Note 1: Description of the Plan

The following description of the Galaxy Theatres, LLC 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was adopted by Galaxy Theatres, LLC (the "Company"), effective January 1, 2010, and is subject to the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code of 1986 ("IRC"), as amended. The employees of certain affiliates of the Company, including Galaxy Theatres Atascadero, LLC; Galaxy San Joaquin, LLC; Galaxy Sequoia, LLC; Galaxy Patterson Road, LLC; Galaxy Mission Grove, LLC; Galaxy Tulare, L.P.; Galaxy Carson City, LLC; Galaxy Green Valley, LLC; Galaxy Vegas, LLC; Galaxy Sparks, LLC; Galaxy Austin, L.P.; Galaxy Highland, LLC; Galaxy Cinemas Northwest, LLC; Monroe Galaxy, LLC; Galaxy Uptown, LLC; Galaxy Tucson, LLC; and Galaxy Blvd. LLC, are eligible to participate in the Plan.

Eligibility

The purpose of the Plan is to provide retirement benefits for substantially all full-time employees of the Company. Employees who have attained age 21 and have completed one year of service are eligible to participate in the Plan.

Contributions

Participants may elect to contribute up to 100% of their pretax annual compensation not to exceed the maximum deferral limitation, as defined by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan provides for employer discretionary matching and profit-sharing contributions. To be eligible for matching contributions, a participant is required to be an employee of the Company as of the last day of the Plan year. Participants direct the investment of their contributions and their allocations of the employer contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) employer contributions and (b) Plan earnings and charged with administrative expenses that are specific to the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1: Plan Description (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the matching and profit-sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is vested at the rate of 20% each year after two years of service and is considered to be 100% vested after six years of credited service.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum distribution equal to the vested portion of his or her account or an annuity over the life of the participant or designated beneficiary, as defined in the Plan document. For termination of service for other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution. Additionally, under certain circumstances of financial hardship or upon attaining the age of 59½, the participant is allowed to withdraw certain funds from the Plan.

Forfeitures

Forfeitures of the employee's nonvested portion of the Company's contributions are used to reduce future employer's contributions or pay for Plan expenses. During the year ended December 31, 2019, the Plan used forfeitures of $11,193 to reduce the Company's matching contributions. At December 31, 2019 and 2018, the Plan had forfeited nonvested balances totaling $2,003 and $5,388, respectively.

Administrative Expenses

Certain administrative expenses incurred by the Plan are absorbed by the Company, and such expenses are not recorded in the Plan's financial statements. Additionally, certain administrative functions related to the Plan are performed by officers or employees of the Company; however, neither the Company nor any officer or employee received compensation from the Plan.

Management fees and operating expenses of the Plan's investment funds are directly deducted from the funds and are reflected as a component of net appreciation (depreciation) in fair value of investments. Additionally, fixed monthly recordkeeping fees and benefit payments processing fees are deducted from the participants' accounts as applicable.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

At December 31, 2019 and 2018, all the Plan's investments were in pooled separate accounts. Fair value for the Plan's pooled separate account investments is measured using net asset value per share ("NAV") as a practical expedient. NAV of these investments is based on the fair value of the fund's underlying net assets divided by the number of units outstanding. In accordance with Financial Accounting Standards Board Accounting Standards Codification 820-10, since the Plan's pooled separate account investments are measured at NAV as a practical expedient, the disclosure of the fair value hierarchy information of these investments is not applicable. See Note 5 for additional information regarding the pooled separate accounts measured at NAV.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held at year-end.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The process of preparing financial statements in accordance with US GAAP requires the use of estimates and assumptions regarding certain types of assets and liabilities, revenues and gains, and expenses and losses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Note 3: Concentrations, Risks, and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 4: Information Prepared and Certified by the Custodian

Certain information included in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2019 and 2018, and net appreciation in fair value of investments for the year ended December 31, 2019, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan.

Note 5: Investments Measured Using Net Asset Value per Share

The following table for December 31, 2019, sets forth a summary of the Plan's investments whose fair value is estimated using NAV (or its equivalent) as a practical expedient:

	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled Separate Accounts	$ 1,801,098	None	Daily	None	None

The following table for December 31, 2018, sets forth a summary of the Plan's investments whose fair value is estimated using NAV (or its equivalent) as a practical expedient:

	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Pooled Separate Accounts	$ 1,215,173	None	Daily	None	None

Note 6: Tax Status

The Plan is based on a Volume Submitter Profit Sharing Plan, which received a determination letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, stating that the Volume Submitter Profit Sharing Plan was designed in accordance with the provisions of the IRC. The Plan has been amended since receiving the determination letter, but the Plan has not yet filed for its own determination letter from the IRS. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore also believes that the Plan is qualified and the related trust is tax exempt.

Note 6: Tax Status (Continued)

US GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan; it has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7: Excess Contributions Payable

ERISA requires the Plan to satisfy certain annual nondiscrimination testing that is performed subsequent to each year-end. At December 31, 2019 and 2018, the Plan had to return a portion of the contributions made by certain highly compensated employees in order to satisfy this discrimination testing. At December 31, 2019 and 2018, the refundable excess contributions payable totaled $15,494 and $22,868, respectively.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in their accounts.

Note 9: Parties in Interest

Certain investments held by the Plan's custodian are managed by the custodian; therefore, these transactions qualify as party-in-interest transactions. The Plan also has a number of service providers. Such providers are parties in interest under ERISA.

Note 10: Differences on the Form 5500

The financial statements have been prepared on the accrual basis as required by US GAAP. However, at December 31, 2019 and 2018, the Form 5500 to be filed with the IRS has been prepared on the cash basis. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2019 and 2018:

	2019	2018
Net assets available for benefits per the financial statements	$ 1,787,607	$ 1,296,582
Add: Excess contributions payable	15,494	22,868
Net Assets Available for Benefits per the Form 5500	$ 1,803,101	$ 1,319,450

Note 10: Differences on the Form 5500 (Continued)

The following is a reconciliation of total increase in net assets available for benefits per the financial statements to the Form 5500 for the Plan year ended December 31, 2019:

Increase in net assets available for benefits per the financial statements	$	491,025
Less: Prior-year corrective contributions		(22,868)
Add: Current-year corrective contributions		15,494
Increase in Net Assets Available for Benefits per the Form 5500	$	483,651

Note 11: Subsequent Events

Events occurring after December 31, 2019, have been evaluated for possible adjustment to the financial statements or disclosure as of September 3, 2020, which is the date the financial statements were available to be issued.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of an outbreak of a new strain of coronavirus (the "COVID-19 outbreak") and the risks that it posed to the international community as the virus spread globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. The pandemic has adversely affected global economic activity and greatly contributed to instability in financial markets. As a result, the Plan's investment portfolio has incurred a significant volatility in fair value since December 31, 2019. Because the values of the Plan's individual investments have and will continue to fluctuate in response to changing market conditions, the amount of loss recognized for subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to Plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions of up to $100,000 between January 1, 2020 and December 31, 2020.
- Distributions for each participant may not exceed 100% of the participant's vested account balance.
- The waiver of 10% early withdrawal tax penalty for participants under the age of 59 ½.
- Participants may repay distributions to the Plan, exclusive of contribution limits, within a three-year period.
