Note 1 - Plan Description

The following description of The Christian Benevolent 403(b) Retirement Program (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees, except for those who have opted out of the Plan, of The Christian Benevolent Association of Greater Cincinnati, Inc. (the "Organization"). The Christian Benevolent Association of Greater Cincinnati, Inc. is composed of the following entities:

- Christian Benevolent Association of Greater Cincinnati, Inc.
- Christian Benevolent Association Foundation
- Mt. Healthy Christian Home, Inc.
- Mason Christian Village
- MCV Healthcare Facilities, Inc.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was restated as of June 1, 2018 to allow participant notes receivable and remove the age and service period requirement for the employer matching contribution.

Contributions

The Plan provides for employee salary 403(b) contributions up to a maximum of 100 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan provides for employer matching contributions of 50 percent of a participant's contribution, not to exceed 3 percent of the employee's deferred compensation. Employees were eligible for the employer matching contributions upon reaching 18 years of age and completing up to 30 days of service for salaried and professional staff and 90 days for all other employees, through June 1, 2018, at which point employees became eligible for the employer matching contributions upon hire.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting

Participants are fully vested at all times in employee salary, employer matching, and rollover contributions and any income or loss thereon.

Benefit Payments

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account.

Participants may request that all or a portion of their accounts be distributed in the case of severe financial hardship, as defined in the plan document. The plan administrator must approve any such hardship withdrawals.

Note 1 - Plan Description (Continued)

Party-in-interest Transactions

Certain plan assets are in investment funds managed by Nationwide Financial Services, Inc., including its subsidiary, Nationwide Trust Company, FSB, a division of Nationwide Bank, and The Nationwide Life Insurance Company or their affiliates. Nationwide Financial Services, Inc., including its subsidiary, Nationwide Trust Company, FSB, a division of Nationwide Bank, and The Nationwide Life Insurance Company are the custodians of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Participant Notes Receivable

Effective June 1, 2018, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their account balances, whichever is less. The notes are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates determined by the plan administrator.

Termination

While it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation

The Plan's investments are stated at fair value. The unallocated insurance contract is not considered benefit responsive and is presented at fair value. The fair value of the unallocated insurance contract is based on the fair value of the underlying net assets at the measurement date by the issuer of the fund. The Plan's interest in the unallocated contract is based on its proportionate ownership interest in the fair value of the unallocated insurance contract. The unallocated insurance contract primarily holds guaranteed investment contracts and fixed-income securities and derivatives. The fair value of the guaranteed investment contracts is based on current yields of similar instruments with comparable durations taking into account the contract terms, including interest reset intervals and the credit rating of the issuer. The fair value of the fixed-income securities is valued using quoted market prices and/or other market data for the same or comparable instruments and transactions in establishing the prices, discounted cash flow models, and other pricing models. These models are primarily industry-standard models that consider various assumptions, including time value and yield curve, as well as other relevant economic measures.

The money market fund and all other mutual funds are valued based on quoted market prices reported in active markets. See Note 5 for additional information.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Organization.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

December 31, 2019 and 2018

Note 2 - Summary of Significant Accounting Policies (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including June 16, 2020, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information

Nationwide Financial Services, Inc., including its subsidiary, Nationwide Trust Company, FSB, a division of Nationwide Bank, and The Nationwide Life Insurance Company (collectively, the "Custodians") hold the Plan's investments and participant notes receivable and execute all related transactions. The investment and participant notes receivable balances and related investment income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Custodians.

Note 4 - Tax Status

The Plan, as adopted, is a volume submitter plan, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated March 31, 2017. The Plan has not individually sought its own determination letter.

Note 5 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2019 and 2018.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

December 31, 2019 and 2018

Note 5 - Fair Value Measurements (Continued)

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances whereby inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

Assets Measured at Fair Value on a Recurring Basis at December 31, 2019				
	Investments (at Fair Value)	Level 1	Level 2	Level 3
Mutual funds	\$ 4,490,038	\$ 4,490,038	\$ -	\$ -
Money market fund	2,823	2,823	-	-

Assets Measured at Fair Value on a Recurring Basis at December 31, 2018				
	Investments (at Fair Value)	Level 1	Level 2	Level 3

Total	<u>\$ 3,941,482</u>	<u>\$ 3,832,028</u>	<u>\$ 109,454</u>	<u>\$ -</u>

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the end of the reporting period. There were no transfers between levels of the fair value hierarchy during 2019.
