NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Headwaters Incorporated 401(k) Savings & Investment Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which was sponsored by Headwaters Incorporated, Inc. for the purpose of accumulating funds to provide retirement benefits to all eligible employees. Headwaters Inc. was acquired effective May 8, 2017 by Boral Industries, Inc. (the "Company") and beginning on January 1, 2018, the Plan was frozen from taking employee and employer contributions and enrolling participants. The Plan will continue, and loans and withdrawals are allowed per the Plan documents. On March 1, 2018, the Plan was restated and certain provisions of the Plan were amended. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is administered by an Employee Benefits Committee, whose members are appointed by the Board of Directors of the Company, and the Plan administrator.

Eligibility

The Plan was a defined contribution profit sharing plan that covered all full time employees of Headwaters, Inc. who completed two months of service and were 18 years of age. As stated above, the plan was frozen as of January 1, 2018, and no additional employees were eligible to enroll in the Plan after that date.

Participant Accounts

Each participant's account is credited with the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the vested portion of their current account balance. Participants may apply for one note each year and have only one note outstanding at any given time. Any such note must be repaid within a period not to exceed five years, unless the purpose of the note is the acquisition of the primary residence of the participant, in which case the period shall not exceed ten years. All notes must be repaid in level payments on at least a quarterly basis. A reasonable rate of interest will apply for the term of the note, and such interest shall be considered investment income to the fund. Any such note shall be evidenced by a promissory note and shall be held as an asset of the Plan. Interest rates range from 4.25% to 6.50% for notes outstanding at December 31, 2019.

Payment of Benefits

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant after reaching the pre-retirement age of 59 ½. Withdrawals from the Plan can also be made upon circumstances of hardship, in accordance with provisions specified by the Plan document.

Participants withdrawing from the Plan due to termination of employment with the Company, other than due to retirement, death or disability, may receive the value of their vested account by transfer to another qualified plan or individual retirement account ("IRA") or through a lump sum distribution.

Upon normal retirement, disability or death, a participant or beneficiary may receive the value of the account through a lump sum distribution or rollover to a qualified IRA.

Forfeitures

Forfeitures of terminated participants' non-vested accounts can be used to pay administrative expenses or to reduce employer contributions. There were no forfeitures used in 2019 to reduce employer contributions. The balance of forfeited non-vested accounts was $36,648 and $37,972, respectively, at December 31, 2019 and 2018.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Plan Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan document. Certain other administrative expenses of the Plan are paid by the Company. Investment fees are paid by the Plan in the form of reductions of net investment income earned by Plan participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

Use of Accounting Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income (Loss) Recognition

The Plan's investments in registered investment companies and common/collective trust funds are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2019 and 2018, two investment balances comprised approximately of 23% of total investments.

Subsequent Events

Management has evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has provided certification that the financial information included in the financial statements and supplemental schedule as of December 31, 2019 and 2018 and for the year ended December 31, 2019 provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2019 and 2018 and for the year ended December 31, 2019 is covered by such certifications and has not been audited by independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are as follows:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Basis of Fair Value Measurement (Continued)

Money Market Funds

The money market funds are valued at daily closing price as reported by the fund. Money market funds held by the Plan are open-ended funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The money market funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Fund

The Fidelity Managed Income Portfolio is a common/collective trust fund that is valued at the NAV based on the last reported sales price of the underlying investments held. The Plan's interest in the collective trust is based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end. The investment income is allocated to participants based on their proportionate share of the net assets of the fund.

Registered Investment Companies

Shares held in registered investment companies are traded on national security exchanges and are valued at quoted market prices that represent the net asset value ("NAV") of shares held by the Plan at year-end. It is not probable that the shares of registered investment companies will be sold at amounts that differ materially from the NAV of shares held.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Basis of Fair Value Measurement (Continued)

There were no Plan investment assets at fair value classified within Level 3 as of December 31, 2019 or 2018. The following tables set forth by level within the fair value hierarchy the Plan investment assets and investment liabilities at fair value, as of December 31:

	2019				
	Level 1	Level 2	Level 3	NAV(*)	Total
Money Market Fund	$ -	$ -	$ -	$ 99,557	$ 99,557
Common/Collective Trust Fund	-	-	-	5,973,277	5,973,277
Registered Investment Companies	78,504,994	-	-	-	78,504,994
Total Investments at Fair Value	$ 78,504,994	$ -	$ -	$ 6,072,834	$ 84,577,828

	2018				
	Level 1	Level 2	Level 3	NAV(*)	Total
Money Market Fund	$ -	$ -	$ -	$ 63,858	$ 63,858
Common/Collective Trust Fund	-	-	-	7,202,802	7,202,802
Registered Investment Companies	78,178,297	-	-	-	78,178,297
Total Investments at Fair Value	$ 78,178,297	$ -	$ -	$ 7,266,660	$ 85,444,957

(*) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Plan Benefits.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to amend, modify, suspend, or terminate the Plan at any time by the adoption or execution of appropriate resolutions, subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to accounts of participants shall become non-forfeitable and, after payment of expenses, shall be vested in full and paid or credited to each participant in accordance with the Plan Agreement.

NOTE 6 – INCOME TAX STATUS

Prior to March 1, 2018, the IRS had determined and informed to the Company by a letter dated March 31, 2014, that the Plan and related trust were designed in accordance with applicable sections of the IRC. Although the Plan had been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believed that the plan was designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan was qualified, and the related trust was tax-exempt.

On March 1, 2018, the Plan was restated and based on the Volume Submitter Profit Sharing Plan with Coda of Fidelity, which received a favorable opinion letter from the IRS dated March 31, 2014, stating the Plan and related trust were designed in accordance with provisions of the IRC. Although the Plan have been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 7 – RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Plan's trustee. These transactions, as defined by the Plan, qualify as party-in-interest transactions. Notes receivable from participants are also defined by ERISA as party-in-interest transactions.

NOTE 8 – SUBSEQUENT EVENT

The Company has experienced a disruption of normal business operations caused from COVID-19 since December 31, 2019. The Company is presently evaluating the potential economic impact to its operations and by extension to the Plan. While the overall economic impact cannot be determined through the date of this report, it is reasonably possible that changes in risks in the near term could occur which in turn could impact Plan in 2020.

Certified Public Accountants and Advisers

August 19, 2020

The Employee Benefits Committee
Tommy Balas, VP Human Resources
Headwaters Incorporated 401(k) Savings & Investment Plan
Roswell, Georgia

Members of the Employee Benefits Committee:

We have conducted a Department of Labor ("DOL") limited-scope audit of the financial statements of Headwaters Incorporated 401(k) Savings & Investment Plan for the year ended December 31, 2019 and have issued our report thereon dated August 19, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 7, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2019. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Qualitative Aspects of Accounting Practices (Continued)

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

- Fair value of investments

We evaluated the key factors and assumptions used to develop the estimate in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the independent auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 19, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of those charge with governance of the Plan and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

Smith + Howard
