NOTE 1 DESCRIPTION OF PLAN

The following brief description of the Riggs, Counselman, Michaels & Downes, Inc. Thrift and Profit Sharing Plan and Trust (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

GENERAL

The Plan is a defined contribution plan covering substantially all full-time employees of Riggs, Counselman, Michaels and Downes, Inc. and its subsidiary, RCM&D Self-Insured Services Company, Inc., (collectively referred to as the Company). Employees are eligible to participate on the first day of the month following employment by direct contributions into various investment options. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

THRIFT COMPONENT

Contributions

The Plan provides for voluntary contributions of up to 100% of pretax salary or basic wages as defined by the Plan with a maximum limit defined by the Internal Revenue Code (IRC). Effective November 1, 2019, the Plan was amended to include automatic deferrals of 5% of eligible participant's pretax salary or base wages, unless the participant makes an election to the contrary. In addition, the Plan was amended to include voluntary Roth contributions of up to 100% of salary or basic wages as defined by the Plan with a maximum limit defined by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). The Company contributes 3% of the employee's base compensation and overtime, per pay period. Additional amounts may be contributed at the option of the Company's Board of Directors.

Participant's Account

Each participant's account is credited with the participant's contributions, employer's contributions, and his/her share of Plan earnings, subject to certain limitations. Earnings and market value changes are credited to each account daily based on the ratio of the participant's account to the total of all account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, Company matching contributions, and actual earnings thereon.

(See Independent Auditors' Report)

PROFIT SHARING PLAN COMPONENT

Contributions

Each year, the Plan provides for contributions by the Company in such amounts as may annually be determined by the Board of Directors based on the profitability of the Company but, in no event, shall any annual contribution, plus any forfeitures, during such year exceed 15% of the annual compensation of all participants as defined by the Plan. Discretionary contributions of $453,600 and $457,000 were made for the 2019 and 2018 Plan years, respectively.

Participant's Accounts

Any employer profit sharing contributions are allocated based on a number of factors, including a participant's compensation and age, in a manner which complies with Federal Law. The participant's account is also credited with the net increase (decrease) in earnings of the investments based on the ratio a participant's respective investment account bears to the total of all participants' accounts at the allocation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the participant's account plus actual earnings thereon is based on years of continuous service. A participant's account becomes vested in the profit sharing contributions generally over a six-year period.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are valued at fair value. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is accrued as earned. Dividends are recorded on the ex-dividend dates.

In the Statements of Changes in Net Assets Available for Benefits, the Plan presents the net change in the fair value of its investments, which consists of the realized gains and losses and the unrealized appreciation or depreciation of those investments during the year.

The investment committee meets annually to review the investment options to ensure they are appropriate for the Plan.

(See Independent Auditors' Report)

CONTRIBUTIONS

The employee elective contributions are recorded in the period during which the Company makes payroll deductions from the participant's earnings. The employer discretionary contributions are recorded as determined by the Company.

ACCOUNTING STANDARDS CODIFICATION

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through July 21, 2020, the date the financial statements were available to be issued.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) global pandemic and recommended containment and mitigation measures worldwide. This contagious disease outbreak, which continues to spread, has adversely affected workforces, customers, economies, and global financial markets. As a result, the Plan's investments have and will fluctuate in response to changing market conditions. The extent of the impact on the Plan's future financial condition cannot be determined at this time.

PAYMENT OF BENEFITS

Benefit payments to participants are recorded when paid.

ADMINISTRATIVE EXPENSES

Recordkeeping fees of the Plan were paid by the Company and not charged against the participants' contributions or matching employer's contributions, through October 31, 2019, and as such those expenses are not included in the accompanying statements. Effective November 1, 2019, recordkeeping fees of the Plan are paid by the Plan and are included in

(See Independent Auditors' Report)

the accompanying statements. Fees related to the management of the fund assets are paid by the participants in the form of an investment management fee paid by all shareholders of the mutual funds. Loan origination fees are paid by each participant who elects to borrow from the Plan.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

NOTE 3 FORFEITED ACCOUNTS

At December 31, 2019 and 2018, forfeitures amounted to $65,174 and $49,994, respectively. A total of $50,378 and $22,480 was allocated to participant accounts in 2019 and 2018, respectively. Forfeitures will be used to reduce Plan expenses or future Company contributions in accordance with Plan documents.

NOTE 4 NOTES RECEIVABLE FROM PARTICIPANTS

The Plan has a loan provision, in which, participants may borrow up to 50% of their elective contribution account balances not to exceed $50,000. Loan terms are for a maximum of five years or not to exceed 30 years if used to acquire a dwelling unit and must be repaid in equal installments not less than quarterly. Loans initiated prior to November 1, 2019 bore interest at PNC Bank N.A.'s prime rate plus .5% at the time of the loan and were fixed for the term of the loan. Effective November 1, 2019, loans bear interest at Wall Street Journal's prime rate plus 1% at the time of the loan and is fixed for the term of the loan. The interest rates on all outstanding loans range from 3.75% to 6.0% as of December 31, 2019. Principal and interest are paid through payroll deductions. Loan balances are due and payable in full when a participant terminates employment.

NOTE 5 PAYMENT OF BENEFITS

Participants who retire, die, become totally or permanently disabled, or terminate employment are entitled to receive the full value of their vested interest in their account in a lump sum or installments. Participants become fully vested in their account balance upon death or disability.

NOTE 6 INVESTMENTS

PNC Bank, N.A. was the Trustee of the Plan for the period of January 1, 2019 through October 31, 2019 and Great-West Trust Company, LLC was the Trustee for the Plan for the period of November 1, 2019 through December 31, 2019. Financial information related to those investments is included in the accompanying financial statements based on information

(See Independent Auditors' Report)

certified by the Trustees. The information has not been audited by the Plan's independent auditors. As of December 31, 2019 and 2018, certified investment information consisted of the following:

	2019	2018
Mutual Funds	$ 46,437,880	$ 40,290,552

During 2019, certified investment income consisted of the following:

Net Appreciation in Fair Value of Mutual Funds	$ 6,632,032
Dividends	1,521,202
	$ 8,153,234

VALUATION OF INVESTMENTS

Investments are recorded at fair value in accordance with the provisions of the Fair Value Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. That framework provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Codification are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(See Independent Auditors' Report)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used at December 31, 2019 and 2018.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market. These assets are classified as Level 1 within the fair value hierarchy.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7 PLAN TERMINATION

While the Company has not expressed any intent to terminate the Plan, the Company reserves the right to do so at any time subject to the provisions or ERISA. In the event of termination, the Plan's net assets shall be distributed to the participants in cash or in kind in one lump-sum payment.

NOTE 8 TAX STATUS

The Plan received a letter from the Internal Revenue Service dated November 21, 2017, stating the Plan meets the qualification requirements of Section 401(a) of the IRC and, accordingly, is exempt from income taxes. The Plan has since been amended to a Prototype Non-standardized Profit Sharing Plan. The Plan received a letter from the Trustee, Great-West Trust Company, dated March 31, 2014, stating that the Plan meets the qualifications under Code Section 401(a) of the IRC. The Plan sponsor and tax counsel believe the Plan is designed and currently operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator has concluded that there were no uncertain tax positions taken as of December 31, 2019.

(See Independent Auditors' Report)

NOTE 9 RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which are exposed to various risks, such as interest rate, credit and overall volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 PARTIES-IN-INTEREST TRANSACTIONS

The Plan pays investment management and recordkeeping fees to parties-in-interest. The Plan paid $67,367 and $68,753 to parties-in-interest for the years ended December 31, 2019 and 2018, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
