Independent Auditor's Report

To the Participants and Administrator of
the Employee 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Employee 401(k) Plan ("Plan"), which comprise the statements of net assets available for benefits as of June 30, 2019 and December 31, 2018, and the related statement of changes in net assets available for benefits for the period ended June 30, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Charles Schwab Bank, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee held the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of June 30, 2019 and December 31, 2018, and for the period ended June 30, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As discussed in Note 1 to the financial statements, the Plan was merged into the Envision Healthcare 401(k) Plan on March 1, 2019, and all investment balances were transferred to the Envision Healthcare 401(k) Plan on that date, which indicates the Plan is not a going concern. The financial statements do not include any adjustments that might be necessary at June 30, 2019.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Description of the Plan

The following description of the Employee 401(k) Plan) (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan to facilitate systematic savings by eligible employees of Emergency Medical Services Corporation, American Medical Response, Inc., ("AMR") and its majority owned subsidiaries, and EmCare, Inc. and its majority owned subsidiaries (the "Companies") and to provide funds for their retirement. The Plan is administered by EMS Management, LLC (hereinafter referred to as the "Company"). The Company's trustee, Charles Schwab Bank ("Schwab"), is responsible for the investing, safekeeping and accounting for the Plan's assets and valuation of the individual participant's accounts.

During the first quarter of 2016, a division of Envision Healthcare Corporation ("Envision"), the Companies' parent company, was sold and the related employees Plan assets were transferred to the Centrex Revenue Solutions 401(k) Profit Sharing Plan and Trust.

On July 7, 2016, the Evolution Health 401(k) Plan was merged into the Plan. In March 2018, AMR was sold by Envision and all Plan assets were transferred to a separate plan.

The Plan was merged with the Envision Healthcare 401(k) Plan on March 1, 2019 and all investment balances were transferred to the Envision Healthcare 401(k) Plan on that date, at which time the Plan ceased to exist.

Employee Eligibility

Participation in the Plan is voluntary. Prior to June 1, 2012, substantially all non-union employees were eligible at date of hire except for part time employees who had to complete 1,000 hours of service to be eligible. Effective June 1, 2012, participants on March 31, 2012 continued to participate in the plan. In addition, all non-union employees are eligible at date of hire except for part time employees working less than 20 hours per week who had to complete 1,000 hours of service to be eligible. Except as otherwise provided in any applicable bargaining agreement, union employees are eligible upon the earlier of (1) completion of 1,000 hours of service during a six month period following their date of hire or (2) 1,000 hours of service beginning the first day of the plan year which begins prior to the first anniversary of their date of hire.

Contributions

Plan participants were allowed to contribute 1% to 40% (50% effective January 1, 2017) of their eligible compensation, as defined by the Plan document, subject to the maximum allowed by section 402(g) of the Internal Revenue Code as indexed by the Internal Revenue Service (the "IRS"). The contribution limit for 2018 was $18,500 and for 2019 was $19,000. In addition, eligible employees age 50 or over may contribute "catch-up" contributions of $6,000 in 2018 and 2019. Except as otherwise provided in any applicable bargaining agreement, the Company matching contribution shall be equal to 50% of the participant elective contribution (excluding "catch-up" contributions) made for each pay period, which does not exceed 6% of the participant's

compensation for such period. Additional discretionary contributions may be made by the Company as determined by the Company. For the period ended June 30, 2019, the Company made no additional discretionary contributions.

Participants' Accounts

Participant accounts are adjusted periodically to reflect the fair market value of the assets allocated to the accounts. Each account balance is increased (decreased) by the amount of contributions, income, gains and losses allocable to such account since the prior valuation date. Income, expense, gains and losses generated by a particular investment are allocated to accounts based on each account's proportionate share of the investment. Any expenses relating solely to a specific account, such as loan origination fees and distribution fees, are charged to such account.

Vesting and Forfeitures

Participants contributions and the earnings thereon are fully vested at all times. Unless stipulated in a covered employees collective bargaining union agreement, if any, participants have a vested interest in a percentage of the employer's matching contributions based on years of service. Company contributions are vested 25% for each year of service and fully vested after four years of service, based on date of hire, or upon retirement or death. Forfeited amounts are used to reduce future employer contributions and allowable plan expenses. During the period ended June 30, 2019, forfeitures were used to pay employer contributions of $16,269.

Payment of Benefits

The balance in a participant's account is payable on or after his or her reaching retirement age as defined by the Plan. All vested amounts in the participant's account are also payable upon termination of employment with the Company. A participant may elect to receive either a lump-sum amount equal to the value of his or her account, single withdrawals at intervals of the participant's request, or annual installments. In addition, hardship distributions are permitted if certain criteria are met and are subject to certain penalties imposed by the IRS.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined monthly by the Plan administrator. Interest rates ranged from 3.75% to 6.5% at December 31, 2018. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

Administrative expenses include expenses for bundled trustee/recordkeeper fees, investment consulting, the audit, plan administration and expenses paid by participant, which relate to loan origination fees and distribution fees.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of the financial statements in conformity with US GAAP requires the Plan's management to make significant estimates and assumptions that affect reported amounts of net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in a money market fund, registered investment companies, common/collective trusts and self-directed brokerage accounts which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available For Benefits.

Valuation of Investments Held and Income Recognition

The Plan's investments in the money market fund and registered investment companies are stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the plan at the end of the period. The Plan's interest in common/collective trusts is based on the fair value of the underlying investments held by the Plan.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Net Appreciation (Depreciation) in the Fair Value of Investments

The Plan presents in the Statement of Changes in Net Assets Available for Benefits, the net change in appreciation (depreciation) in fair value of investments, which consists of the net realized gains and losses and the net unrealized appreciation (depreciation) on these investments.

Contributions

Contributions from Plan participants are made through payroll deductions. Contributions from the Company are accrued based upon amounts required to be funded under the provisions of the Plan.

Payment of Benefits

Benefits are recorded when paid. No amounts are owed at June 30, 2019 or December 31, 2018 to participants who have elected to withdraw from the plan, but have not yet been paid.

3. Fair Value Measurements:

Financial Accounting Standards Board Accounting Standards Codification section 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018.

Investments in money market fund and registered investment companies: Valued at quoted market prices which represent the net asset value of shares held by the Plan at the end of the period.

Investments in common collective trusts and self-directed brokerage accounts: Valued at the quoted market price of the underlying investments held by the Plan at the end of the period.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2018:

	Assets at Fair Value at December 31, 2018			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 45,934,522	$ —	$ —	$ 45,934,522
Money market fund	6,222,353	—	—	6,222,353
Self-directed brokerage accounts	2,699,098	—	—	2,699,098
Total assets in the fair value hierarchy	54,855,973	—	—	54,855,973
Investments measured at net asset value [1]	—	—	—	119,100,815
Investments at fair value	$ 54,854,383	$ —	$ —	$173,956,788

[1] In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2018.

December 31, 2018	Fair Value	Unfunded Commitments	Redemption frequency	Redemption notice period
Common collective trusts	$119,100,815	n/a	Daily	n/a

4. Tax Status of the Plan

The IRS has determined by a letter dated March 31, 2014 for The Schwab Defined Contribution Plan that the Plan and related trust are designed in accordance with Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the fund established as part of the Plan is not subject to federal income tax under provisions of Section 401(a) of the IRC. As long as the Plan is qualified under the tax laws, participants will not be taxed currently on Company contributions and before tax 401(k) participant contributions to the Plan or on income earned thereon. The Plan has been amended since receiving the determination letter. However, it is the opinion of the plan administrator that the Plan as presently amended, is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). The Plan administrator has analyzed the tax positions taken by the plan and has concluded that as of June 30, 2019, there are no uncertain tax

positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Information Certified by the Trustee

The following unaudited information at June 30, 2019 and December 31, 2018 and for the period ended June 30, 2019, regarding the Plan's financial statements and supplemental schedules were certified to be complete and accurate by the trustee within the meaning of Section 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

Statements of net assets available for benefits:

- Investments and notes receivable from participants

Statement of changes in net assets available for benefits:

- Net appreciation in fair value of investments
- Interest income on notes receivable from participants

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

6. Related Party Transactions

Certain Plan investments are shares of common/collective trusts are managed by Schwab. As Schwab is the trustee as defined by the Plan, these transactions qualify as party-in-interest.

7. Subsequent event

The Company has evaluated events subsequent to June 30, 2019 through September 2, 2020, which is the date the financial statements were available to be issued. There have been no material events noted in this period which would impact the results reflected in this report, the Plan's results going forward or require additional disclosure.

Independent Auditor's Report

To the Participants and Administrator of
the Employee 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Employee 401(k) Plan ("Plan"), which comprise the statements of net assets available for benefits as of June 30, 2019 and December 31, 2018, and the related statement of changes in net assets available for benefits for the period ended June 30, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Charles Schwab Bank, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee held the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of June 30, 2019 and December 31, 2018, and for the period ended June 30, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As discussed in Note 1 to the financial statements, the Plan was merged into the Envision Healthcare 401(k) Plan on March 1, 2019, and all investment balances were transferred to the Envision Healthcare 401(k) Plan on that date, which indicates the Plan is not a going concern. The financial statements do not include any adjustments that might be necessary at June 30, 2019.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.
