Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Superior Health Linens 401(k) Plan, which comprise the statements of net assets available for benefits as of October 24, 2019, and the related statement of changes in net assets available for benefits for the period from January 1, 2019 to October 24, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in Note 3, which was certified by Associated Trust Company N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee held the Plan's investment assets and executed investment transactions. The plan administrator has obtained a certification from the trustee as of October 24, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the October 24, 2019 financial statements. Accordingly, we do not express an opinion on the October 24, 2019 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule of delinquent deposits for the period ended October 24, 2019 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018 was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Associated Trust Company, N.A, the trustee of the Plan. Their report, dated December 19, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2019

The form and content of the information included in the October 24, 2019 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United State of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

General:

The Plan is a defined contribution plan covering all employees of Superior Health Linens and TCS Acquisition Co. LLC dba Textile Care Services (the "Employers") who have completed six months of service and are age 21 or older. An employee may join the Plan on any entry date on or following the satisfaction of these requirements. The Plan's entry dates are the first day of each quarter. The Plan is subject to the provisions of ERISA. The Plan Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective October 24, 2019, the assets of the Plan were merged into Shelbyville Laundry, Inc. 401(k) Profit Sharing Plan and Trust. See Note 5 for additional information.

Contributions:

The Plan is funded by both participant and employer contributions. Each year, participants may contribute up to 100% of pre-tax and post-tax annual compensation, as defined by the plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan has adopted a safe harbor matching employer contribution. The safe harbor matching contributions are 100% of the first 3% and 50% of the next 2% of participant deferrals contributed to the Plan. Also, the Employers may make an additional discretionary matching employer contribution on behalf of each eligible participant in an amount equal to a percentage of contributions made during the year. In 2019 and 2018, no additional discretionary matching employer contributions were made to the Plan. Contributions are subject to certain IRS limitations.

NOTES TO FINANCIAL STATEMENTS

Participant accounts:

Each participant's account is credited with the participant's contribution and Employers' matching contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions and the Employers' safe harbor contributions plus actual earnings thereon. Vesting in the Employers' discretionary matching contribution portion of their accounts and earnings thereon is based on years of continuous service, with 20% vesting upon completion of one full year of service and increasing at a rate of 20% for each year thereafter, becoming fully vested upon completion of five full years of service.

Notes receivable from participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1-5 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The loan interest rate is set by the plan administrator and is prime interest rate plus 2%. Principal and interest is paid ratably through payroll deductions.

Payment of benefits:

On termination of service due to death, disability, or termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited accounts:

At October 24, 2019 and December 31, 2018, there were no forfeited non-vested accounts. In 2019, employer contributions were reduced by \$1,804 and \$48 in administrative fees were paid from forfeited non-vested accounts. There were no forfeitures used during 2018.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of Superior Health Linens 401(k) Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of presentation:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivables from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes are recorded as a distribution based on the terms of the plan document. No allowance for credit losses had been recorded as of December 31, 2018.

NOTES TO FINANCIAL STATEMENTS

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain administrative expenses of maintaining the Plan are paid directly by the Companies and are excluded from these financial statements. Fees related to the administration of participant accounts are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments as they are paid through revenue sharing, rather than a direct payment.

Subsequent events:

Subsequent events have been evaluated through August 17, 2020, which is the date the financial statements were available to be issued.

Note 3. Certified Investments

Certain information related to investments and notes receivables from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at October 24, 2019 and December 31, 2018, and net appreciation (depreciation) in fair value of investments and interest and dividends for the period from January 1, 2019 to October 24, 2019 and the year ended December 31, 2018, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Associated Trust Company N.A. (the trustee of the Plan).

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

NOTES TO FINANCIAL STATEMENTS

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active or inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

All assets have been valued using a market approach. Following is a description of the valuation methodologies used for assets measured at fair value.

Money market funds – valued at the net asset value of shares held by the Plan at year-end.

Mutual funds – valued at the daily closing price as reported by the fund.

Common/collective trust fund – valued at the net asset value (NAV) of units held by the Plan at year end. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is used as a practical expedient to estimate the fair value.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

	2018	
	<u>Level 1</u>	<u>Total</u>
Money market fund	\$140,879	\$ 140,879
Mutual funds	<u>855,241</u>	<u>855,241</u>
Total assets in fair value hierarchy	<u>\$996,120</u>	996,120
Investments measured at net asset value		<u>865,312</u>
Total assets at fair value		<u>\$1,861,432</u>

Investments Measured Using Net Asset Value per Share Practical Expedient

The common/collective trust fund has no unfunded commitments and can be redeemed daily, with no redemption notice period, without specific terms or conditions at the underlying investments' net asset value. The NAV is updated daily.

Note 5. Plan Merger and Transfer

Effective September 30, 2016, Superior Health Linens was purchased by Shelbyville Laundry, Inc. to form the Healthcare Linen Services Group. There were no changes to the Plan as a result of the purchase and all Plan provisions applied solely to the Employers until October 24, 2019. Effective October 24, 2019, the assets of the Plan were merged into the Shelbyville Laundry Group 401(k) Profit Sharing Plan and Trust. The transferred assets have been recognized in the accounts of Shelbyville Laundry Group 401(k) Profit Sharing Plan and Trust as of October 24, 2019. The statement of changes in net assets available for benefits presented for the Plan represents the Plan's activity through the date of transfer. The assets transferred out of the Plan into Shelbyville Laundry, Inc. 401(k) Profit Sharing Plan and Trust totaled \$2,399,603. All transactions for the Plan ceased as of October 24, 2019.

NOTES TO FINANCIAL STATEMENTS

Note 6. Income Tax Status

The Plan is a volume submitter plan offered by Associated Trust Company, N.A. The volume submitter plan obtained its latest opinion letter on May 8, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Related Party Transactions

Certain administrative functions are performed by officers or employees of the Employer. No officer or employee receives compensation from the plan.

Certain of the Plan's investments are managed by Associated Trust Company, N.A. Associated Trust Company, N.A. is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of the investments. Fees incurred for plan administration totaled \$25,593 for the period January 1, 2019 to October 24, 2019 and \$31,737 for the year ended December 31, 2018.

Note 8. Risks and Uncertainties

The Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in values of investment securities could have occurred in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

Note 9. Prohibited Transactions

During the plan period ended October 24, 2019, the Employers failed to remit \$56,880 of employee contributions within the period prescribed by Department of Labor regulations. The Employers will make a contribution to the affected participants accounts to compensate those participants for lost earnings due to the delays.
