ELIGIBILITY AND PARTICIPANT ACCOUNTS

All employees of the Company who have completed three months of service are eligible to participate in the Plan. Subject to certain limitations on annual additions, each participant’s account is credited with employee elective deferrals, the Company’s discretionary matching contributions, and an allocation of Plan earnings or losses, and is charged with certain administrative expenses. Participants may modify investment elections, transfer existing account balances, and obtain information regarding the investments on a daily basis.

CONTRIBUTIONS

The Plan is funded through employee elective deferrals and Company discretionary matching contributions. A participant may elect to contribute any combination of pre-tax elective deferrals and after-tax elective deferrals from 1% to 90% (in whole percentages) of eligible compensation, subject to certain Plan defined exclusions and maximum limitations imposed by the Internal Revenue Code (“IRC”) (\$19,000 for 2019). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of fifty before the close of the Plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC (\$6,000 for 2019). Rollover contributions, representing distributions from other qualified defined benefit or contribution plans, are permitted by the Plan, as defined in the Plan document.

The Company makes discretionary matching contributions to the Plan based on participants’ annual compensation in the amount of 50% of employee elective deferrals up to 6% of eligible compensation. During the year ended December 31, 2019, the Company made discretionary matching contributions totaling \$251,060.

INVESTMENT OPTIONS

The Plan provides for participants to direct both their contributions and Company matching contributions into a variety of investment options, including mutual funds of registered investment companies and a common collective trust, in accordance with participant investment elections and the provisions of the Reliance trust agreement. Participants should refer to the Plan website for additional fund information.

1 – DESCRIPTION OF PLAN, CONTINUED

DISTRIBUTIONS TO PARTICIPANTS

Upon normal retirement age, death, disability, or termination, a participant's benefits are payable in the form of a lump-sum amount or direct rollover into another qualified plan or individual retirement account ("IRA") equal to 100% of the participant's vested account balance as of the valuation date of such event. In addition, distributions may be made based on financial hardship. Account balances of \$5,000 or less at the time of distribution will be "cashed out" as an involuntary lump sum payment.

VESTING

Participants are immediately vested in both their contributions and actual earnings or losses thereon. Vesting in the Company's discretionary matching contributions plus actual earnings or losses thereon is based on years of continuous service. Participants vest 20% per year beginning after one year of qualified service, and are 100% vested after five years of qualified service or upon occurrence of the participant's retirement, death, or disability, as defined by the Plan document.

FORFEITURES

Any non-vested Company matching contributions and earnings or losses thereon upon a participant's termination of employment will be forfeited and may be used by the Plan to pay administrative expenses and to offset future Company contributions. The amount of forfeitures available for use as of December 31, 2019 and 2018 was \$89 and \$83, respectively. During the year ended December 31, 2019, forfeitures of \$10,637 were used to reduce Company contributions. No forfeitures were used to pay administrative expenses.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance, subject to certain restrictions as defined by the IRS. The borrowings are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Note terms are generally limited to a maximum of 5 years or to a maximum of 30 years if the note is used to acquire or build the principal residence of the participant. Repayments are made through payroll deductions and are reinvested in the participant accounts according to individual investment elections. Notes receivable from participants as of December 31, 2019 had interest rates ranging from 4.25% to 6.50% with maturity dates ranging from January 2020 through November 2049. Notes receivable from participants as of December 31, 2018 had interest rates ranging from 4.25% to 6.50% with maturity dates ranging from January 2019 through June 2028.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to administration of notes receivable from participants and fees paid related to distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to participants' accounts shall become 100% vested.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the accrual method in accordance with United States generally accepted accounting principles ("U.S. GAAP").

ESTIMATES AND ASSUMPTIONS

The preparation of financial statements, in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, changes therein, and associated disclosures. Accordingly, actual results may vary from the estimates used in preparing the accompanying financial statements.

BENEFITS

Benefits are recorded when paid.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income or loss is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon terms of the Plan document or loan policy of the Plan.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

RECENT ACCOUNTING PRONOUNCEMENTS

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2018-13, Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement. ASU No. 2018-13 modifies the disclosure requirements for fair value measurements in Topic 820, Fair Value Measurement. The amendments are based on the concepts in the FASB Concepts Statement, Conceptual Framework for Financial Reporting—Chapter 8: Notes to Financial Statements, which the Board finalized on August 28, 2018. ASU No. 2018-13 is effective for fiscal years beginning after December 15, 2019. Early adoption is permitted. Management is currently assessing the impact that ASU No. 2018-13 will have on the Plan's financial statements.

3 – FAIR VALUE MEASUREMENTS

INVESTMENT VALUATION AND LEVELING

FASB Accounting Standards Codification ("ASC") Topic 820 for Fair Value Measurements and Disclosures provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets. |
| Level 2 | <p>Significant observable inputs other than quoted prices in active markets for which inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- | | |
|---------|---|
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |
|---------|---|

3 – FAIR VALUE MEASUREMENTS, CONTINUED

INVESTMENT VALUATION AND LEVELING, CONTINUED

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In establishing a fair value hierarchy for the Plan's investments in accordance with ASC 820, the following value methodologies were used for each type of investment:

Mutual funds of registered investment companies: Valued at the net asset value ("NAV") or quoted market prices of shares held by the Plan at year end.

Common collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This NAV is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

4 – FINANCIAL INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Reliance, the Trustee and a party-in-interest as defined by ERISA, as of December 31, 2019 and 2018, and for the year ended December 31, 2019, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule. This information consists of the following:

5 – TAX STATUS OF THE PLAN

The Plan is based on a prototype plan developed by ADP which received a favorable opinion letter dated July 16, 2014. The Plan Administrator believes the Plan, as adopted and amended, is operating within the guidelines of the IRC and continues to be tax exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in mutual funds of registered investment companies and a common collective trust. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL Regulations as any fiduciary (including, but not limited to, any administrator, officer, trustee or custodian, counsel, an employee of such employee benefit plan, a Company, and certain others). Fees paid by the Plan for various administrative expenses, including investment management services, amounted to \$6,646 for the year ended December 31, 2019.

8 – EXCESS PARTICIPANT CONTRIBUTIONS PAYABLE

The Plan failed the discrimination test for the year ended December 31, 2019. As a result, excess contributions payable amounting to \$10,915 is recorded as a liability in the accompanying Statements of Net Assets Available for Benefits and as a reduction to contributions in the related Statement of Changes in Net Assets Available for Benefits.

Add: excess contributions payable	<u>10,915</u>
Net increase in net assets available for benefits per Form 5500	<u><u>\$ 924,133</u></u>

10 – SUBSEQUENT EVENTS

In accordance with FASB ASC 855, “*Subsequent Events*,” the Plan has evaluated events or transactions occurring after December 31, 2019, the Statement of Net Assets Available for Benefits date, through August 31, 2020, the date the financial statements were ready to be issued, and determined there were no events or transactions that would impact the financial statements for the year ended December 31, 2019, other than as follows.

In March 2020, the World Health Organization categorized the outbreak of coronavirus (“COVID-19”) as a pandemic. COVID-19 occurred globally causing significant fluctuations in financial markets in the U.S. and internationally. The extent of the impact on the Plan’s net assets, including the fair value of investment securities and related net investment income or loss, as well as future contributions, will depend on the duration and continued spread of the COVID-19 outbreak and any other further economic developments. Plan management is unable at this time to estimate the full impact on the Plan’s financial statements.

Effective April 7, 2020, Plan management approved a resolution to adopt certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) during 2020, including the following:

- allowing participants to take distributions of up to \$100,000 from the Plan,
- increasing new notes receivable available borrowings of up to \$100,000 through September 23, 2020 unless otherwise extended,
- providing for the deferment of payments on existing notes receivable through December 31, 2020, and
- deferring minimum required distributions.
