Report of Independent Auditors

To the Participants and Plan Administrator of the
Trimble Inc. Savings and Retirement Plan

Report on the Financial Statements

We have audited the accompanying financial statements of the Trimble Inc. Savings and Retirement Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2019 and 2018, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule H, line 4(a) – Schedule of delinquent participant contributions for the year ended December 31, 2019 and the Schedule H, Line 4(i) - Schedule of assets (held at end of year) as of December 31, 2019 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

**TRIMBLE INC. SAVINGS AND RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 and 2018**

NOTE 1 - THE PLAN AND ITS SIGNIFICANT ACCOUNTING POLICIES

General - The following description of the Trimble Inc. Savings and Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that was established in 1988 by Trimble Inc. ("Trimble" or the "Company" or "we" or "our" or "us") to provide benefits to eligible employees. The Plan administrator believes that the Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code, as amended, and the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

During 2019 and 2018, we acquired companies that sponsored 401(k) plans. The plans sponsored by these companies were terminated, except for Viewpoint, Inc. 401(k) Plan assets of \$67,236,693, which was liquidated and transferred into our Plan on December 31, 2019.

Employees hired by us become eligible to participate in the Plan, and employees from acquired companies, for which 401(k) plans were terminated, are allowed to rollover existing balances from their former 401(k) plans to the Plan.

Administration - We have appointed an Administrative Committee (the "Committee") to manage the operation and administration of the Plan. We contracted with Fidelity Management Trust Company ("Fidelity") to act as the custodian and trustee, and with an affiliate of Fidelity to act as the third-party administrator and record keeper. We paid substantially all expenses incurred for administering the Plan.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Basis of accounting - The financial statements of the Plan are prepared on the accrual method of accounting in accordance with US GAAP.

Investment valuation and income recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 2 for discussion of fair value measurements.

Investments of the Plan are held by Fidelity and invested primarily in mutual funds and our common stock based solely upon instructions received from participants. The Plan's investments in mutual funds and our common stock are valued at fair value as of the last day of the Plan year, as measured by quoted market prices.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought or sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event based upon the terms of the Plan document.

Income taxes - The Plan received a favorable determination letter dated April 8, 2015 and it has been amended since receiving this letter. The Plan administrator believes that the Plan is operated in accordance with, and qualifies under, the applicable requirements of the Internal Revenue Code, as amended, and related state statutes, and that the trust, is exempt from federal income and state franchise taxes.

Risks and uncertainties - The Plan provides for various investment options in any combination of investment securities offered by the Plan. In addition, our common stock is included in the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Subsequent events – The Plan has evaluated subsequent events through June 25, 2020, which is the date the financial statements were available to be issued.

NOTE 2 - FAIR VALUE DISCLOSURES

The fair value measurements standard clarifies the definition of fair value, establishes a framework for measuring fair value, and expands the disclosures for fair value measurements. The standard applies under other accounting pronouncements that require or permit fair value measurements and does not require any new fair value measurements.

The fair value measurements standard provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. In general, fair values determined by Level 1 inputs use quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets and liabilities in active markets, and other inputs such as interest rates and yield curves that are observable at commonly quoted intervals. Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset or liability. In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset or liability.

Following are the major categories of assets measured at fair value on a recurring basis at December 31, 2019 and 2018:

Investment Assets at Fair Value as of December 31, 2019				
Investments:	Level 1	Level 2	Level 3	Total

Common/collective trust funds (1)				\$ 246,736,973
Total investments				\$ 741,178,309

Investment Assets at Fair Value as of December 31, 2018				
Investments:	Level 1	Level 2	Level 3	Total

Common/collective trust funds (1)				<u>\$ 153,434,692</u>
Total investments				<u>\$ 531,744,820</u>

(1) The fair values are valued at the net asset value practical expedient (NAV) of shares held by the Plan at year end based on the fair value of the underlying assets owned, minus the liabilities, then divided by the outstanding number of units. The common/collective trust funds can be redeemed daily, and there are no redemption restrictions or notice requirements.

NOTE 3 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by an affiliate of Fidelity, the trustee of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

As allowed by the Plan, participants may elect to invest a portion of their accounts in the common stock of the Company. Aggregate investment in Company common stock at December 31, 2019 and 2018 was as follows:

Date	Number of shares	Fair value	Cost
2019	720,346	\$30,032,975	\$11,728,683
2018	780,561	\$25,689,828	\$12,402,279

NOTE 4 - PARTICIPATION AND BENEFITS

Participant contributions - Participants may elect to have us contribute from 1% to 50% of their eligible pre-tax or Roth after-tax compensation up to the amount allowable under current income tax regulations. The Plan permits the automatic enrollment of eligible employees in the Plan with a contribution of 2% of eligible compensation unless the employee affirmatively elects otherwise. Participants who have us contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable or taxed compensation. Contributions withheld are invested in accordance with the participant's direction.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Employer contributions - We are allowed to make matching contributions as defined in the Plan and as approved by the Board of Directors. We matched 50% of the participant's contribution up to 6% of eligible compensation, with a maximum of \$750 per calendar quarter and \$3,000 per calendar year. We also make a non-elective employer contribution equal to 2% of base salary for non-highly compensated employees in specified job codes. Total employer contributions for the years ended December 31, 2019 and 2018 were \$9,858,561 and \$9,295,602, respectively.

Vesting - Participants are immediately vested in their entire account, including employer contributions. Employer contributions made for the non-elective contribution account is fully vested after the employee has completed three years of service or attained age 60, whichever occurs first.

Participant accounts - Each participant's account is credited with the participant's contribution, Plan earnings or losses, and an allocation of our contributions. The allocation of our contributions is based on participant contributions and eligible compensation, as defined in the Plan.

Payment of benefits - Upon termination, each participant or beneficiary may elect to leave their account balance in the Plan or receive their total benefits in a lump sum amount equal to the value of the participant's interest in their account. The Plan allows for automatic distribution of participant account balances that do not exceed \$5,000.

Notes receivable from participants - The Plan allows each participant to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their account balance. The notes receivable are secured by the participant's balance. Such notes receivable bear interest at the available market financing rates and must be repaid to the Plan within a five-year period, unless the notes receivable are used for the purchase of a principal residence in which case the maximum repayment period is ten years. The specific terms and conditions of such notes receivable are established by the Committee. Outstanding notes receivable at December 31, 2019 carry interest rates ranging from 4.25% to 6.5%.

NOTE 5 - PLAN TERMINATION OR MODIFICATION

We intend to continue the Plan indefinitely for the benefit of our employees; however, we reserve the right to terminate or modify the Plan at any time by resolution of our Board of Directors and subject to the provisions of ERISA. In the event the Plan is terminated, all employer contributions will become 100% vested.

NOTE 6 - SUBSEQUENT EVENTS

In early March 2020, a novel coronavirus disease (“COVID-19”) was characterized as a pandemic by the World Health Organization. The global spread of COVID-19 has created volatility in the United State financial markets, uncertainty, and economic disruption. Therefore, it is difficult to predict the impact to the values of our Plan’s investments.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, before amending the plan document. In April 2020, following the provisions of the CARES Act, we decided to allow employees to take distributions from their 401(k) accounts up to \$100,000 and to defer payment of active 401(k) loans until December 31, 2020.
