To the Plan Administrator and Participants
Putnam Associates 401(k) Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Putnam Associates 401(k) Retirement Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019 and 2018 and for the year ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Subsequent Events

As more fully described in Note 1 to the financial statements, Putnam Associates, LLC, the Plan's sponsor, was acquired in 2019 and intends to merge the Plan with one of its parent company's qualified retirement plans effective December 31, 2020. Our opinion is not modified with respect to this matter.

As more fully described in Note 10 to the financial statements, economic uncertainties, as a result of the spread of a novel coronavirus ("COVID-19"), have arisen which are likely to negatively impact the investment performance of the assets held by the Plan. Our opinion is not modified with respect to this matter.

Other Matter – Supplemental Schedule

The supplemental schedule, Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2019, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PUTNAM ASSOCIATES 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan

The following description of the Putnam Associates 401(k) Retirement Savings Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the plan document.

General

The Plan is a defined contribution plan covering all employees of Putnam Associates, LLC (the “Employer”) who are at least 21 years of age, excluding nonresident aliens, as defined, and leased employees (“Participants”). Prior to December 31, 2018, eligible employees may have entered the plan on the first day of the month following their start date. Effective December 31, 2018, the Plan document was amended so that employees may enter the plan immediately upon gaining eligibility.

During 2019, the Employer was acquired by UDG Healthcare plc (“Parent Co”). As of the date of these financial statements, management’s intent is to merge the Plan with one of the Parent Co’s qualified retirement plans effective December 31, 2020. The merger is not expected to change the ability of Participants to participate in the Plan or have a significant impact on the benefits offered to Participants.

Fidelity Management Trust Company (“FMTC” or the “Trustee”) provides asset custodian services and also serves as trustee for the Plan. Fidelity Workplace Services, LLC (“FWS” or the “Recordkeeper”), an affiliate of the Trustee, provides recordkeeping services. Fidelity Investments, an affiliate of the Trustee, manages the investments in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant-directed.

Plan Administration

The Employer is the plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual Participant accounts may be charged with an allocation of administrative expenses, if not paid by the Employer. Individual Participant accounts are charged directly for loan recordkeeping, if applicable.

Subsequent Events

The Plan has evaluated events through August 17, 2020, the date the financial statements were approved and authorized for issuance by management, and determined that there have been no subsequent events, except as disclosed in Notes 1 and 10, that would require recognition in, or disclosure in the notes to, the financial statements.

Participant Contributions

Participants may defer up to a maximum of 60% of their eligible compensation, as defined by the Plan, not to exceed a dollar limit established by the Internal Revenue Code (“IRC”). Participants may make pre-tax contributions to their accounts. Participants who have reached the age of 50 before the end of the plan year are eligible to make catch-up contributions. In addition, Participants may also contribute amounts representing distributions from other qualified plans (“Participant Rollovers”).

PUTNAM ASSOCIATES 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan (Continued)

Employer Contributions

Employer Non-elective Safe Harbor Contribution

Each year the Employer shall make a non-elective safe harbor contribution to the Plan on behalf of eligible Participants in an amount equal to 3% of each Participant's eligible compensation. Any Participant eligible during the Plan year is eligible for the non-elective contribution. The Employer non-elective safe harbor contribution is \$448,196, net of forfeitures of \$20,000, for the year ended December 31, 2019.

Employer Non-Elective Discretionary Contributions

The Employer, at its discretion, may make non-elective contributions to the Plan. Any employer non-elective contributions are allocated to participants in the same ratio as each eligible participant's compensation bears to the total of such compensation to all eligible participants. To be eligible, Participants must be employed on the last day of the plan year. For the year ended December 31, 2019, the Employer elected not to make any non-elective contributions as defined above.

Participant Accounts

Each Participant's account is credited with the Participant's deferral contributions, their respective employer contributions, an allocation of the Plan's investment earnings or losses, and is charged with certain expenses, if applicable. Allocations are based on Participant compensation or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Vesting

Participants are immediately vested in their participant, rollover and Employer non-elective safe harbor contributions plus allocated earnings thereon. For any Employer matching contributions made prior to January 1, 2017, Participants are vested in 33% increments after one year of service and are 100% vested after three years of service.

Notes Receivable from Participants

Subject to approval by the plan administrator, Participants may borrow from their vested accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the vested balance in the Participant's account and bear interest at a fixed rate commensurate with local prevailing rates. Loan terms range from one to five years (or up to ten years for the purchase of a primary residence). Principal and interest are paid ratably through payroll deductions. If a Participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the Participant's loan balance is reduced and a benefit payment is made in accordance with the Plan document. The interest rate for the outstanding loan at December 31, 2018 was 8.00%. Loans to Participants are reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest.

PUTNAM ASSOCIATES 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan (Continued)

Payment of Benefits

Upon termination of service due to death, disability, termination, or retirement, a Participant or beneficiary may elect to receive a lump-sum distribution or installment payments in an amount equal to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution to the Participant, subject to income tax withholdings, or a tax free rollover to an individual retirement account or another qualified plan as defined. If a Participant's vested account is less than \$1,000, the Plan administrator, after notification, may distribute the account balance to the Participant in a lump sum amount.

In-service withdrawals from a Participant's account are permitted only due to attainment of age 59 ½ or due to financial hardship, as defined. Participants may receive a distribution of all or any portion of their vested account balances after attaining age 59 ½. Additionally, in-service withdrawals, from a participant's deferral contribution account, are permitted due to financial hardship, as defined in the Plan document. Prior to January 1, 2019, Participants must have obtained all distributions, other than the hardship withdrawal, and all nontaxable loans currently available, before financial hardship withdrawals are allowed. Effective January 1, 2019, the Plan adopted new rules available under the Code as it relates to the administration of hardship withdrawals: Participants no longer need to exhaust all Plan loans prior to taking a hardship withdrawal and participant deferrals into the plan are no longer suspended for six-months. Hardship withdrawals may be taken from the Participant's deferral contributions accounts, without respect to earnings, and vested employer contributions, and are subject to a \$500 minimum amount.

Forfeited Accounts

A Participant who leaves the employment of the employer forfeits any non-vested balance. Non-vested forfeited account balances are retained in the Plan and are used to reduce future Employer contributions or pay administrative expenses. Forfeited non-vested accounts at December 31, 2019 and 2018 amounted to \$21,136 and \$42,084, respectively. Subsequent to year end, \$20,000 of forfeited accounts were used to offset the Employer non-elective safe harbor contribution.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from Participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative fees and expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

Payments of Benefits

Benefit payments to Participants are recorded during the period in which the Participant is paid.

Note 3 - Information Prepared and Certified by the Plan's Trustee

The following is a summary of the Plan's information as of December 31, 2019 and 2018 and for the year ended December 31, 2019, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from the information provided by the Trustee and furnished by the plan administrator. The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by the Trustee as of December 31, 2019 and 2018 and for the year ended December 31, 2019, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule, Form 5500 - Schedule H, Part IV, Line 4(i) Schedule of Assets (Held at End of Year).

	<u>2019</u>	<u>2018</u>
Investments, at fair value:		
Mutual funds	\$ 13,080,316	\$ 9,561,640
Notes receivable from participants	\$ -	\$ 49,320

The Trustee also certified to the completeness and accuracy of (1) the net appreciation in the fair value of investments of \$2,156,817, (2) dividend and interest income of \$461,151, (3) interest income on notes receivable from participants of \$3,700, and (4) the information in the supplemental schedule, Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year).

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements

Under GAAP, a framework for measuring fair values has been established to clarify the definition of those fair values and expand disclosures about assets and liabilities measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy described under GAAP are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2019 and 2018. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements (Continued)

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019 and 2018:

Investments at Fair Value as of December 31, 2019

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 13,080,316</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,080,316</u>

Investments at Fair Value as of December 31, 2018

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 9,561,640</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,561,640</u>

Note 5 - Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 6 - Party-in-Interest Transactions

Plan investments include shares of mutual funds managed by Fidelity Investments, an affiliate of the Trustee. The Plan paid administrative expenses of \$10,345 to the Recordkeeper during the year ended December 31, 2019. Accordingly, these transactions qualify as exempt party-in-interest transactions. Notes receivable from Participants also qualify as exempt party-in-interest transactions, as defined by ERISA.

Note 7 - Plan Termination

The Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan will be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

PUTNAM ASSOCIATES 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 8 - Tax Status

The underlying volume submitter defined contribution plan has received an opinion letter from the Internal Revenue Service, dated March 31, 2014, stating that the form of the plan is qualified under Section 401(a) of the Code, is exempt from federal income taxes under Section 501(a) of the Code and that the plan, as then designed, was in compliance with the applicable requirements of the Code. Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the Code. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and that the Plan is qualified and the related trust is tax-exempt as of the date of this report.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of an entity is considered a tax position. No such uncertain tax positions have been recognized by the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for periods prior to 2016.

Note 10 - Subsequent Events

On March 13, 2020 a national emergency was declared by the President of the United States of America as it relates to the coronavirus (“COVID-19”) outbreak. As a result of the spread of COVID-19, economic uncertainties have arisen which are likely to negatively impact the investment performance of the assets held by the Plan. However, because the values of the Plan’s individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.

To the Plan Administrator and Participants
Putnam Associates 401(k) Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Putnam Associates 401(k) Retirement Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019 and 2018 and for the year ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Subsequent Events

As more fully described in Note 1 to the financial statements, Putnam Associates, LLC, the Plan's sponsor, was acquired in 2019 and intends to merge the Plan with one of its parent company's qualified retirement plans effective December 31, 2020. Our opinion is not modified with respect to this matter.

As more fully described in Note 10 to the financial statements, economic uncertainties, as a result of the spread of a novel coronavirus ("COVID-19"), have arisen which are likely to negatively impact the investment performance of the assets held by the Plan. Our opinion is not modified with respect to this matter.

Other Matter – Supplemental Schedule

The supplemental schedule, Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2019, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PUTNAM ASSOCIATES 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan

The following description of the Putnam Associates 401(k) Retirement Savings Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the plan document.

General

The Plan is a defined contribution plan covering all employees of Putnam Associates, LLC (the “Employer”) who are at least 21 years of age, excluding nonresident aliens, as defined, and leased employees (“Participants”). Prior to December 31, 2018, eligible employees may have entered the plan on the first day of the month following their start date. Effective December 31, 2018, the Plan document was amended so that employees may enter the plan immediately upon gaining eligibility.

During 2019, the Employer was acquired by UDG Healthcare plc (“Parent Co”). As of the date of these financial statements, management’s intent is to merge the Plan with one of the Parent Co’s qualified retirement plans effective December 31, 2020. The merger is not expected to change the ability of Participants to participate in the Plan or have a significant impact on the benefits offered to Participants.

Fidelity Management Trust Company (“FMTC” or the “Trustee”) provides asset custodian services and also serves as trustee for the Plan. Fidelity Workplace Services, LLC (“FWS” or the “Recordkeeper”), an affiliate of the Trustee, provides recordkeeping services. Fidelity Investments, an affiliate of the Trustee, manages the investments in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant-directed.

Plan Administration

The Employer is the plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual Participant accounts may be charged with an allocation of administrative expenses, if not paid by the Employer. Individual Participant accounts are charged directly for loan recordkeeping, if applicable.

Subsequent Events

The Plan has evaluated events through August 17, 2020, the date the financial statements were approved and authorized for issuance by management, and determined that there have been no subsequent events, except as disclosed in Notes 1 and 10, that would require recognition in, or disclosure in the notes to, the financial statements.

Participant Contributions

Participants may defer up to a maximum of 60% of their eligible compensation, as defined by the Plan, not to exceed a dollar limit established by the Internal Revenue Code (“IRC”). Participants may make pre-tax contributions to their accounts. Participants who have reached the age of 50 before the end of the plan year are eligible to make catch-up contributions. In addition, Participants may also contribute amounts representing distributions from other qualified plans (“Participant Rollovers”).

PUTNAM ASSOCIATES 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan (Continued)

Employer Contributions

Employer Non-elective Safe Harbor Contribution

Each year the Employer shall make a non-elective safe harbor contribution to the Plan on behalf of eligible Participants in an amount equal to 3% of each Participant's eligible compensation. Any Participant eligible during the Plan year is eligible for the non-elective contribution. The Employer non-elective safe harbor contribution is \$448,196, net of forfeitures of \$20,000, for the year ended December 31, 2019.

Employer Non-Elective Discretionary Contributions

The Employer, at its discretion, may make non-elective contributions to the Plan. Any employer non-elective contributions are allocated to participants in the same ratio as each eligible participant's compensation bears to the total of such compensation to all eligible participants. To be eligible, Participants must be employed on the last day of the plan year. For the year ended December 31, 2019, the Employer elected not to make any non-elective contributions as defined above.

Participant Accounts

Each Participant's account is credited with the Participant's deferral contributions, their respective employer contributions, an allocation of the Plan's investment earnings or losses, and is charged with certain expenses, if applicable. Allocations are based on Participant compensation or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Vesting

Participants are immediately vested in their participant, rollover and Employer non-elective safe harbor contributions plus allocated earnings thereon. For any Employer matching contributions made prior to January 1, 2017, Participants are vested in 33% increments after one year of service and are 100% vested after three years of service.

Notes Receivable from Participants

Subject to approval by the plan administrator, Participants may borrow from their vested accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the vested balance in the Participant's account and bear interest at a fixed rate commensurate with local prevailing rates. Loan terms range from one to five years (or up to ten years for the purchase of a primary residence). Principal and interest are paid ratably through payroll deductions. If a Participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the Participant's loan balance is reduced and a benefit payment is made in accordance with the Plan document. The interest rate for the outstanding loan at December 31, 2018 was 8.00%. Loans to Participants are reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest.

PUTNAM ASSOCIATES 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan (Continued)

Payment of Benefits

Upon termination of service due to death, disability, termination, or retirement, a Participant or beneficiary may elect to receive a lump-sum distribution or installment payments in an amount equal to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution to the Participant, subject to income tax withholdings, or a tax free rollover to an individual retirement account or another qualified plan as defined. If a Participant's vested account is less than \$1,000, the Plan administrator, after notification, may distribute the account balance to the Participant in a lump sum amount.

In-service withdrawals from a Participant's account are permitted only due to attainment of age 59 ½ or due to financial hardship, as defined. Participants may receive a distribution of all or any portion of their vested account balances after attaining age 59 ½. Additionally, in-service withdrawals, from a participant's deferral contribution account, are permitted due to financial hardship, as defined in the Plan document. Prior to January 1, 2019, Participants must have obtained all distributions, other than the hardship withdrawal, and all nontaxable loans currently available, before financial hardship withdrawals are allowed. Effective January 1, 2019, the Plan adopted new rules available under the Code as it relates to the administration of hardship withdrawals: Participants no longer need to exhaust all Plan loans prior to taking a hardship withdrawal and participant deferrals into the plan are no longer suspended for six-months. Hardship withdrawals may be taken from the Participant's deferral contributions accounts, without respect to earnings, and vested employer contributions, and are subject to a \$500 minimum amount.

Forfeited Accounts

A Participant who leaves the employment of the employer forfeits any non-vested balance. Non-vested forfeited account balances are retained in the Plan and are used to reduce future Employer contributions or pay administrative expenses. Forfeited non-vested accounts at December 31, 2019 and 2018 amounted to \$21,136 and \$42,084, respectively. Subsequent to year end, \$20,000 of forfeited accounts were used to offset the Employer non-elective safe harbor contribution.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

PUTNAM ASSOCIATES 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies (Continued)

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from Participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative fees and expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

Payments of Benefits

Benefit payments to Participants are recorded during the period in which the Participant is paid.

Note 3 - Information Prepared and Certified by the Plan's Trustee

The following is a summary of the Plan's information as of December 31, 2019 and 2018 and for the year ended December 31, 2019, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from the information provided by the Trustee and furnished by the plan administrator. The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by the Trustee as of December 31, 2019 and 2018 and for the year ended December 31, 2019, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule, Form 5500 - Schedule H, Part IV, Line 4(i) Schedule of Assets (Held at End of Year).

Investments, at fair value:		
Mutual funds	\$ 13,080,316	\$ 9,561,640

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements

Under GAAP, a framework for measuring fair values has been established to clarify the definition of those fair values and expand disclosures about assets and liabilities measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy described under GAAP are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2019 and 2018. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements (Continued)

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019 and 2018:

Investments at Fair Value as of December 31, 2019

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 13,080,316</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,080,316</u>

Investments at Fair Value as of December 31, 2018

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 9,561,640</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,561,640</u>

Note 5 - Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 6 - Party-in-Interest Transactions

Plan investments include shares of mutual funds managed by Fidelity Investments, an affiliate of the Trustee. The Plan paid administrative expenses of \$10,345 to the Recordkeeper during the year ended December 31, 2019. Accordingly, these transactions qualify as exempt party-in-interest transactions. Notes receivable from Participants also qualify as exempt party-in-interest transactions, as defined by ERISA.

Note 7 - Plan Termination

The Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan will be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

Note 8 - Tax Status

The underlying volume submitter defined contribution plan has received an opinion letter from the Internal Revenue Service, dated March 31, 2014, stating that the form of the plan is qualified under Section 401(a) of the Code, is exempt from federal income taxes under Section 501(a) of the Code and that the plan, as then designed, was in compliance with the applicable requirements of the Code. Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the Code. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and that the Plan is qualified and the related trust is tax-exempt as of the date of this report.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of an entity is considered a tax position. No such uncertain tax positions have been recognized by the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for periods prior to 2016.

Net income per Form 5500	<u>\$ 3,469,356</u>

Note 10 - Subsequent Events

On March 13, 2020 a national emergency was declared by the President of the United States of America as it relates to the coronavirus (“COVID-19”) outbreak. As a result of the spread of COVID-19, economic uncertainties have arisen which are likely to negatively impact the investment performance of the assets held by the Plan. However, because the values of the Plan’s individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.
