To the Board of Trustees
Cobleskill Stone Products, Inc.
401(k) Profit Sharing Plan
P.O. Box 220
Cobleskill, NY 12043

We have conducted a DOL limited-scope audit of the financial statements of Cobleskill Stone Products, Inc. 401(k) Profit Sharing Plan (the "Plan") for the year ended December 31, 2019, and have issued our report thereon dated July 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated November 1, 2019. Professional standards also require that we communicate to you the following information related to our audit.

SIGNIFICANT AUDIT MATTERS

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2019. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates affecting the financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no sensitive disclosures affecting the financial statements.

The financial statement disclosures are neutral, consistent and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated July 31, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

CURRENT AND PRIOR YEAR RECOMMENDATIONS

Statement on Auditing Standards "Communicating Internal Control Related Matters Identified in an Audit" issued by the American Institute of Certified Public Accountants requires the reporting of a significant deficiency if the Plan does not employ an individual with the necessary qualifications to prepare a complete set of financial statements and related footnotes in accordance with generally accepted accounting principles. The Plan does not employ such a person. Governance and management have been advised of this previously and have concluded that the cost to rectify this comment would exceed the benefit.

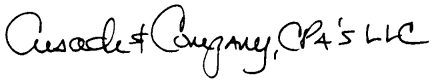

Employee Opt-Out Form

Although not a requirement, it is good practice if you keep on file an *employee opt-out form* for those employees that are eligible to participate in the plan, but are not actually participating in the plan.

We recommend management consider the development and implementation of a requirement for employee opt-out form completion for those employees who are eligible to participate but opt not to.

This information is intended solely for the use of the Board of Trustees and management of Cobleskill Stone Products, Inc. 401(k) Profit Sharing Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

401(k) Profit Sharing Plan
Cobleskill, New York

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Cobleskill Stone Products, Inc. 401(k) Profit Sharing Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Ascensus, Inc. (as agent for Ascensus Trust Company), the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules of reportable transactions and assets held at end of year for the year ended December 31, 2019 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF PLAN

The following description of the Cobleskill Stone Products, Inc. (the "Company") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Company who have completed one year of service (must have completed 1,000 hours of service) and are age 18 or older as of plan entry dates. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Company must make a safe harbor matching contribution equal to 100% of participant salary deferrals that do not exceed 4% of participant compensation. Additional contributions to the Plan by the Company are discretionary. Employee contributions must not exceed the limits set by law with catch-up contributions applicable to participants age 50 or older. There were no discretionary contributions in 2019 and 2018.

Participant Accounts

Each participant's account is credited with the participant's contributions and the participant's allocable share, if any, of (a) the Company's discretionary contribution and (b) Plan earnings and losses. Forfeitures of the non-vested portion of terminated participants' accounts are placed in a separate account within the Plan and are used for the payment of administrative expenses. Annual allocations of the Company's discretionary contributions are based upon a formula which takes into account the participant's compensation. Monthly allocations of earnings and losses are based upon a formula which takes into account the participant's current individual plan balances. The benefit to which a participant is entitled is equal to the vested portion of the participant's accounts.

Vesting

` A participant is 100% vested under the 401(k) profit sharing plan. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service.

Payment of Benefits

The trustee shall make or begin distribution of the benefits payable on a participant's (a) retirement date, (b) sustaining total and permanent disability, (c) death or (d) termination of service with the Company. The distribution will be based upon the balance in the participant's account as of the evaluation date immediately preceding the date of the distribution. Benefits are recorded when paid.

1. DESCRIPTION OF PLAN (CONTINUED)

Certain costs of administering the Plan are paid by the employer through a separate account within the Plan which contains accumulated participant forfeitures and other fees throughout the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates

The preparation of financial statements in accordance with the accrual basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are presented at fair value. Investments are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis.

Interest and Dividend Income and Net Unrealized Appreciation (Depreciation)

Interest and dividend income is recorded on an accrual basis. Realized gains or losses and the unrealized appreciation (depreciation) on investments are reflected as a component of investment income. Allocations of investment earnings and losses to individual participant accounts are based upon the investment performance for each individual investment of that participant.

Fair Value

The Accounting Standards Codification requires expanded disclosures about fair value measurements and establishes a three-level hierarchy for fair value measurements based on the observable inputs to the valuation of an asset or liability at the measurement date. Fair value is defined as the price that the Plan would receive upon selling an asset or pay to transfer a liability in an orderly transaction between market participants. It prioritizes the inputs to the valuation techniques used to measure fair value by giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The Plan has investments which are measured at fair value utilizing a Level 1 measurement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

Management has evaluated subsequent events or transactions as to any potential material impact on operations or financial position occurring through July 31, 2020, the date the financial statements were available to be issued. There were two matters to disclose as follows:

COVID-19

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 11, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate the spread of it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Company operates. On March 27, 2020, the *Coronavirus Aid, Relief, and Economic Act* (CARES Act) was enacted to amongst other provisions, provide emergency assistance for individuals, families and businesses affected by the coronavirus pandemic.

In the State of New York, where the Company operates, the Governor issued Executive Order 202.6, during March 2020, which limited concentrations of individuals outside of their homes to workers providing essential services. It is unknown how long the adverse conditions associated with the coronavirus will last and what the complete financial effect will be to the Company.

Paycheck Protection Program (PPP)

As part of the CARES Act, known as the Paycheck Protection Program (PPP), the initiative provides 100% federally guaranteed loans to small business, which was designed to help small business keep workers employed amid the pandemic and economic shutdown. More importantly, the loan may be forgiven if the borrower maintains their payroll during the crisis or restores their payroll afterwards and uses the funds to cover payroll, certain payroll related cost, rent, and utilities during an eight week period after receiving the loan, as outlined in the PPP. During April 2020, the Company applied for a PPP loan and received $996,500. Any loan amounts not forgiven are subject to repayment over 24 months with interest at 1%. As of the date these financial statements were available, the Association has not determined the amount of the loan that will be forgiven, but management's preliminary calculations estimate that a substantial portion of this loan will be forgiven.

3. INVESTMENTS

The Plan's investments at December 31, 2019 and 2018 are presented at fair value. Fair values are determined using quoted prices in active markets for identical securities (Level 1 measurement).

3. INVESTMENTS (CONTINUED)

Investments are comprised of the following at December 31, 2019 and 2018:

	2019			2018

Other (Less than 5%)	-	1,443,181	-	1,071,725
		$ 5,489,393		$ 4,470,926

4. TAX STATUS

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving this determination letter, the Plan's administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. TRUSTEE CERTIFICATION

Ascensus, Inc. (as agent for Ascensus Trust Company) holds the Plan assets under a trust agreement.
