NOTES TO FINANCIAL STATEMENTS

NOTE 1. Description of Plan and Significant Plan Provisions

Effective September 13, 2018, the Plan name was changed from GGP 401(k) Savings Plan to the Brookfield Properties Retail Group 401(k) Savings Plan.

The following description of the Brookfield Properties Retail Group 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan document, which may be obtained from the Plan Administrator (as defined below), for a more complete description of the Plan's provisions.

General: BPR OP, LP (the “Company”) is the Plan Sponsor and Plan Administrator. Vanguard Fiduciary Trust Company (“VFTC”) is the trustee of the Plan. The Plan is designed to encourage and assist eligible employees to adopt a regular program of savings to provide for their retirement. The Plan is a defined contribution plan covering all full-time and part-time (as defined) employees of the Company and its affiliates and subsidiaries. Employees are eligible to participate in the Plan on their first day of employment with the Company and/or once the employees attain the age of eighteen. Certain individuals at locations managed by the Company are either employees of companies not owned or controlled by the Company or are covered by other qualified plans and, therefore, are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the financial statements and schedules presented have been prepared in accordance with the financial reporting requirements of ERISA.

Plan Merger: During 2018, the Brookfield Properties (R) LLC 401(k) Savings Plan, a plan sponsored by Brookfield Properties (R) LLC, merged with the Plan. Accordingly, assets of approximately \$14 million was transferred into the Plan in December 2018 and January 2019. Subsequently, the Company elected to merge the Plan into the Brookfield 401(k) Savings Plan, which is a plan sponsored by an entity related to the Company through Brookfield Asset Management LLC. The Company is a subsidiary of Brookfield Asset Management LLC through Brookfield Property Partners L.P. The effective date of the plan merger is December 31, 2019. All assets were transferred out of the plan in January 2020.

Contributions: Under the terms of the Plan, subject to certain limitations, each participant is allowed to make before-tax contributions in 1% increments up to 50% of gross earnings, as defined in the Plan document. The Internal Revenue Code (“IRC”) imposes, among other things, a dollar limitation on the amount of before-tax contributions for a calendar year. For 2019, a participant’s before-tax contribution was generally limited to \$19,000. Also for 2019, participants age 50 and over were eligible to contribute a before-tax catch-up contribution of up to \$6,000. Participants may also designate all or part of their Plan contributions as Roth 401(k) contributions, which are after-tax contributions. The Company adds to a participant’s account through a matching contribution up to 5% of the participant’s annual earnings contributed to the Plan. The Company will match 100% of the first 4% of earnings contributed by each participant and 50% of the next 2% of earnings contributed by each participant.

Participant accounts: Separate accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contributions, rollover deposits and allocations of the Company’s contributions and plan earnings, and charged with an allocation of plan losses and administrative expenses. Allocations are based on participant earnings or account balances as defined in the Plan. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant’s vested account. Participants designate which investment option or combination of options in which their contributions and the Company's matching contributions are to be invested.

As a result of the merger effective December 31, 2019 described above, the Plan held no participant accounts as of December 31, 2019. At December 31, 2018, the Plan included the following investment options:

- Thirty registered investment companies, which offer investments in stocks, bonds and cash equivalents;
- Vanguard Retirement Savings Trust III, a stable value collective investment trust, which invests primarily in investment contracts issued by insurance companies, banks or other financial institutions; and
- Morley Stable Value Fund Class 25-I, a common collective trust, which offers a diversified portfolio of Stable Value Investment Contracts issued by life insurance companies, banks or other financial institutions.

Notes receivable from participants: Participants may borrow against their account, subject to certain administrative rules. The minimum loan that will be made is \$1,000 and the total of any individual participant's loan or loans may never exceed the lesser of 50% of the participant's total vested account balance or \$50,000. The loans are secured by the balance in the participant’s account and bear interest at the prime rate on the first business day of the month in which the loan is made plus one percent. As

NOTES TO FINANCIAL STATEMENTS

of January 1, 2011, any new loans may not exceed five years. Principal and interest are due each pay period. Participant loans are due and payable within 90 days upon termination of employment. Delinquent participant loans are reclassified as distributions based on the terms in the Plan document.

Vesting: Employee and employer contributions made on or after January 1, 1998 vest immediately.

Payment of benefits: Upon termination of service due to death, disability, retirement on or after attaining the Plan's normal retirement age of 60, or termination of employment, the balances in the participant's separate accounts may be paid in lump sum to the participant, or in the event of death, the participant's beneficiary. Prior to termination of service, a participant may withdraw contributions by claiming hardship, as defined by the Plan.

Terminated participants' vested account balances less than \$5,000 and greater than \$1,000 will be transferred into an eligible retirement plan, unless the participant elects to receive the distribution directly or to have the distribution paid directly to an eligible retirement plan specified by the participant. For participant account balances of \$1,000 or less, lump sum cash distributions will be made.

NOTE 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements were prepared using the accrual method of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting periods. Actual results could differ from these estimates.

Investments: The Plan's investments are stated at fair value. Refer to Note 4 Fair Value Measurements for disclosure regarding the valuation methodologies used to measure fair value of the Plan's participant-directed investments. Investment income is allocated and recorded daily to the participants' accounts. Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. The Plan's investments includes net gains and losses on investments bought and sold, as well as held during the year.

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Only expenses paid by the Plan are reflected in the Plan's financial statements.

Payment of benefits: Benefit payments to participants are recorded upon distribution.

NOTE 3. Unaudited Information

Vanguard Fiduciary Trust Company (the "Trustee") holds the Plan's investments and executes all related transactions. The investment balances and related income and losses included in the accompanying 2019 financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Trustee.

NOTE 4. Fair Value Measurements

The Plan measures its financial assets and liabilities at fair value on a recurring basis in accordance with generally accepted accounting principles related to fair value. The fair value measurement guidance establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1 - defined as quoted prices for identical assets or liabilities in active markets;
- Level 2 - defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and
- Level 3 - defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

NOTES TO FINANCIAL STATEMENTS

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the end of the reporting period. There were no transfers between levels of the fair value hierarchy during 2019.

The valuation methodologies used for assets measured at fair value are as follows:

- Registered investment companies - Shares in the registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.
- Common collective trusts - The Plan's investments are valued at net asset value ("NAV") per unit as determined by the administrator of the trusts. Such NAV is based on the fair value of the underlying assets and liabilities of the trusts. There were no unfunded commitments as of December 31, 2019 or December 31, 2018 and no redemption restrictions for the year ended December 31, 2019.

As a result of the merger effective December 31, 2019 described in Note 1, the Plan held no financial assets or liabilities as of December 31, 2019. The following table summarizes the Plan's financial assets and liabilities that are measured at fair value on a recurring basis as of December 31, 2018.

Description	Fair Value Measurements			Total Fair Value
	At December 31, 2018			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

NOTE 5. Income Tax Status

The Plan received its latest determination letter on February 28, 2018, applicable for the Plan's amendments effective on October 8, 2012 and January 23, 2017, in which the Internal Revenue Service (the "IRS") stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Management does not believe that any plan amendments made subsequent to January 23, 2017 affect the qualification of the Plan.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2016.

NOTE 6. Risks and Uncertainties

The Plan provides for investment in various investment securities. The investments of the Plan are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in values of investments in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

NOTE 7. Exempt Party-In-Interest Transactions

The Plan invests in shares of registered investment companies managed by an affiliate of VFTC. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Fees incurred by the Plan for investment management services were included as a reduction of the return earned on each fund. Administrative fees paid by participants, which reduced Plan net assets, were \$499,921 in 2019. Administrative fees paid by the Company were \$17,695 in 2019.
