Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

NOTES TO FINANCIAL STATEMENTS

Embrace Pet Insurance 401(k) Retirement Savings Plan

1 Description of Plan

The following description of the Embrace Pet Insurance 401(k) Retirement Savings Plan (“Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan, which began January 1, 2009, and was most recently restated effective July 19, 2017, was established as a defined contribution plan, covering employees of Cleveland Holdings, LLC (“Company”) who meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Termination:

The Company was acquired by NSM Insurance Group on April 1, 2019. The Company adopted a resolution effective June 30, 2019 to terminate the Plan. Effective with the Plan’s termination, all participants with an account balance remaining in the Plan became fully vested in all contribution sources, regardless of years of vested service. The Plan’s termination also ceased employee and employer contributions into the Plan and ceased new participant loans from the Plan.

Existing participants and employees of the Company became eligible to participate in the NSM Insurance Group 401(k) Plan on July 1, 2019. Eligible participants transferred \$1,806,721 from the Plan to the NSM Insurance Group 401(k) Plan.

As of December 31, 2019, all account balances were distributed from the Plan.

Eligibility:

Prior to the Plan’s termination, all employees of the Company, except union employees, leased employees and non-resident aliens were eligible to participate in the Plan. There were no age or service requirements.

Contributions:

Employee Contributions – Prior to the Plan’s termination, participants could elect a portion of their compensation, up to the maximum amount allowed by law, to be contributed to the Plan by the Company. Upon meeting the eligibility requirements, new employees were automatically enrolled in the Plan, unless they elect not to participate, at a contribution rate of 3% of eligible compensation, increasing by 1% annually up to a maximum of 10%. Participants who have attained age 50 before the end of the Plan year were eligible to make catch up contribution, in accordance with Internal Revenue Service (“IRS”) guidelines.

Employer Contributions – Prior to the Plan’s termination, the Company, at its discretion, made contributions to each eligible participant’s account by matching 50% up to a maximum of 6% of the participant’s elective deferral for the plan year. Total employer contributions were \$89,916 and \$122,366 for the years ended December 31, 2019 and 2018, respectively.

1 Description of Plan, Continued

Contributions, Continued:

Employer Discretionary Contributions – Prior to the Plan’s termination, the Company could also make additional contributions. Such additional contributions, if any, were allocated to each participant in proportion to his or her compensation for the calendar year. There were no discretionary contributions for the years ended December 31, 2019 and 2018.

Prior to the Plan’s termination, rollover contributions from other plans were also accepted, providing certain specified conditions were met.

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code, as defined in the Plan agreement.

Participants’ Accounts:

Each participant's account was credited with the participant's elective contributions, employer matching contributions, employer discretionary contributions, earnings and losses thereon. Prior to the Plan’s termination, the Plan provided for each participant the ability to invest in one or more investment options.

Vesting:

All participants are 100% vested in elective deferrals, qualified non-elective contributions and rollover contributions made to the Plan. Prior to the Plan’s termination, vesting in the employer contributions was based on years of credited service and was subject to the following vesting schedule:

Years of Service	Vested %
2	50%
3	100%

Forfeitures:

Forfeitures due to termination from the Plan before a participant is 100% vested can be used to reduce employer contributions or to pay Plan expenses. Forfeited nonvested accounts totaled \$0 as of December 31, 2019 and 2018. During 2019, forfeited nonvested accounts of \$3,670 was used to reduce employer matching contributions.

Notes Receivable from Participants:

Prior to the Plan’s termination, loans were permitted under certain circumstances and subject to limitations. Participants could borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans were repaid over a period not to exceed five years with exceptions for the purchase of a primary residence. Loans were valued at unpaid principal plus accrued but unpaid interest. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

NOTES TO FINANCIAL STATEMENTS

1 Description of Plan, Continued

Notes Receivable from Participants, Continued:

The loans were secured by the balance in the participant's account and bear interest at rates established by the Plan Administrator. Principal and interest were paid ratably through payroll deductions.

Other Plan Provisions:

Normal retirement age is 65. After reaching age 59-1/2, participants were able to withdraw from their accounts while still employed by the Company without penalty.

Payment of Benefits:

Upon termination of service by reason of separation of service, retirement, death or total and permanent disability, a participant receives a lump sum amount equal to the value of his or her account. If a participant's vested account balance is \$5,000 or less, he or she will receive a distribution upon termination as soon as administratively possible. Benefits are recorded when paid.

Hardship Withdrawals:

Hardship withdrawals are permitted in accordance with Internal Revenue Service guidelines.

Investment Options:

Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan.

2 Summary of Significant Accounting Policies

Basis of Accounting:

As disclosed in Note 1, the Company elected to terminate the Plan during 2019. As a result, the Plan changed its basis of accounting from the ongoing basis to the liquidation basis in accordance with U.S. GAAP. There were no material changes to the financial statements as a result of the change under the liquidation basis of accounting.

Valuation of Investments:

Investments held in the Plan included mutual funds, collective investment trusts and pooled separate accounts. The investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of Fair Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

Embrace Pet Insurance 401(k) Retirement Savings Plan

2 Summary of Significant Accounting Policies, Continued

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Fees:

Certain expenses of maintaining the Plan may be paid directly by the Company and are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying Statement of Changes in Net Assets Available for Benefits. In addition, certain investment-related expenses are included in net depreciation of fair value of investments.

Risks and Uncertainties:

The Plan's investment included investments in mutual funds, pooled separate accounts and collective investment trusts with varying degrees of risk, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statement of Net Assets Available for Plan Benefits.

Subsequent Events:

Management evaluates subsequent events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements.

Subsequent events have been evaluated through July 31, 2020, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Embrace Pet Insurance 401(k) Retirement Savings Plan

3 Tax Status

The Company adopted a volume submitter profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014, which states that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (“IRC”) and is, therefore, not subject to tax under present income tax law. The Plan has been amended since receiving the opinion letter. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan’s qualified status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2019, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

4 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets
- * Quoted prices for identical or similar assets or liabilities in inactive markets
- * Inputs other than quoted prices that are observable for the asset or liability
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

NOTES TO FINANCIAL STATEMENTS

Embrace Pet Insurance 401(k) Retirement Savings Plan

4 Fair Value Measurements, Continued

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds:

The fair values of the mutual funds are based on quoted market prices. The mutual funds are classified in Level 1 of the valuation hierarchy.

Real Estate Separate Account:

Valued at the net asset value as a practical expedient (“NAV”) of units held by the Plan. The NAV is determined by the Custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

Collective Investment Trusts:

Valued at the net asset value as a practical expedient (“NAV”) of units held by the Plan at year-end. The NAV is determined by the Custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2018. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 152,201	\$ -	-	\$ 152,201
Total Assets in the Fair Value Hierarchy	<u>\$ 152,201</u>	<u>\$ -</u>	<u>\$ -</u>	152,201
Investments Measured at Net Asset Value:				
Real Estate Separate Account ^(a)				1,910
Collective Investment Trusts ^(a)				<u>1,326,010</u>
Investments at Fair Value				<u>\$ 1,480,121</u>

^(a) These investments are measured at the net asset value (“NAV”) per share (or its equivalent) and have not been classified in the fair value hierarchy. The NAV, as provided by the Custodians, is used as the practical expedient to estimate fair value.

4 Fair Value Measurements, Continued

6 Party-in-Interest Transactions

Certain Plan investments are managed by Principal Life Insurance Company, Principal Global Investors Trust Company, and Principal Trust Company, the Custodians as defined by the Plan, and therefore, these transactions qualify as party-in-interest. Usual and customary fees were paid by the funds for investment management services. In addition, the Plan has arrangements with various service providers and these arrangements qualify as party-in-interest transactions.

7 Prohibited Transactions

As required by ERISA, the Company is required to segregate employee contributions to the Plan from its general assets as soon as practicable. During 2018 certain employee contributions and loan payments were not remitted by the Company to the Plan within the time period, as defined. These transactions constitute prohibited transactions. The Plan Sponsor has corrected these late remittances in accordance with the appropriate correction guidelines.
