INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator
Ramey-Estep Homes, Inc.
401 (k) Retirement Savings Plan
Rush, Kentucky

Report on the Financial Statements

We have audited the accompanying financial statements of Ramey-Estep Homes, Inc. 401(k) Retirement Savings Plan, (the "Plan") which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Ramey-Estep Homes, Inc. 401(k) Retirement Savings Plan as of December 31, 2019 and 2018, and the changes in its net assets available for benefits for the year ended December 31, 2019, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule presented on pages 10 and 11, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

RAMEY-ESTEP HOMES, INC.
401(k) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

(1) DESCRIPTION OF PLAN

The following description of the Ramey-Estep Homes, Inc. (the "Company") 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of the Company who have attained age 18. Employees may enter the Plan on the first day of the month after completing six months of employment. The Plan is regularly updated to comply with tax legislation. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The assets of the Plan are maintained in investment funds held by Fidelity Management Trust Company ("Fidelity"). Broker commissions associated with investment transactions and investment management fees are paid by the Plan. Administrative fees not paid by the Plan are paid by the Company.

Contributions

Each year, participants may contribute from 1% to 100% of their pay up to the maximum allowable contribution, as defined in federal legislation. Through October 31, 2013, the Company matched 100% of the first 4% of employee salary deferrals, not exceeding 4% of compensation. Effective November 1, 2013, the Company matches 50% of the first 6% of employee salary deferrals, not to exceed 3% of compensation.

Participants may rollover eligible amounts from other qualified plans. Such amounts and any earnings or losses shall be fully vested at all times. However, the Plan will not accept rollovers of after-tax employee contributions.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution, (b) the Company's contribution and, (c) Plan earnings, and charged with an administration fee. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Beginning November 1, 2013, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at 4.25% - 6.50%, which was prime plus 100 basis points at loan inception. Principal and interest is paid ratably through payroll deductions. Loans totaling \$238 and \$15,265 were defaulted during the years ending December 31, 2019 and 2018, respectively, due to employee terminations.

Vesting

Participants are immediately vested in their voluntary contributions plus Plan earnings thereon. Vesting in the Company's matching portion of their accounts plus Plan earnings thereon is based on years of service. The vesting requirements of the Plan allow participants to become 33 1/3% vested after one year of credited service, 66 2/3% vested after two years of credited service, and 100% vested after three years of credited service, or earlier, if employment is terminated due to death or disability, or upon attainment of age 55.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the investment options available to the Plan as advised by Fidelity. Participants may change the allocation percentages at any time.

Payment of Benefits

Employees are eligible for retirement benefits upon reaching age 65. Upon termination of service due to death or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participants' vested interest in his or her account, or distributions based on various annuity options or fixed income payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participating employees may make hardship withdrawals under prescribed circumstances, up to the value of their vested account balance.

Forfeited Accounts

Non-vested accounts of terminated employees are used to offset Plan expenses or reduce the employer's contributions. At December 31, 2019 and 2018, forfeited non-vested accounts totaled \$2,480 and \$-0-, respectively. For 2019, employer contributions were reduced by \$-0- from forfeited, non-vested accounts.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using U.S. generally accepted accounting principles and the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits for a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. At December 31, 2019 and 2018, the Plan held no contracts that are considered fully benefit-responsive.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires that the plan administrator make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses

has been recorded as of December 31, 2019 or 2018. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

Subsequent events have been evaluated through July 20, 2020, which is the date the financial statements were available to be issued.

(3) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(4) INCOME TAX STATUS

The Company has adopted a volume submitter plan document and is relying on the volume submitter practitioner's opinion letter from the Internal Revenue Service dated March 31, 2014, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(5) RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Fidelity Management Trust Company ("Fidelity") acts as the agent of the custodial-trustee and is the service provider for the Plan and, therefore, transactions with them qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for record keeping services totaled \$4,545 for the year ended December 31, 2019.

A Board member's investment firm provides investment advisor services to the Plan members and therefore, transactions with that firm qualify as party-in-interest transactions. Fees paid by the Plan for investment advisor services totaled \$13,943 for the year ended December 31, 2019.

Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

(6) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(7) FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as: a) quoted prices for similar assets or liabilities in active markets, b) quoted prices for identical or similar assets or liabilities in inactive markets, c) inputs other than quoted prices that are observable for the asset or liability, d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs that are unobservable for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest-bearing Cash - Fair value equals book value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018:

<u>December 31, 2019</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 2,905,906	\$ -	\$ -	\$ 2,905,906
Interest-bearing cash	3,446	-	-	3,446
Total assets at fair value	<u>\$ 2,909,352</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,909,352</u>
 <u>December 31, 2018</u>	 <u>Level 1</u>	 <u>Level 2</u>	 <u>Level 3</u>	 <u>Total</u>
Mutual Funds	\$ 2,303,463	\$ -	\$ -	\$ 2,303,463
Interest-bearing cash	217	-	-	217
Total assets at fair value	<u>\$ 2,303,680</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,303,680</u>

(8) SUBSEQUENT EVENTS

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which are likely to negatively impact future revenue. Other financial impact could occur, but such potential impact is unknown at this time.

To the Plan Administrator
and Management of
Ramey-Estep Homes, Inc.
401(k) Retirement Savings Plan
Rush, Kentucky

We have audited the financial statements of Ramey-Estep Homes, Inc. 401(k) Retirement Savings Plan (the "Plan") for the year ended December 31, 2019, and we will issue our report thereon dated July 20, 2020. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated August 15, 2019. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note (2) to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2019. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements is in valuing investments. As part of our audit procedures, we evaluated the key factors and assumptions used to develop the estimated fair value of investments in determining that it is reasonable in relation to the financial statements, taken as a whole.

The financial statement disclosures are neutral, consistent and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated July 20, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Plan Administrator and management of Ramey-Estep Homes, Inc. 401(k) Retirement Savings Plan and is not intended to be and should not be used by anyone other than these specified parties.
