NOTES TO FINANCIAL STATEMENTS
February 29, 2020 and February 28, 2019

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Westside Transit Lines - A.T.U. Pension Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General.** TransDev Services, Inc., formerly Veolia Transportation Services, Inc. (Westside Transit Division) is the Plan sponsor as well as the employer. The Plan is a defined contribution plan covering all full-time eligible class employees (employees covered by the collective bargaining agreement between the employer and the union and non-collectively bargained employees who are not highly compensated) of the employer who have at least one year of service and who are age 21 or older. Each employee shall participate in the Plan beginning on the first day of the month once the eligibility requirement has been satisfied.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was amended and restated effective March 1, 2016 to include language related to the Pension Protection Act and change the language so that the union contracts are incorporated by reference.

2. **Contributions.** The funding of the Plan is by employer and participant contributions based on a percentage of eligible gross salary. See the tables below for rates and their respective effective dates:

Fixed Route	Participant Contribution	Employer Contribution
As of 4/1/2018	7%	14.0%
As of 4/1/2019	7%	15.0%

Para-Transit (MITS)	Participant Contribution	Employer Contribution
As of 4/1/2016	3%	1.8%
As of 4/1/2019	3%	3.0%

RPTA	Participant Contribution	Employer Contribution
As of 2/1/2018	3%	3.5%

NOTE 1 - DESCRIPTION OF PLAN (Continued)

3. **Participant Accounts.** The fund consists of two accounts for each participant: the participant's account (consisting of participant contributions plus earnings thereon), and the employer's account (consisting of employer's contributions plus earnings thereon less expenses of the Plan).
4. **Vesting.** Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's contributions portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 0% vested before completing 3 years of credited service and 100% vested thereafter.
5. **Payment of Benefits.** Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, a qualified preretirement survivor annuity, or a qualified joint and survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
6. **Plan Expenses.** The Plan incurs fees for administrative services provided by the asset custodian and third-party administrator as well as legal and accounting fees. Fees for investment services are provided by an investment manager. The respective fees are charged directly to the employer's account within the participants account and are included in the Statements of Changes of Net Assets Available for Benefits as administrative or investment expenses. For the years ended 2020 and 2019, fees were approximately 2.01% and 1.78% of total plan assets at February 29, 2020 and February 28, 2019.
7. **Forfeited Accounts.** At February 29, 2020 and February 28, 2019, unapplied forfeited nonvested account assets totaled \$13,307 and \$0, respectively. These accounts can be used in the following order: (i) restore any previously forfeited accounts of participants who have been reemployed and are entitled to a restoration of the forfeited portion; (ii) fund any employer contributions required under USERRA with respect to qualified military service; (iii) pay administrative expenses of the Plan and; (iv) allocated to the Participants' Employer Contribution account.

8. **Administration.** The Plan's assets are held by Gulf Coast Bank & Trust as custodian. The assets are managed by Eagle Capital Management, L.L.C. (Eagle). Eagle has the discretionary authority to invest and reinvest the assets of the Plan, pursuant to investment guidelines provided by the trustees. The Plan used Haslauer Group to perform the compliance testing and prepare the Form 5500 for the years ended February 29, 2020 and February 28, 2019.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Investments

The Plan's investments are stated at fair value as provided by the asset custodian. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a settlement-date basis. Dividends are recorded on the ex-dividend date.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Benefits

Benefits are recorded when paid.

Amounts allocated to withdrawing participants that have terminated the Plan as of February 29, 2020 and February 28, 2019, but have not been paid as of year-end amounted to \$912 and \$0, respectively.

Risks and Uncertainties

The Plan provides for various investment options in any combination of United States government securities, corporate notes and bonds, common stocks and equities, exchange traded funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and participant account balances.

NOTE 4 - FAIR VALUE MEASUREMENTS (Unaudited)

Financial Accounting Standards Board ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of hierarchy under FASB ASC 820 are described below:

LEVEL 1 Inputs to the valuation methodology are unadjusted quoted prices for the identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 Inputs to the valuation methodology are unobservable and significant to the value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS (Unaudited) - Continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at February 29, 2020 and February 28, 2019.

Common Stocks, Corporate Bonds, Equities, Exchange Traded Funds and U. S. Government Securities: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with the other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of February 29, 2020.

	ASSETS AT FAIR VALUE AS OF FEBRUARY 29, 2020

NOTE 5 - CASH AND CASH EQUIVALENTS

Cash and cash equivalents at February 29, 2020 and February 28, 2019, consisted of amounts invested in money market accounts with variable interest rates. At February 29, 2020 and February 28, 2019, respectively, cash and cash equivalents totaled \$1,184,055 and \$1,039,892.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan obtained its latest determination letter of July 14, 2011, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken uncertain tax positions that more likely than not would be sustained upon the examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of February 29, 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 7 - TAX STATUS - Continued

The Plan recognizes the tax benefit from uncertain tax positions only if it is "more likely than not" the tax position will be sustained on examination by the taxing authorities. To the extent the Plan's assessment of such tax positions change, the change will be recorded in the period in which the determination is made. No adjustments were required for the year ended February 29, 2020. The Plan's Form 5500 for the years ended February 28, 2017, February 28, 2018 and February 28, 2019 and remain subject to examination by the taxing authorities. The February 29, 2020 Form 5500 has not yet been filed.

NOTE 8 - LABOR CONTRACTS

Under the contract, participants contribute 7% of eligible gross salary and the employer contributes 12.5% of eligible gross salary. On December 20, 2017, the Plan sponsor renewed their labor contract effective April 1, 2018 through March 31, 2021. Under the new contract, effective April 1, 2018 and 2019, the employer contributed 14% and 15%, respectively, of eligible gross salary. Effective April 1, 2020, the employer began contributing 16% of eligible gross salary.

On December 19, 2014, the Plan sponsor renewed a labor contract with the Amalgamated Transit Union Joint Council Division No. 1535 for paratransit employees effective April 1, 2015 through March 31, 2018. NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Net assets available for benefits as stated in the accrual basis financial statements exceed the amounts reported in the Form 5500 by \$26,856 and \$23,331 at February 29, 2020 and February 28, 2019, respectively. Such differences are attributable to financial statement accruals for income and expenses.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the date the financial statements were available to be issued, which corresponds with the date of the independent auditors' report.

Subsequent to year end, the President of the United States declared a national emergency due to the COVID-19 pandemic. The spread of COVID-19 has caused significant volatility in the U.S. and international financial markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its future impact on the U.S. economy.

At the date of the independent auditors' report, the impact to the Plan has not been significant, but the future impact on the Plan is unknown. The extent to which the COVID-19 pandemic and global efforts to contain its spread will impact the financial markets depends on future developments, which cannot be predicted at this time, and include the duration, severity and scope of the pandemic and the actions taken to contain or treat the COVID-19 pandemic.

Other than subsequent events described above and in Note 8, no other material subsequent events have occurred since February 29, 2020 that required recognition or disclosure in these financial statements.
