Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in *Note 5*, which was certified by Capital Bank and Trust Company and Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the custodians of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company held the Plan's investment assets and executed investment transactions from January 15, 2019 to December 31, 2019, and that Capital Bank and Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2018, and for the period from January 1, 2019 to January 14, 2019. The plan administrator has obtained certifications from the custodians as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the custodians is complete and accurate.

Re: Independent Auditors' Report

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedules

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2019 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2019, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter – 2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Capital Bank and Trust Company, the custodian of the Plan. Their report, dated August 20, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2019 financial statements and supplemental schedules, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 – DESCRIPTION OF PLAN

Lexitas 401(k) Plan (formerly known as Deposition Solutions, LLC 401(k) Plan) (the Plan) is a defined contribution 401(k) profit sharing plan adopted by Deposition Solutions, LLC dba Lexitas (the Company), originally effective on January 1, 2016, to provide employees with the opportunity to save for retirement on a tax-advantaged basis. The Plan was amended and restated effective January 15, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and is administered by the Company.

Effective January 15, 2019, the Plan changed custodians from Capital Bank and Trust Company to Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company. Also effective January 15, 2019, the Plan name was changed from Deposition Solutions, LLC 401(k) Plan to Lexitas 401(k) Plan.

The summary of significant provisions of the Plan presented below provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Eligibility – All nonexcluded employees of the Company who have completed at least 60 days of service and have attained the age of 21 are eligible to participate in the Plan. The Plan's entry date is the first day of the month coinciding with or next following the date an employee satisfies the eligibility requirements.

Contributions – Participants may elect to defer up to 100% of their eligible compensation into the Plan as a pre-tax 401(k) or Roth 401(k) deferral, not to exceed the dollar limit set by law. Participants who are age 50 or over may also defer an additional amount called a catch-up contribution. Participants may revoke their salary deferral election at any time during the Plan year. Participants may be permitted to deposit into the Plan distributions they have received from other retirement plans and certain IRAs.

The Company may make a discretionary matching contribution equal to a uniform percentage of participants' salary deferrals. Each year, the Company will determine the amount of the discretionary percentage. During 2019, the Company did not make a discretionary employer matching contribution.

The Company may also make a discretionary profit sharing contribution to the Plan. The profit sharing contribution will be allocated or divided among participants eligible to share in the contribution for the Plan year. For 2019, the Company did not make a discretionary profit sharing contribution.

The employer contributions made during 2019 represent qualified nonelective contributions, to correct certain delinquent participant contributions (*see Note 10*).

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options – Participants are responsible for their investment decisions under the Plan and any resulting investment activity. The Plan currently offers various mutual funds, collective trust funds and a fixed income guaranteed option as investment options for participants. The value of participant accounts is updated each business day to reflect any contributions, exchanges between investment options, investment earnings or losses for each investment option and withdrawals.

Vesting – Participants are always 100% vested in their deferral contributions, including catch-up contributions and rollover contributions, plus any earnings thereon. Vesting in discretionary employer matching contributions and profit sharing contributions is based on years of vesting service. Participants will become 100% vested after five years of service.

Notes Receivable From Participants – Participants may borrow from their accounts a minimum of $1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or $50,000, reduced by the highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date of the new loan over the participant's current outstanding balance of loans as of the date of the new loan. Loans are secured by the balance in a participant's account. All loans bear a reasonable rate of interest. Principal and interest are paid ratably through payroll deductions or payment by check. The term of the loan may not exceed five years unless it is for the purchase of a participant's principal residence.

Payment of Benefits – Participants may receive a distribution of the vested portion of some or all of their accounts in the Plan upon termination of employment, normal retirement, disability or death. If a participant's vested account balance does not exceed $5,000, then the participant's vested account balance may be distributed in a single lump-sum payment, or it may be rolled into an IRA by the Plan if the participant's vested account is more than $1,000, the participant has not reached normal retirement age, and the participant does not elect to have their vested account paid to them in a single sum or rolled to another retirement plan or an IRA of their choice.. If a participant's vested account balance exceeds $5,000, the participant must consent to any distribution before it may be made.

Participants who have attained age 59½ may receive an in-service distribution from their vested accounts. Hardship distributions may also be made to satisfy certain immediate and heavy financial needs that a participant may have.

Forfeited Accounts – If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan and is called a forfeiture. The Company may use forfeitures to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan. At December 31, 2019 and 2018, the forfeited nonvested account totaled $1,239 and $-0-, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value (except for the fully benefit-responsive general account, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See *Note 3* for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2019 excess contributions to the applicable participants prior to March 15, 2020.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events – The Plan has evaluated subsequent events through August 7, 2020, the date the financial statements were available to be issued (s*ee Note 12*).

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- **Level 3** – Inputs in the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds – The collective investment trusts (CIT) invest in a collective trust fund as well as a variety of separate accounts and mutual funds. The fair value of the collective investment trust and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs (level 1). The fair value of all these investments are used in determining the NAV of the CIT, which is not publicly quoted but is available to current investors via the Principal website or when Plan participants access their account values. The NAV is the basis for current transactions and the CIT can be redeemed at NAV as of the measurement date. The NAV is calculated in a manner consistent with U.S. GAAP for investment companies. Unfunded commitments typically are found in private equity funds and therefore are not applicable to CITs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	**$ 152,010**	**$ -**	**$ -**	**$ 152,010**
Collective trust funds	**1,448,438**	**-**	**-**	**1,448,438**
Total investments at fair value	**$ 1,600,448**	**$ -**	**$ -**	**$ 1,600,448**

	2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 938,797	$ -	$ -	$ 938,797
Total investments at fair value	$ 938,797	$ -	$ -	$ 938,797

NOTE 4 – GUARANTEED INVESTMENT CONTRACT

During 2019, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by Principal and is reviewed for resetting. The contract value of the guaranteed investment contract at December 31, 2019 was $1,142.

Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represent contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on Principal's ability to meet its financial obligations. Principal's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 5 – INFORMATION CERTIFIED BY CUSTODIANS

The Company has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the custodians of the Plan, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2019 and 2018, the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2019, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2019. Accordingly, as permitted under such election, the Company instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the custodians, except for comparing such information certified by the custodians with information included in the Plan's financial statements and supplemental schedule.

NOTE 6 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by the custodians. These transactions qualify as party in interest transactions. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibited transactions rules under ERISA.

NOTE 7 – PLAN TERMINATION

The Plan can be terminated (stopped). If the Plan is terminated, each participant's account will be 100% vested and nonforfeitable. Participant's accounts will be held under the Plan and continue to be credited with investment earnings until it is paid to them.

NOTE 8 – TAX STATUS

The Company adopted a volume submitter profit sharing plan with CODA sponsored by Principal Life Insurance Co. The volume submitter plan obtained its latest opinion letter on August 8, 2014, in which the Internal Revenue Service (IRS) stated that the plan, as then designed, was acceptable under section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has not requested its own determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Company believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the Company to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – PROHIBITED TRANSACTIONS

During 2018, the Company failed to remit to Capital Bank and Trust Company certain participant contributions totaling $2,173 within the timeframe called for within the DOL's regulations. Delays in remitting participant contributions were due to unintentional administrative errors. During 2019, the Company fully corrected such delinquent contributions, by allocating lost earnings to the affected participants. Management believes these nonexempt transactions do not affect the tax status determination of the Plan.

NOTE 11 – RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2019 and 2018, to Form 5500:

	2019	2018
Net assets available for benefits per the financial statements	**$ 1,613,182**	$ 939,132
Add: excess participant contributions payable at December 31, 2019	**2,249**	-
Less: other contributions receivable at December 31, 2018	**-**	(335)
Net assets available per Form 5500	**$ 1,615,431**	$ 938,797

The following is a reconciliation of net increase per the financial statements for the year ended December 31, 2019, to Form 5500:

Net increase per the financial statements	$ 674,050
Add: excess participant contributions payable at December 31, 2019	2,249
Add: other contributions receivable at December 31, 2018	335
Net income per Form 5500	$ 676,634

NOTE 12 – SUBSEQUENT EVENTS

Subsequent to year-end, many countries around the world, including the United States of America, were impacted by the coronavirus (the "virus" or COVID-19) outbreak. While the virus is continuing to evolve, its implications could impact interruptions to production and supply chains, unavailability of personnel, and reductions in sales, earnings or productivity. In addition, the Plan sponsor may be impacted by the broader effects of COVID-19 as a result of the negative impact the virus has had on the global economy and major financial markets. At this time, management is not aware of any material risk to the Plan's financial statements and cannot quantify the extent the virus may have on the Plan's financial information.

No other events require adjustment or disclosure.
