BHI Senior Living, Inc. Employee Retirement Plan

Notes to Financial Statements

December 31, 2019 and 2018

Note 1: Description of the Plan

The following description of the BHI Senior Living, Inc. Employee Retirement Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan is a defined-contribution plan sponsored by BHI Senior Living, Inc. (Company) for the benefit of a majority of its employees who are at least 21 years old. The Plan recognizes service from the predecessor employer, Baptist Homes of Indiana, Inc. Participating employers include SLDevelopment, Inc. and BHI Retirement Communities, Inc. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). For a majority of 2018, Central Bank and Trust Co. was the trustee and Matrix Trust Company was the custodian of the Plan. Effective December 28, 2018, Matrix Trust Company became the trustee. During 2018, CUNA Mutual Retirement Solutions, Inc. served as the recordkeeper. In January 2019, Plan assets transferred to Great-West Trust Company, LLC, who became the trustee of the Plan.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 75% of eligible compensation, subject to IRS limitations. Employee rollover, catch-up, and Roth contributions are also permitted. The Plan also provides for a safe-harbor match of 100% up to salary deferrals of 5% of plan compensation. Additionally, a discretionary employer contribution can be allocated to participants based on a participant's annual salary as defined in the Plan, for participants who have completed one year of service. The Company did not elect to make this discretionary match during 2019 or 2018. Contributions are subject to certain limitations.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

BHI Senior Living, Inc. Employee Retirement Plan

Notes to Financial Statements

December 31, 2019 and 2018

Vesting

Participants are immediately vested in their voluntary contributions and Company safe-harbor contributions, plus earnings thereon. Vesting in the Company's discretionary match contribution portion of their accounts plus earnings thereon is based on years of continuous service, with the participant being fully vested after three years of service. The nonvested balance is forfeited upon termination of service. Forfeitures are utilized to reduce future Company contributions. At December 31, 2019 and 2018, there was no balance for forfeited nonvested accounts.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of his account.

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. Effective January 1, 2019, the maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. Prior to January 1, 2019, the maximum amount of a participant's loan was determined by the available loan balance restricted to the lesser of \$15,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is equal to 1% above the prime rate.

Notes receivable from participants are reported at amortized principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

BHI Senior Living, Inc. Employee Retirement Plan

Notes to Financial Statements

December 31, 2019 and 2018

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. Money market funds are valued at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Tax Status

Effective January 1, 2019, the Plan operates under a nonstandardized adoption agreement in connection with a prototype 401(k) Plan sponsored by Great-West Trust Company. Prior to this date, the Plan operated under a volume submitter 401(k) profit-sharing plan sponsored by CMFG Life Insurance Company. The Plan has not been submitted to the Internal Revenue Service (IRS) for an individual determination letter as the prototype documents have received favorable opinion letters from the IRS. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the employer or the Plan, at the employer's discretion.

BHI Senior Living, Inc. Employee Retirement Plan

Notes to Financial Statements December 31, 2019 and 2018

Note 3: Certification of Plan Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company and Matrix Trust Company, the trustees, have certified the following information included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2019 and 2018
- Notes receivable from participants as shown in the statement of net assets available for benefits and related disclosures as of December 31, 2019 and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2019
- Investment income (loss) as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2019 and 2018, exclusive of the impact of the amounts reported as dividends receivable, which is not covered by the certification until received by the trustee
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at year end) as of December 31, 2019

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

BHI Senior Living, Inc. Employee Retirement Plan

Notes to Financial Statements December 31, 2019 and 2018

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2019 and 2018:
