on years of continuous service. Employer contributions and earnings are vested at 20% per year, starting upon their second year of service. A participant is 100% vested after 6 years of credited service.

Notes Receivable from Participants

Participant loans are permitted under the Plan. A participant may borrow up to 50% of their vested account balance, not to exceed $50,000. No loans existed as of December 31, 2018.

Forfeitures

Forfeited non-vested accounts may be used to pay Plan expenses or to reduce any employer contributions. Forfeitures were $6,128 for the Plan year ended December 31, 2018, and were used to reduce the employer's contribution for 2018.

NOTE 1 - PLAN DESCRIPTION (continued)

Payment of Benefits

If a participant has reached the age of 65, has been in the Plan for at least 5 years, and is 100% vested in their account balance, a distribution may be made at the participant's election. Upon termination of service for death or total and permanent disability, a participant becomes 100% vested in their account balance and is entitled to receive a lump sum payment equal to the full amount. If a participant terminates their employment for any reason other than death, disability, or normal retirement, they may receive only the actual "vested portion" of their account balance in a lump sum. No distributions were made for the year ended December 31, 2018.

Plan Administrative Costs

No administrative costs were paid by the Plan for the year ended December 31, 2018.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments consist of a fully benefit-responsive investment contract, which is reported at contract value. Contract value is determined annually by *Lafayette Life Insurance Company*. Interest income is recorded as earned.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities and reported revenues and expenses during the reporting period. Actual results may differ from those estimates.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. There were *no* excess contributions made for the Plan year ended December 31, 2018.

Payment of Benefits

Benefits are recorded on the accrual basis and are paid annually in the subsequent year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan Sponsor's management has evaluated subsequent events through July 2, 2020, the date the financial statements were available to be issued.

NOTE 3 - INCOME TAX STATUS

The Plan Sponsor adopted a pre-approved *Volume Submitter Profit Sharing Plan* on January 1, 2016. In an opinion letter dated April 2, 2012, the Internal Revenue Service stated that this type of plan is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of their employees, and is not subject to income tax. The IRS and DOL have not subjected the Plan to audit since its formation on January 1, 2016.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA, by written notice to the Trustees and Administrator. In the event of Plan termination, participants will become 100% vested in their accounts, and assets of the Plan will be distributed in accordance with the Plan's provisions.

NOTE 5 - PARTIES-IN-INTEREST

Under ERISA, the following are considered Parties-in-Interest:

Plan Sponsor:	Incarnation Home Healthcare Services, Inc.
Plan Trustee:	Gabriel Faturoti
Plan Administrator:	Incarnation Home Healthcare Services, Inc.
Plan Insurance Co./Custodian:	Lafayette Life Insurance Company
Plan Third-Party Administrator:	Lafayette Life Insurance Company
Plan Auditor:	JBS & Company, LLC
Plan Financial Advisor:	Onorato Financial Group, LLC
Issuer of Annuity Contract:	Lafayette Life Insurance Company

Certain accounting and administrative functions of the Plan are performed by employees of the Sponsor at no cost to the Plan.

NOTE 6 - FAIR VALUE MEASUREMENTS

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for *identical* assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

1) Quoted prices for *similar* assets or liabilities in *active* markets;
2) Quoted prices for *identical or similar* assets or liabilities in *inactive* markets;
3) Inputs *other than* quoted prices that are observable for the asset or liability;
4) Inputs that are derived principally from or corroborated by *observable market data by* correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for group annuity contracts.

Group Annuity Contracts: The value of the Plan's group annuity contract is based on annual valuations provided by the issuer, *Lafayette Life Insurance Company,* as of December 31 each year.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

Description	Level 1	Level 2	Level 3	Total
Group annuity contract	$ -	$ -	$ 99,997	$ 99,997

Following is a schedule of assets measured at Fair Value using significant observable inputs (level 3) during the period:

Balance at January 1, 2018	$ 36,003
Contribution	62,422
Interest	1,572
Balance at December 31, 2018	$ 99,997

NOTE 7 - GROUP ANNUITY CONTRACT WITH LAFAYETTE LIFE INSURANCE COMPANY

In 2017, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with *Lafayette Life Insurance Company* (Lafayette). Contract value of the investment totaled $99,997 and $35,629 as of December 31, 2018 and 2017, respectively. Lafayette maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3 percent. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The Trustee selects and manages the investments in the Plan. The Plan's only investment is the group annuity contract with Lafayette. The annuity has two investment options as follows: (1) A fixed income option with a guaranteed rate of 3%, and (2) An indexed option tied to the S&P 500 Index. All of the Plan's contributions have been invested in the fixed income option since the Plan's inception. Interest income is earned as it accrues.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Lafayette, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan’s investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 8 - INFORMATION CERTIFIED BY THE INSURANCE COMPANY AND CUSTODIAN

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, *Lafayette Life Insurance Company* has certified as to the completeness and accuracy of all investment balances, related investment activity, and contributions reflected in the accompanying financial statements and supplemental schedule, summarized as follows:

Investment at contract value - as of 12/31/18	$	99,997
Interest earned on contract value of investments - year ending 12/31/18	$	1,572
Employer contributions - year ending 12/31/18	$	38,368

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with such investments, and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Plan assets are not FDIC insured.
