Independent Auditor's Report

August 7, 2020

To the Participants, Plan Administrator and Trustees of
The Gypsum Group 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Gypsum Group 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the ***Basis for Disclaimer of Opinion*** paragraph; however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Charles Schwab Bank, the Custodian of the Plan, except for comparing such information with the related information included in the financial

statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the Custodian as of December 31, 2019 and 2018, and for the years then ended, that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the ***Basis for Disclaimer of Opinion*** paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Supplemental Schedule

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2019, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the ***Basis for Disclaimer of Opinion*** paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Description of plan

The following description of The Gypsum Group 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution profit sharing plan under Section 401(a) of the Internal Revenue Code and has Section 401(k) salary deferral provisions. The Plan covers all employees of Gypsum Express Ltd., Gypsum Wholesalers, Inc., Big Red Towing, LLC and Gypsum Logistics, LLC (collectively known as the "Company"), who have twelve months of service and are eighteen years of age or older. Eligible employees begin participating in employer contributions to the Plan as of the first day of the plan year or first day of the seventh month of the plan year after meeting the eligibility requirements. All assets acquired under the Plan are the result of employer or participant contributions thereto, and all income and other additions thereto are administered, distributed, forfeited or otherwise governed by the provisions of the Plan and the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants are allowed to make elective salary deferrals up to the maximum amount allowed by the Internal Revenue Code (the "Code"). Once an employee is eligible for the Plan, they are automatically enrolled to begin making elective deferrals of 4% of their annual compensation, unless the participant elects a different percentage or expressly elects not to participate in the 401(k) portion of the Plan.

The Company may contribute for each participant a discretionary matching contribution equal to a percentage of the participant's elective contributions, which are determined annually at the discretion of the Company's management. The Company's discretionary matching contributions were $579,890, for the year ended December 31, 2019, of which the Company paid $472,430 of these contributions and used $107,460 of available forfeited accounts to fund the remainder, as explained below. The Company's discretionary matching contributions were $527,568 for the year ended December 31, 2018. The Company may also contribute to the Plan additional discretionary profit-sharing contributions for all eligible participants at the discretion of the Company's management. There were no discretionary profit-sharing contributions for the years ended December 31, 2019 and 2018.

The Plan allows for participant rollover contributions.

Vesting - Participants are immediately vested in their elective salary deferral and employer Safe Harbor contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. Participants are 100% vested after six years of credited service for employer discretionary contributions.

Forfeited non-vested accounts - These accounts can be used to reduce future employer contributions or pay administrative expenses, which is at the discretion of the Trustees. Forfeited non-vested accounts totaled $18,584 and $125,493 as of December 31, 2019 and 2018, respectively. Forfeitures used from terminated non-vested account balances totaled $171,975, of which $107,460 reduced employer contributions and $64,515 paid administrative expenses for the year ended December 31, 2019. Forfeitures used from terminated non-vested account balances to pay administrative expenses were $75,203 for the year ended December 31, 2018.

Participant accounts - Each participant's account is credited with the participant's elective salary deferral contribution, an allocation of the Company's discretionary contributions and the plan earnings. Allocations of the Company's discretionary contributions are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance. Under the Plan, participants are allowed to borrow funds against the participant's interest in the Plan at interest rates and repayment terms specified by the plan document; see participant notes receivable below.

Participant notes receivable - Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account. The rate of interest to be paid by the participant must be commensurate with the rate of interest charged on similar commercial loans by persons or institutions in the business of lending money in the same geographic area as the Company. Interest rates range from 3.50% to 5.50%. Principal and interest is repaid ratably through payroll deductions. According to requirements of the participant note receivable program, the plan administrator will consider a note in default if any scheduled payment remains unpaid beyond the last day of the calendar quarter following the calendar quarter in which the participant missed the scheduled payment. Any notes that are in default as defined by the plan document are reported as either deemed distributions or benefit payments (see Note 2).

Deemed distributions - Deemed distributions represent the amount of unpaid principal on notes receivable from participants who are actively participating in the Plan and have not continued to make payments on the outstanding notes as required under the notes receivable from participants program. There were no deemed distributions reported for the years ended December 31, 2019 and 2018.

Investment options - Upon enrollment in the Plan, a participant may direct any portion of their contribution to any of the Plan's investment options. Participants may change their investment options daily through online access.

Payment of benefits - On termination of service, a participant or beneficiary may receive a lump-sum amount equal to the vested value of his or her account to be paid out as soon as practicable. Effective October 1, 2019, the Plan was amended for distributions to include installments.

Plan termination - Although the Company has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their account balances.

Note 2 - Summary of accounting policies

Method of accounting - The Plan maintains its accounting records and financial statements on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of plan income and expenses during the reporting period. Actual results could differ from those estimates.

Risks and uncertainties - The Plan provides for various investment options in any combination of mutual funds and common collective trust funds. Investment securities are exposed to various risks, such as interest rate, credit and overall market volatility (including risks and volatility from the COVID-19 pandemic). Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Investment valuation and income recognition - Investments are stated at fair market value (see Note 6). All investment values have been certified by Charles Schwab Bank (see Note 4). Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Participant notes receivable - Participant notes receivable are measured at their unpaid principal balance plus accrued but unpaid interest. Management individually reviews all notes receivable balances that exceed forty-five days from the date of the most recent payment and, based on the assessment of credit worthiness, estimates the portion, if any, of the balance that will not be collected. Currently, there is no valuation allowance recorded; however, management will record an allowance, if and when potentially uncollectible participant notes receivable becomes material. If a participant defaults on a note receivable and distribution from the participant account has been made during the plan year because the participant has left the Plan, the defaulted note receivable will be reported as benefits paid to participants on the statements of changes in net assets available for benefits and deducted from the receivable balance.

Excess contributions payable - Excess contributions payable represent excess employee salary deferral contributions owed to certain participants in order to satisfy the relevant nondiscrimination provisions of the Plan. The excess employee contributions ("corrective distributions") are returned to the affected participants subsequent to year end. Corrective distributions amounted to $16,019 and $21,637 for the years ended December 31, 2019 and 2018, respectively (see Note 7).

Payment of benefits - Benefits are recorded as paid.

Administrative fees - Costs of managing the investments and of maintaining participant accounts are paid directly out of the Plan's assets or paid by the Company. Other administrative costs, including legal and accounting costs, are paid by the Company (see Note 5).

Economic dependency and concentration of credit risk - The Plan's investments are maintained by Charles Schwab Bank at December 31, 2019 and 2018. Approximately 69% and 16% of the Plan's investments are invested with BlackRock and Vanguard, respectively, at December 31, 2019. Approximately 68% and 23% of the Plan's investments were invested with BlackRock and Vanguard, respectively, at December 31, 2018. Accordingly, the Plan is dependent upon the financial condition of these entities. All of the investments are exposed to normal market and credit risk.

Subsequent events - In early 2020, local, U.S. and world governments have encouraged self-isolation to curtail the spread of the global pandemic, coronavirus disease (COVID-19), by mandating temporary work stoppage in many sectors and imposing limitations on travel and size and duration of group meetings. Most industries are experiencing disruption to business operations and the impact of reduced consumer spending. In addition, global markets have seen significant declines. There is unprecedented uncertainty surrounding the duration of the pandemic, its potential economic ramifications, and any government actions to mitigate them. There has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. The Plan has implemented certain provisions of the Bipartisan Budget Act of 2018, which have made changes to plan provisions that impact hardship withdrawals. The Plan has also implemented certain provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), a law which, among others, extends the age for required minimum distributions to seventy-two. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service guidance. Because of the uncertainty of the markets during this time, plan management is unable to estimate the total impact the pandemic will have. Management has evaluated subsequent events through August 7, 2020, the date that the financial statements were available for issue.

Note 3 - Tax status of plan

The Internal Revenue Service has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the plan trustees believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Accordingly, the Plan has been accounted for as a tax-exempt plan.

The Plan has reviewed its operations for uncertain tax positions and believes there are no significant exposures. The Plan will include penalties and interest on income tax liabilities in administrative expenses if such amounts arise. The Plan did not incur any penalties and interest for the years ended December 31, 2019 and 2018. The Plan is no longer subject to regulatory examinations by tax authorities for the closed years before 2016.

Note 4 - Information certified by the Plan's Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations and Disclosure under ERISA. Accordingly, Charles Schwab Bank, the Custodian of the Plan, has certified that the investments and investment income included in the accompanying financial statements as of and for the years ended December 31, 2019 and 2018, and supplemental schedule as of December 31, 2019, are complete and accurate. Furthermore, the Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 5 - Party in interest transactions

The Plan's investments are funds managed by Charles Schwab Bank, the Custodian of the Plan. Fees paid for these services qualify as party in interest transactions and are included in the net appreciation (depreciation) in investments on the accompanying statements of changes in net assets available for benefits.

Furthermore, the Plan has contracts with the StanCorp Financial Group to provide recordkeeping and third-party administrative services, which qualify as party in interest transactions. Fees paid for these services amounted to $92,227 and $96,656 for the years ended December 31, 2019 and 2018, respectively. In 2019, the Plan contracted with Good Life Advisors, LLC to provide investment management services, which qualify as party in interest transactions. Fees paid for these services amounted to $19,828 for the year ended December 31, 2019. These fees are paid directly by the Plan and are included in administrative expenses on the accompanying statements of changes in net assets available for benefits.

Note 6 - Fair value measurements

The Financial Accounting Standards Board has published authoritative guidance on Fair Value Measurements, which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative guidance are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in inactive markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies (i.e. Mutual Funds) - Valued at the closing price reported on the active market on which the individual security is traded (Level 1).

Money Market - Managed portfolios including commercial paper, certificate of deposits, U.S. government agency obligations, corporate bonds and notes, repurchase agreements and other assets and liabilities valued at the closing price reported on the active market on which the individual security is traded (Level 2).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in methodologies used as of December 31, 2019 and 2018.

The following table sets forth by Level, within the fair value hierarchy, the Plan's assets at fair value:

	As of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 17,880,313	$ -	$ -	$ 17,880,313

Note 7 - Life insurance and reconciliations of the financial statements to Form 5500

At the option of individual participants, the Trustees of the Plan are authorized to use a portion of the participant's 401(k) contributions to purchase whole life insurance policies. These policies are owned by the participants and death benefits are payable to the individual participant's account in the Plan. Cash surrender value of life insurance policies is not recorded in the financial statements as they are allocated insurance contracts. These amounts are recorded on Form 5500 as plan assets. In addition, corrective distributions are recorded in the financial statements in the plan year that the excess contributions are received (see Note 2). Corrective distributions are recorded on Form 5500 in the plan year that they are paid. The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	December 31,	
	2019	2018
Net assets available for benefits per the financial statements	$ 18,221,033	$ 13,934,736

Add - Amount allocated to excess contributions payable	16,019	21,637
Net asset available for benefits per Form 5500, Schedule H, Part I, Line 1l	$ 18,537,348	$ 14,254,271

The following is a reconciliation of corrective distributions to participants per the financial statements to Form 5500:

	Year ended December 31,	
	2019	2018
Corrective distributions to participants per the financial statements	$ 16,019	$ 21,637
Unpaid accrued corrective distributions to participants	(16,019)	(21,637)
Paid corrective distributions to participants	21,637	28,395
Corrective distributions per Form 5500, Schedule H, Part II, Line 2f	$ 21,637	$ 28,395

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the financial statements to Form 5500:

	Year ended December 31,	
	2019	2018
Net increase (decrease) per the financial statements	$ 4,286,297	$ (216,094)
