401(k) SAVINGS PLAN FOR EMPLOYEES OF THE DISPATCH PRINTING COMPANY AND ASSOCIATED EMPLOYERS

Notes to Financial Statements December 31, 2019 and 2018

Plan Description

The following description of the 401(k) Savings Plan for Employees of The Dispatch Printing Company and Associated Employers (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan participants include all non-union employees of the employer members who have attained age 21 and completed the Plan's eligibility service requirements. Participants meet the eligibility service requirements on the first date they have completed either (i) 250 hours of service or (ii) one year of eligibility service, defined as working a minimum of 1,000 hours. Newly eligible employees may enroll in the Plan on the first day of each quarter upon meeting the Plan's eligibility requirements. A listing of the present employer members (collectively, the Companies) follows:

The Dispatch Printing Company
Wolfe Enterprises, Inc.

In August 2019, employer members RadiOhio Incorporated, VideOhio Incorporated, VideoIndiana, Inc. and WBNS TV, Inc. were acquired by TEGNA, Inc. in a stock purchase transaction. This resulted in a partial plan termination and all participants impacted were immediately vested in their account balances, to the extent not already vested. All account balances for participants affected by this transaction were transferred out of the plan on December 30, 2019 which resulted in a total transfer out of the plan of \$54,778,500.

All administrative fees are paid by the Plan, unless paid by the Plan sponsor.

Contributions

Plan participants may authorize payroll deductions of 2% to 50% or any fixed dollar amount up to 50% of the participant's compensation, as defined in the Plan agreement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan has an automatic deferral provision for new participants upon enrollment whereby the Company will automatically withhold a portion of compensation for each payroll period and contribute that amount to the Plan as a pretax deferral unless a contrary election is made. The automatic deferral percentage shall be 3 percent and increase 1 percent per year thereafter to reach a maximum automatic deferral percentage of 6 percent. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one collective investment trust fund and various mutual funds as investment options for participants.

Plan Description (continued)

Contributions (continued)

The Companies make an Automated Employer Contribution to the Plan equal to 3% of each participant's compensation each pay period. Participants are eligible to receive Automated Employer Contributions once they have completed either (i) 250 hours of service or (ii) one year of eligibility service, defined as working a minimum of 1,000 hours. The Companies also make a matching contribution equal to 50% of each participant's total contribution, up to 4% of the participant's covered compensation, once the participant has become eligible. Contributions are subject to certain limitations. The Plan also provides for discretionary contributions as determined on an annual basis by the Companies. In 2019, the Company made a discretionary contribution of \$328,000 to all active participants as of August 6, 2019. The Company made an additional discretionary contribution of \$17,000 to all participants who were eligible employees of The Dispatch Printing Company as of December 13, 2019. The Companies made no such discretionary non-elective contributions in 2018.

During 2019, as a result of excess funds remaining after the liquidation of all vested participant balances from the General Retirement Plan for Employees of the Dispatch Printing Company and Associated Companies, the Plan Sponsor elected to transfer the excess funds into the Plan and utilize these funds for future Automated Employer Contributions. Total funds transferred into the Plan during 2019 were \$828,530 and these funds were fully utilized to offset employer contributions during 2019.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant contributions are immediately 100% vested and non-forfeitable. As of January 1, 2010, all participants are at all times fully vested in the portion of their Automated Employer Contributions made to the Plan for plan years beginning on and after January 1, 2010. For Automated Employer Contributions made to the Plan for plan years prior to January 1, 2010, participants become 100% vested in their allocation once three years of vesting service has been completed, as defined in the Plan agreement, upon reaching the age of 65 while still employed by the Companies or if the participant's employment with the Companies ends due to death or disability. Effective January 1, 2012, participants are fully vested in any Employer Discretionary Contributions made. Effective January 1, 2016, participants are fully vested in any Employer Matching Contributions made.

Plan Description (continued)

Payment of Benefits

Under the Plan, a participant receives the full value of his or her vested account balance upon retirement, termination of employment or disability. Beneficiaries are entitled to the participant's account upon the participant's death. The Plan also provides for employees to make in-service withdrawals from their account under certain "hardship" circumstances. Benefits are either paid in a lump-sum or in installments over a fixed-period that does not exceed the participant's life expectancy or the joint life expectancy of the participant and their beneficiary.

Administrative Expenses

Expenses incurred in connection with the administration of the Plan are paid by the Plan to the extent not paid by the Companies and are recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as administrative expenses.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure regarding fair value of investments, see the *Fair Value Measurements* footnote herein.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recognized on the ex-dividend date, and interest is recognized on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes to Financial Statements December 31, 2019 and 2018

Information Prepared and Certified by Investment Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that was prepared and certified to as complete and accurate by State Street Bank and Trust Company (State Street), the trustee of the Plan.

	2019	2018
Mutual funds	\$ 68,895,320	\$ 106,983,196
Common collective trust	7,537,612	12,108,220
	<u>\$ 76,432,932</u>	<u>\$ 119,091,416</u>

The trustee also certified the completeness and accuracy of the following related to the aforementioned investments for the years ended December 31:

	2019	2018
Net appreciation (depreciation) in fair value of investments	\$ 24,800,809	\$ (7,406,212)
Interest and dividend income	1,941,886	1,888,447

Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Level 3 are significant unobservable inputs for the asset or liability.

401(k) SAVINGS PLAN FOR EMPLOYEES OF THE DISPATCH PRINTING COMPANY AND ASSOCIATED EMPLOYERS

Notes to Financial Statements December 31, 2019 and 2018

Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual Funds: Valued at the quoted market prices of shares held by the Plan at year-end.

Common Collective Trust: Valued at the net asset value (NAV) provided by the administrator of the fund. Issues and redemptions of units are recorded upon receipt of unit holder's instructions based on the determined NAV per unit, which is determined daily. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For this fund, there are no unfunded commitments, redemption restrictions, and participants can transact daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2019				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 68,895,320	\$ -	\$ -	\$ 68,895,320
Investments measured at net asset value*	-	-	-	7,537,612
Total assets at fair value	\$ 68,895,320	\$ -	\$ -	\$ 76,432,932

401(k) SAVINGS PLAN FOR EMPLOYEES OF THE DISPATCH PRINTING COMPANY AND ASSOCIATED EMPLOYERS

Notes to Financial Statements December 31, 2019 and 2018

Fair Value Measurements (continued)

	Assets at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 106,983,196	\$ -	\$ -	\$ 106,983,196
Investments measured at net asset value*	-	-	-	12,108,220
Total assets at fair value	\$ 106,983,196	\$ -	\$ -	\$ 119,091,416

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Tax Status

The Internal Revenue Service (IRS) has determined and informed the employer members by letter dated January 29, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and a common collective trust managed by State Street and Transamerica Retirement Solutions, LLC (Transamerica). State Street and Transamerica are the trustee and recordkeeper, respectively, as defined by the Plan agreement and, therefore, these transactions qualify as party-in-interest.

401(k) SAVINGS PLAN FOR EMPLOYEES OF THE DISPATCH PRINTING COMPANY AND ASSOCIATED EMPLOYERS

Notes to Financial Statements
December 31, 2019 and 2018

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the accompanying 2019 statement of net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date on which the financial statements were available to be issued.

The Plan Sponsor concluded that subsequent to the date of the financial statements, due to the outbreak of the COVID-19 pandemic, supply chains and affected production and sales across a range of industries has been disrupted. The extent of the impact of COVID-19 on the Plan Sponsor's performance and the Plan's investments will depend on certain developments, including the duration and spread of the outbreak. The impact on the Plan cannot be predicted, and the extent to which COVID-19 may impact the statement of net assets available for benefits is uncertain at this time.

As a result of the COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law. The CARES Act includes relief provisions available to tax-qualified retirement plans and their participants.

Plan management is continuing to evaluate the relief provisions available to plan participants under the CARES Act and has implemented the following provisions effective April 29, 2020:

- In-service withdrawals will be allowed for COVID-19 related distributions up to \$100,000. Early withdrawal penalties on these distributions will be waived.
